

LISA ANN ORLOFF, M.D.

Division of Otolaryngology/Head and Neck Surgery
 UCSD Medical Center
 200 West Arbor Drive
 San Diego, California 92103-8895
 Telephone: (619) 543-2819
 FAX: (619) 543-5521
 EMAIL: lorloff@ucsd.edu

TITLE: Associate Professor of Surgery
 Division of Otolaryngology/Head and Neck Surgery
 University of California San Diego
 San Diego, California

Medical Director, Speech Pathology Associates of San Diego
 Medical Consultant, San Diego Opera
 Medical Consultant, San Diego Repertory Theatre

DOB:

Marital Status:

Languages: English, Spanish

Board Certification: March 1993 - American Board of Otolaryngology-Head and Neck Surgery

Professional Licenses: State of Washington, 1986 -
 State of California, 1991 -
 Medical Council of Canada Qualifying Examination, 1991

Certifications: Flight Surgeon, Air Lift Northwest, Seattle, WA 1988-1992
 Certified in Conscious/Deep Sedation, July 1995, UCSD Medical Center,
 Credentials Committee
 CO2 Laser Certified
 KTP Laser Certified

Hospital Privileges: University of California, San Diego Medical Center, San Diego, CA
 Thornton Hospital, La Jolla, CA
 San Diego Veterans Administration Hospital, La Jolla, CA
 Scripps Clinic/Green Hospital, La Jolla, CA
 Centre for HealthCare, Rancho Bernardo, CA

EDUCATION:

1975-1978 La Jolla High School/La Jolla, CA (Valedictorian)

1978-1982 Stanford University, Stanford, CA (B.A., Human Biology)

1982-1986 University of California, Los Angeles School of Medicine, Los Angeles, CA (M.D.)

1986-1987 Internship- General Surgery, University of Washington, Seattle, WA

1987-1988 Residency- General Surgery, University of Washington, Seattle, WA

1988-1992 Residency- Otolaryngology/Head and Neck Surgery, University of Washington, Seattle, WA

FELLOWSHIP AND RESEARCH EXPERIENCE:

Laboratory Assistant in Molecular Immunology, Scripps Clinic and Research Foundation, La Jolla, CA - under (1978, 1979)

American Heart Association Research Fellow, University of California, San Diego, CA - under (1981)

American Gastroenterological Association Research Fellow, Center for Ulcer Research and Education, Veterans Administration Hospital, Wadsworth, Los Angeles, CA - under (1983)

Post Doctoral Research Fellow in Microsurgery, Department of Otolaryngology/Head and Neck Surgery, University of Washington, Seattle, WA - under, Asst. Professor, Department of Otolaryngology/Head and Neck Surgery, University of Washington (1989)

Visiting Fellow in Microvascular and Reconstructive Surgery, Department of Otolaryngology, Mt. Sinai Medical Center, New York, NY -under, Assoc. Professor of Otolaryngology (1992)

Representative, Latin America Otitis Media Research and Training Program, Inc. (LAOMRTP), Research and Teaching Fellowship in Mexico,Mexico (1992)

Fellowship training in Ultrasonography of the Head and Neck with, Mainz, Germany (February 2003 to September 2003)

Research Collaboration with, Mainz, Germany (2003)

German Colleague and Co-Instructor on Ultrasonography, (September, 2003 – lecture at the AAO-HNS annual meeting in Orlando, FL)

Collaboration with the director of research for the Department of Otolaryngology/Head and Neck Surgery,, Gutenberg University (2003)

Lecture to Regensburg School of Medicine faculty, “Medical Education in the United States”, Regensburg, Germany (2003)

Medical School Curricula, Clinical Clerkships, Research Projects for Medical Students, with the Dean of the School of Medicine (..... , Regensburg, Germany (2003)

Collaboration with Otolaryngology faculty, University of Regensburg, (world-renowned phoniatician),, and (Department Chairman) (2003)

Lecture, "Laryngeal Dysphonia", University of Regensburg, Germany (2003)

Guest of, Chairman of the Department of Otorhinolaryngology/Head and Neck Surgery, University of Goettingen, Germany for study new endoscopic microlaryngeal procedures (2003)

Guest of, Chairman of the Department of Otolaryngology/Head and Neck Surgery, University of Schleswig-Holstein, Kiel, Germany for study of endoscopic microsurgery (2003)

Training and experience in new approaches to treating thyroid cancer, Institut Gustave Roussy, Paris, France, under the mentorship of, professor of Nuclear Medicine and Endocrinology, and collaboration with (2003)

