Dear FCC:

Dear FCC members. I am writing to show my support of the merger plans of Sirius and XM radio companies. I subscribe to Sirius and would like to have the full potential of both companies at my fingertips. I have to voice that all this foot dragging by both the DOJ and FCC shows alot of transparency in the decision making of both groups. The consumer would have liked to seen a decision based on our concerns rather than on political pressures. Even though it took too long the DOJ got it right. Its time for the FCC to step up and do the right thing and approve the merger now.

Sincerely,

Jeff Bona