Invited guest, the Hopital European, with (Professor and Chairman) and Oliver Laccourreye, M.D., Paris, France (2003)

Invited guest, the Hopital Necker, with, Professor and Past Chairman of Radiology and, Paris, France (2003)

Invited guest, the Institut Curie, with and colleagues, the Department of Radiology, Paris, France (2003)

TEACHING EXPERIENCE:

Organizer and Speaker, "Medicine and the Arts," UCLA School of Medicine (1985-1986)

Instructor in Anatomy, King County Paramedic Training Program, Seattle, WA (1988-1991)

Instructor/Evaluator, King County Paramedic Training Program - year-end review, Seattle, WA (1988-1991)

Instructor in Anatomy, Whatcom County EMT Program, Bellingham, WA (1990, 1991)

Instructor in Anatomy, Kenmore Fire Department EMT Program, Kenmore, WA (1990)

Instructor in Anatomy, Emergency Medical Update, Inc. - video education system, Seattle, WA (1991)

Instructor in Anatomy, Kitsap County Paramedic Training Program, Seattle, WA (1991)

Instructor in Anatomy, Bellingham Fire Department Paramedic Training Program, Bellingham, WA (1991)

Panelist, American Cancer Society's Great American Smokeout Teen Press Conference, Seattle, WA (1991)

Lecturer and Instructor, Latin American Otitis Media Research and Training Program, Inc., Mexico,, Mexico (May-June 1992)

Lecturer and Preceptor, Surgery 401 (3rd year medical student required course), UCSD School of Medicine, San Diego, CA. (September 1992-present, quarterly)

Lecturer, Human Anatomy Course, UCSD School of Medicine, San Diego, CA. (September 1992-present, annually)

Preceptor for UCSD Internal Medicine Residents rotating on Otolaryngology for a portion of their Primary Care training. (May 1994-2002)

Teacher of Hematology/Oncology Fellow -, November, 2003.

Teacher of Hematology/Oncology Fellow -, December 2003.

Instructor in Human Anatomy: Head and Neck, UCSD School of Medicine, Fall 2003.

UCSD Surgery 401 Course lecture: Thyroid and Parathyroid Surgery, November 20, 2003.

UCSD Human Anatomy Course lecture: Larynx and Branchial Cleft Problems, December 8, 2003.

Faculty/Alumni Preceptorship for Medical Students:April 13, 2004;
.....) – May 4, 2004.

Surgery 401 Clerkship Ward Work:

.....
.....
.....

HONORS/AWARDS:

- Shirley Baron Award, Western Section of the Triological Society, January 1992
- Vice President's Award, Western Section of the Triological Society, January 1993
- American Academy of Otolaryngology-Head and Neck Surgery Foundation Research Training Award for proposal, "A Transmural Heparin Delivery System for Prevention of Microvascular Thrombosis", September 1995
- Honorable Mention: Research Committee and Council of the American Society for Head and Neck Surgery, at Fourth International Conference on Head and Neck Cancer in Toronto, July 28-August 2, 1996, for proposal, "A Transmural Heparin Delivery System for Prevention of Microvascular Thrombosis".
- Listed in The Best Doctors in America: Pacific Region, 1996-1997 Edition.
- Listed in The Best Doctors in America, 1998-1999 Edition.
- Dystonia Doctor of Excellence, Dystonia Medical Research Foundation, March 4, 2000.
- Lifetime Member, Kingston's National Registry of Who's Who, published 2002.
- Listed in Best Doctors, Inc., 2002.
- Listed in San Diego Magazine, as one of San Diego's Best Doctors, September 2002.
- 2003 Vice President's Award, The Western Section of the Triological Society: The Expression of p73 and Δ Np73 in Thyroid Cancer. Presenter: Weg M. Ongkeko.
- Listed in San Diego Magazine, as one of San Diego's Best Doctors, September 2003.
- 2002-2003 The America's Registry of Outstanding Professionals (www.americasregistry.com/basic)
- 2002-2003 Honored Member, Strathmore's Who's Who.

MEMBERSHIP IN SCHOLARLY SOCIETIES:

American Academy of Otolaryngology/Head and Neck Surgery
Physicians for Social Responsibility
American Academy of Facial, Plastic & Reconstructive Surgery
California Medical Association
Pacific Coast Oto-Ophthalmological Society
San Diego Academy of Otolaryngology-Head & Neck Surgery
San Diego County Medical Society
Pan American Association of Oto-Rhino-Laryngology Head & Neck Surgery
Society of University Otolaryngologists-Head and Neck Surgeons
Triological Society
Voice Foundation
Society for Surgery of the Alimentary Tract
Association of Veterans Affairs Otolaryngologists
National Spasmodic Dysphonia Association

California Otolaryngology-Head and Neck Surgery Society
 American College of Surgeons, Fellow
 The Committee on Applicants District IV, meeting May 15, 2004
 American College of Surgeons, San Diego Chapter:
 Council Member, 1996-present
 Treasurer, 1997-1998
 Secretary-Treasurer, 1998-1999
 President, 1999-2001
 Representative to Young Physicians Section of California Medical Assoc, 1997-present
 Pacific Coast Surgical Association
 California Medical Review Inc.
 American Association of Clinical Endocrinologists 2000-present.
 American Association of Electrodiagnostic Medicine Task Force on Laryngeal Electromyography

COMMITTEES:

Cancer Committee, UCSD Medical Center, San Diego, CA (1992-present)
 Cancer Committee, Veterans Administration Hospital, La Jolla, CA (1992-present)
 Laser Committee, UCSD Medical Center, San Diego, CA (1992-present)
 Operating Room Advisory Committee, Thornton Hospital, La Jolla, CA (1993-1996)
 Ombudsman for Sexual Harassment Issues, Division of Otolaryngology-Head and Neck Surgery,
 UCSD Medical Center, San Diego, CA (1993-present)
 San Diego Foundation for Medical Care, Otolaryngology Liaison (1994-1996)
 UCSD Independent Review Committee on Conflict of Interest, San Diego, CA (1995-present)
 Department of Surgery Education Subcommittee, UCSD Medical Center (1995-1996)
 Committee for Oncology Programs (COP), UCSD Medical Center (1996-1998)
 Quality Assurance and Quality Resource Management Committee, UCSD (1996-present)
 Endocrine Surgery Subcommittee, American Academy of Otolaryngology-Head and Neck
 Surgery, (1996-2001); continued as Endocrine Surgery Committee (2001-present)
 Panel, California Children Services Program (1996-present)
 Division of Otolaryngology-Head and Neck Surgery Clinical Representative for UCSD Division of
 Trauma Quality Improvement Program (1997)
 UCSD Medical Center Bylaws Committee (1997-1998)
 Pacific Foundation for Medical Care, Ad Hoc Speech Therapy Committee (1997-present)
 UCSD Laser Safety Committee, Campus-Wide, (1997-present)
 Process Action Team for Operating Room, UCSD Medical Center (1997-1999)
 Member, UCSD School of Medicine, Vice-Chancellor's Faculty Council on Education (1999-2000)
 UCSD Medical Center Operating Room Committee (2000-present)
 Member-at-large, UCSD School of Medicine Committee on Educational Policy (2000-present)
 American College of Surgeons, Committee on Applicants - (2000-present)
 Ad Hoc Committee, UCSD School of Medicine Committee on Academic Personnel (2000)
 Ad Hoc Committee, UCSD Department of Surgery, Academic Review (2001)
 Ad Hoc Committee-Chair, UCSD School of Medicine Committee on Academic Personnel (2002)
 Search Committee: Faculty Recruitment, Trauma Division – 2002
 Consultant, Endocrine Surgery Committee, American Academy of Otolaryngology-Head and Neck Surgery
 (2003-2004)
 Trauma Quality Improvement Program, Clinical Representative for Otolaryngology Surgical Services (2004)

15. Temporalis Muscle Flap. Surgical Challenges of the Head and Neck: A Dissection Course Emphasizing Contemporary Techniques, San Diego, CA, March 16-19, 1994.
16. Esophageal Reconstruction. UCSD Surgery Grand Rounds, May 1994.
17. Combined Intra-arterial Chemotherapy and Radiation Therapy for Advanced Head and Neck Cancer. University of Michigan, Department of Otolaryngology-Head and Neck Surgery Grand Rounds, Ann Arbor, MI, June 24, 1994.
18. Laboratory Instructor. Dr. Hugh Greenway's Eleventh Annual Conference: Superficial Anatomy and Cutaneous Surgery. San Diego, CA, July 19-23, 1994.
19. Beethoven's Music and His Deafness. Otolaryngology-Head and Neck Surgery Grand Rounds, UCSD, San Diego, CA, December 16, 1994.
20. Spasmodic Dysphonia. San Diego County Medical Society. San Diego, CA, January 21, 1995.
21. Evaluation of Laryngeal Pathology. Pulmonary and Critical Care Medical Grand Rounds, UCSD, San Diego, CA, April 20, 1995.
22. Concurrent Intra-arterial Chemotherapy and Radiation Therapy for Advanced Head and Neck Cancer. Department of Otolaryngology-Head and Neck Surgery, University of Washington, Seattle, WA, April 26, 1995.
23. Laboratory Instructor. Dr. Hugh Greenway's 12th Annual Conference: Superficial Anatomy and Cutaneous Surgery. San Diego, CA, July 11-14, 1995.
24. Maxillofacial Plating Workshop. Coordinator and Instructor. San Diego, CA, July 20, 1995.
25. Use of BOTOX in the Treatment of Spasmodic Dysphonia, Facial Dyskinesia, and Improved Cosmesis in the Aging Patient. FESORMEX 95: UCSD Scientific Session. San Diego, CA, October 5, 1995.
26. Perivascular Heparin for Prevention of Thrombosis and Restenosis. Hebrew University of Jerusalem, November 7, 1995.
27. Thyroid Case Conference, Panelist, Division of Endocrinology Grand Rounds, UCSD, San Diego, CA, February 7, 1996.
28. Thyroid Nodules - Single and Multiple. 19th Annual San Diego Postgraduate Assembly in Surgery, San Diego, CA, February 5-9, 1996.
29. Management of Laryngeal Trauma, with Adam Stein, M.D., UCSD Department of Surgery Grand Rounds, February 10, 1996.
30. Lip Lesions/Reconstruction. UCSD Dermatology Grand Rounds, March 7, 1996.
31. Vocal Cord Paralysis. UCSD Anesthesiology Morbidity and Mortality Conference, March 26, 1996.
32. Problems Associated with Prolonged Intubation, UCSD Department of Surgery Grand Rounds, March 30, 1996.
33. Benign and Malignant Thyroid Disease, with J. Hilinski, M.D., UCSD Morning Surgery Conference, May 1, 1996.

34. Management of Vocal Cord Paralysis, UCSD Surgery Grand Rounds, May 4, 1996.
35. Botulinum Toxin in Otolaryngology, Academic Conference of Otolaryngology-Head and Neck Surgery at the University of California, San Diego, June 1996.
36. Guest Discussant, "Parathyroid Autotransplantation During Thyroidectomy. Results of Long-Term Follow-up", General Surgery Journal Club, UCSD, June 20, 1996.
37. Embryology and Anomalies, UCSD Human Anatomy Lecture (MS207), Annually from the Fall 1992-Fall 1997.
38. Larynx and Branchial Cleft Problems, UCSD Human Anatomy Lecture and Lab (MS207), Annually from November 22, 1996 to November 2000.
39. Use of Vitamin Therapy and Other New Approaches in the Treatment of Head and Neck Cancer, UCSD Cancer Center Associates, La Jolla, CA, September 18, 1997.
40. Moderator, "Head and Neck Surgery" topic at Surgical Resident Conference, September 24, 1997.
41. Controversies in Surgery for Primary Hyperparathyroidism, Head and Neck Surgery Grand Rounds, with David W. Kim, M.D., October 7, 1997
42. Thyroid Disease and Surgery, Head and Neck Surgery Journal Club, Host/Moderator, October 9, 1997.
43. Overview of Thyroid Surgery, Hematology/Oncology Fellows Conference, VA Hospital, San Diego, CA., October 22, 1997.
44. Synthes Maxillofacial Plating Workshop. Director. San Diego, CA, January 31, 1998.
45. Thyroid Cancer Update, Mercy Hospital, Surgical Grand Rounds, San Diego, CA., February 2, 1998.
46. Thyroid Tumors, 21st Annual Postgraduate Conference in General Surgery, UCSD, San Diego, CA, February 20, 1998.
47. Thyroid. Surgery Resident Teaching Conference, UCSD, San Diego, CA., March 4, 1998.
48. Physiology of Hearing. National School District Systemic Teacher Enhancement Project. National City, CA., June 30, 1998.
49. Management of Dysphagia and Aspiration. San Diego Veterans Affairs Extended Care Facility Lecture Series, September 11, 1998.
50. Salivary Gland Tumors. With M.C. Chien, M.D., UCSD Department of Surgery Grand Rounds, September 12, 1998.
51. Voice Disorders. UCSD In Service. October 30, 1998
52. Vocal Cord Paralysis. UCSD Otolaryngology-Head & Neck Surgery Journal Club, December 3, 1998.
53. Perioperative Complications and Universal Precautions. Otolaryngology Lecture Series, Core Curriculum, UCSD, January 7, 1999
54. Pathophysiology Correlates, Second Year Medical Students, (UCSD School of Medicine Class of 2001), April 20, 1999.
55. ENT for the Psychiatrist. UCSD School of Medicine, April 26, 1999.

56. UCSD Surgical Oncology Group Presentation: Cancer and Organ Transplantation, June 3, 1999.
57. Surgical Approaches to Thyroid and Parathyroid Diseases. Department of Medicine Grand Rounds, University of California San Diego, September 8, 1999.
58. Cancer and Organ Transplantation. Department of Surgery Grand Rounds, University of California, San Diego, December 4, 1999.
59. Larynx Anatomy & Physiology. Otolaryngology Lecture Series, University of California, San Diego, February 25, 2000.
60. Pediatric Laryngeal Disorders. University of California, San Diego Pediatric Group, March 8, 2000
61. Benign Laryngeal Lesions. Otolaryngology Lecture Series, University of California, San Diego, March 10, 2000.
62. Voice Disorders and Phonosurgery. Otolaryngology Lecture Series, University of California, San Diego, March 17, 2000.
63. Current Activities of the Local Chapter of the American College of Surgeons. UCSD, Surgical Grand Rounds, La Jolla, CA., September 16, 2000.
64. Thyroid Disorders. UCSD Otolaryngology Lecture Series, February 9, 2001
65. Parathyroid Diseases and Surgical Management. UCSD Otolaryngology Lecture Series, February 23, 2001.
66. Vocal Cord Paralysis and Hoarseness. UCSD Otolaryngology Lecture Series, La Jolla, CA, April 13, 2001.
67. Vocal Cord Paralysis, with Tim Lander, M.D. UCSD Surgical Grand Rounds, La Jolla, CA, July 14, 2001.
67. Dysphagia and Aspiration in Myositis. Myositis Association of America Conference, San Diego, CA, October 6, 2001. (2 Lectures)
68. Human Anatomy Lecture: Larynx and Branchial Arch and Pouch Derivatives; involving virtual reality/3-D models (w/ Alicia L.R. Fritchle and Helene Hoffman, Ph.D.). UCSD, San Diego, CA, December 7, 2001.
69. Dr. Hugh Greenway's 19th Annual Conference: Superficial Anatomy and Cutaneous Surgery, San Diego, CA, July 15-20, 2002
70. Endoscopic Laryngeal Surgery: Options for Access and Anesthesia. Minnesota Academy of Otolaryngology. Minneapolis, MN. October 15, 2002.
71. Head and Neck Cancer. VA Cancer Committee. November 21, 2002.
72. Head and Neck Cancer. UCSD General Surgery Residents' Core Series. November 27, 2002.
73. Spasmodic Dysphonia: Current Concepts. Department of Otolaryngology, University of Regensburg. Regensburg, Germany. February 10, 2003
74. Medical Education in the United States. University of Regensburg School of Medicine. Regensburg, Germany. February 11, 2003.
75. Spasmodic Dysphonia: Evaluation and Management. Department of Otolaryngology/HNS, Johannes Gutenberg University. Mainz, Germany. April 14, 2003.

76. Demonstrator, Workshop 1 – Voice Range Profile Measurements for Evaluation of Speaking, Shouting and Singing Voice. Tamas Hacki, Instructor, 5th Pan European Voice Conference. Graz, Austria. August 29, 2003.
77. Instruction Course #4721-1: Ultrasonography Developments in the Differential Diagnosis of Neck Masses. Hans J. Welkoborsky and Lisa A. Orloff. 2003 Annual Meeting, American Academy of Otolaryngology, Head and Neck Surgery. Orlando, Florida. September 24, 2003.
78. Lecture to Regensburg School of Medicine faculty, “Medical Education in the United States”, Regensburg, Germany (2003)
79. Lecture, “Laryngeal Dysphonia”, University of Regensburg, Germany (2003)
80. Ultrasonography in head and neck surgery. UCSD Surgical Grand Rounds, February 28, 2004.

SCIENTIFIC PRESENTATIONS:

1. ANTI-THROMBOTIC EFFECTS OF HEPARIN RELEASED TRANSMURALLY FROM A POLYANHYDRIDE POLYMER (RESEARCH FORUM)
Annual Meeting of the American Academy of Otolaryngology/Head and Neck Surgery, San Diego, CA, 1990.
2. ASPIRATION CYTOLOGY IN THE DIAGNOSIS OF THYROID MALIGNANCY
Western Section Meeting of the Triological Society, La Quinta, CA, January 10-12, 1992.
3. MAGNETIC RESONANCE IMAGING IN INTRATEMPORAL FACIAL NERVE LESIONS: AN EXPERIMENTAL STUDY
Western Section Meeting of the Triological Society, Seattle, WA, January 8-10, 1993.
4. CHOICE OF DONOR SITE FOR FREE FLAP ORAL CAVITY RECONSTRUCTION
1st International Congress on Maxillofacial Prostheses, Indian Wells, CA, April 27-30, 1994, with Robert A. Weisman, M.D.
5. INTRA-ARTERIAL CHEMOTHERAPY AND CONCURRENT RADIATION FOR ADVANCED HEAD AND NECK TUMORS
1st International Congress on Maxillofacial Prostheses, Indian Wells, CA, April 1994 with Robert A. Weisman, M.D.
6. BOTOX IN MANAGEMENT OF FACIAL WRINKLES
American Academy of Facial Plastic and Reconstructive Surgery, San Diego, CA, September 23, 1994, with Monte S. Keen, M.D.
7. SURGICAL MANAGEMENT OF THYROID CARCINOMA
International College of Surgeons, San Diego, CA, April 1, 1995.
8. LONG-TERM EFFECTIVENESS OF BOTULINUM TOXIN THERAPY FOR SPASMODIC DYSPHONIA
Pacific Coast Oto-Ophthalmological Society, Maui, Hawaii, June 26, 1995.
9. CONTROL OF N2 N3 NECK DISEASE IN SQUAMOUS CELL CARCINOMA OF THE HEAD AND NECK BY INTRA-ARTERIAL CHEMORADIATION
Triological Society, Los Angeles, CA, January 12-14, 1996 with Robert A. Weisman, M.D.
10. TRANSMURAL HEPARIN TO PREVENT MICROVASCULAR THROMBOSIS
American Academy of Otolaryngology-Head and Neck Surgery, Washington, DC, September 30, 1996.
11. LARYNGOLOGY RESEARCH FORUM MODERATOR

- American Academy of Otolaryngology-Head and Neck Surgery, Washington, DC, October 1, 1996.
12. AN ALTERNATIVE TREATMENT APPROACH FOR CONTACT GRANULOMA: BOTOX AND SURGERY
Pacific Voice Conference, San Francisco, CA, October 18-19, 1996.
 13. LARYNGOLOGY PANEL (with Gerald Berke, M.D., Roger Crumley, M.D., Gayle Woodson, M.D.)
66th Midwinter Clinical Conference of the Research Study Club of Los Angeles, Los Angeles, CA.,
February 1, 1997.
 14. MEET THE PROFESSOR: COMMON ENT PROBLEMS SEEN IN THE GENERAL AND INTERNAL MEDICINE
PRACTICE.
Twentysecond Annual Postgraduate Course: Topics and Advances in Internal Medicine, San Diego, CA.,
February 18, 1997.
 15. SPASMODIC DYSPHONIA: ECONOMIC AND FUNCTIONAL OUTCOMES.
National Spasmodic Dysphonia Association Meeting. San Diego, CA. May 31, 1997.
 16. UPDATE ON SURGICAL ALTERATION OF VOCAL PITCH
Pacific Coast Oto-Ophthalmological Society Meeting, Coronado, CA, June 22, 1997.
 17. CONTEMPORARY ISSUES IN LARYNGEAL CARCINOMA PANEL.
Pacific Coast Oto-Ophthalmology Annual Meeting, Coronado, CA, June 23, 1997.
 18. MUTATIONAL DYSPHONIA TREATMENT BY VOICE THERAPY, MEDICATIONS AND SURGERY
Pacific Voice Conference, San Francisco, CA, September 5, 1997.
 19. THYROPLASTY AND CARTILAGE REDUCTION FOR PITCH MODIFICATION IN TRANSEXUALS
Pacific Voice Conference, San Francisco, CA, September 5, 1997.
 20. BOTOX TREATMENT OF VOCAL SYMPTOMS IN TOURETTE'S SYNDROME
Pacific Voice Conference, San Francisco, CA, September 6, 1997.
 21. TRANSLARYNGEAL AIRFLOW RATES IN ADDUCTOR SPASMODIC DYSPHONIA PATIENTS FOLLOWING
BOTOX THERAPY.
Western Student Medical Research Forum, Carmel, CA, February 5, 1998.
 22. TWENTY YEARS' EXPERIENCE WITH SURGICAL TREATMENT OF BUDD-CHIARI SYNDROME: EXPERIMENTAL
AND CLINICAL RESULTS.
Proceedings of the Third International Congress on the Budd-Chiari Syndrome, Chennai, India, February
8-11, 1998.
 23. PREDISPOSING CONDITIONS ASSOCIATED WITH BUDD-CHIARI SYNDROME IN NORTH AMERICA AND THE
WEST.
Proceedings of the Third International Congress on the Budd-Chiari Syndrome, Chennai, India, February 8-
11, 1998.
 24. LIVER TRANSPLANTATION IN BUDD-CHIARI SYNDROME. Proceedings of the Third International Congress
on the Budd-Chiari Syndrome, Chennai, India, February 8-11, 1998.
 25. QUALITY OF LIFE AFTER PORTAL-SYSTEMIC SHUNT IN BUDD-CHIARI SYNDROME (BCS). Proceedings of
the Third International Congress on the Budd-Chiari Syndrome, Chennai, India, February 8-11, 1998.
 26. BILATERAL VOCAL CORD PARALYSIS (ARYTENOIDECTOMY, CORDOTOMY, WOODMAN PROCEDURE,
LARYNGOFISSURE, PACING, TRACHEOTOMY)
Pacific Voice Conference, San Francisco, CA, November 7, 1998.

27. DOSING OF BOTOX FOR VOCAL TREMOR
Pacific Voice Conference, San Francisco, CA, November 7, 1998.
28. BOTOX AND SURGERY IN THE TREATMENT OF CONTACT ULCER GRANULOMA
Pacific Voice Conference, San Francisco, CA, November 7, 1998.
29. MEET THE PROFESSOR: ENT FOR THE INTERNIST
24th Annual Postgraduate Course: Topics in Internal Medicine, February 22, 1999, San Diego, CA.
30. SPASMODIC DYSPHONIA PANELS
International Dystonia Symposium, May 29, 1999, Victoria, B.C.
31. WHY RESEARCH IS IMPORTANT
International Dystonia Symposium, May 30, 1999, Victoria, B.C.
32. NEW CONCEPTS IN THYROID AND PARATHYROID DISEASES: A CASE-BASED APPROACH.
American Academy of Otolaryngology-Head and Neck Surgery: Endocrine Surgery Subcommittee (presenter), September 26, 1999, New Orleans, LA.
33. LASER ASSISTED VOICE ADJUSTMENT (LAVA) IN TRANSSEXUAL PATIENTS.
American Academy of Otolaryngology-Head & Neck Surgery Foundation meeting, September 29, 1999, New Orleans, LA.
34. PLATE AND SCREW FIXATION IN MANDIBULAR TUMOR SURGERY
AO-ASIF Maxillofacial Trauma Course, January 15, 2000, Redondo Beach, CA.
35. MAXILLOFACIAL PLATING LABORATORIES
AO-ASIF Maxillofacial Trauma course, January 15-16, 2000, Redondo Beach, CA.
36. CLINICAL USEFULNESS OF BOTULINUM TOXIN AND TREATMENT OF DYSTONIA SKILLS WORKSHOP.
Annual Meeting of the American Academy of Neurology, May 5, 2000, San Diego, CA.
37. IMPROVED SURGICAL ACCESS USING THE HUNSAKER JET VENTILATION (TUBE) IN ENDOLARYNGEAL PROCEDURES.
XIII Annual Pacific Voice Conference, November 10, 2000 San Francisco CA.
38. ECONOMIC IMPACT OF SPASMODIC DYSPHONIA.
XIII Annual Pacific Voice Conference November 10, 2000 San Francisco CA.
39. METHYLENE BLUE AND SESTAMIBI: COMPLEMENTARY TOOLS FOR LOCALIZING PARATHYROIDS.
Western Section of the Triological Society Meeting, January 7, 2001, Carlsbad CA.
40. BASIC THYROID AND PARATHYROID SURGERY WORKSHOP FOR PRACTITIONERS AND RESIDENTS.
American Academy of Otolaryngology-Head and Neck Surgery: Endocrine Surgery Subcommittee. Panelist & presenter, THYROID SURGICAL ANATOMY, September 10, 2001, Denver, CO.
41. SOUTHERN CALIFORNIA AREA RESIDENT RESEARCH SYMPOSIUM.
April 19, 2002, San Diego, CA (panelist).
42.
.....

RESEARCH GRANT FUNDING AND GIFTS:

1. "A Randomized Controlled Clinical Trial Comparing Cefazolin Plus Metronidazole to Ampicillin/Sulbactam in Major Head and Neck Surgery, Project 92-224", Co-Investigator, a multi-institutional study, Pfizer Pharmaceutical, 9/1/92-8/30/93,
2. "Multicenter Open-label Maintenance Study for the Relief of Xerostomia Associated with Radiation induced Salivary Gland Hypofunction", Principal Investigator, MGI Pharma, 9/1/94-8/30/95,
3. "Chemoprevention Trial to Prevent Second Primary Tumors with Low-dose 13-Cis Retinoic Acid in Head and Neck Cancer, RTOG 91-15", Principal Investigator, RTOG, 4/1/95-3/31/96, by contract, per patient basis.
4. "Phase I Clinical Trial of Retinoic Acid and Cisplatin", NCI (5 R03 CA68299-01), Investigator, Robert Weisman, M.D., Principal Investigator, 5/1/95-4/30/97, \$200,000
5. "Transmural Heparin to Prevent Microvascular Thrombosis", UCSD Affirmative Action Faculty Career Development Program--7/1/94-6/30/95,
6. "Characterization of a Venous Thrombosis Model and a Heparin Delivery System in the Study of Microvascular Thrombosis Prevention", UCSD Academic Senate Grant, Principal Investigator, 7/1/95-6/30/96,
7. "Transmural Heparin to Prevent Microvascular Thrombosis", American Academy of Otolaryngology-Head and Neck Surgery Foundation, Principal Investigator, 7/1/95-6/30/96,
8. "Transmural Heparin to Prevent Microvascular Thrombosis", Microsurgery Education and Research Foundation, Principal Investigator, 5/1/96-4/30/97,
9. "Transmural Heparin to Prevent Microvascular Thrombosis", Vascular Disease Foundation, Principal Investigator, 7/1/96-6/30/97,
10. Travel Grant - UCSD Academic Senate, Pacific Voice Conference, to present "An Alternative Approach for Contact Granuloma: Botox and Surgery", October 1996,
11. Gilbert J. Martin Foundation Gift, 12/96,
12. "Laryngeal Dystonia: Economic and Functional Outcomes", Dystonia Medical Research Foundation, Principal Investigator, 4/1/97-3/31/98,
13. "Transmural Heparin for Prevention of Microvascular Thrombosis in Cancer Reconstructive Surgery", Cancer Research Coordinating Committee, UCSF, Principal Investigator, 7/1/97-6/30/98,
14. "Computerized Speech Laboratory", UCSD Medical Center Auxiliary, Principal Investigator, May 1997,
15. Gilbert J. Martin Foundation Gift, 12/97,
16. "Transmural Heparin for Prevention of Microvascular Thrombosis", Transplant Organ Foundation of America, Principal Investigator, April 1998,
17. "Laryngeal Dystonia: Economic and Functional Outcomes", UCSD Academic Senate, 1998-1999,
18. "Laryngeal Dystonia: Economic and Functional Outcomes", Dystonia Medical Research Foundation, Principal Investigator, 4/1/98-3/31/99,
19. Transmural Heparin for Prevention of Microvascular Thrombosis, Surgical Education and Research Foundation, Principal Investigator, August 1998,
20. Pacific Voice Conference Travel Grant, UCSD Academic Senate,

21. Gilbert J. Martin Foundation Gift, 12/98,
22. Friends of UCSD Healthcare, May 2002,
23. J. William Fulbright Foreign Scholarship, Gutenberg University, Mainz, Bermany. June 1-September 30, 2003.
24. DAAD (Deutscher Akademischer Austausch Dienst) Award: Research Visit for University Academics and Scientists, Federal Republic of Germany. 7/1/03-9/30/03. - *Award declined to due overlap with Fulbright Foreign Scholarship.*

Additional Research Involvement:

1. RADPLAT: "Pilot Phase II Study Using High Dose Intra-arterial Chemotherapy and Concurrent Radiotherapy for Resectable Stage III-IV Head and Neck Cancer" with Principal Investigators: Robert A. Weisman, M.D., and Randolph Christen, M.D.
2. RETPLAT: "Clinical Trial of Retinoic Acid and Cisplatin for Patients with Advanced Head and Neck Cancer" with Principal Investigator: Robert A. Weisman, M.D.
3. HIAPLAT: "Phase II High Dose Intra-arterial Cisplatin Therapy and Concurrent Systemic Thiosulfate Neutralization for Advanced Head and Neck Carcinoma" with Principal Investigator: Robert A. Weisman, M.D.
4. THIAPLAT: "Phase I Study of Tamoxifen Modulation of High Dose Intra-arterial Cisplatin Therapy" with Principal Investigator: Robert A. Weisman, M.D.
5. "A pilot study to investigate the relationship of upper airway muscle activity to depth of anesthesia and laryngeal diameter with the laryngeal mask airway", VA Medical Center, San Diego, Co-Investigator; Ron Dueck, M.D., Principal Investigator.
6. "Indole-3-carbinol for prevention of recurrent respiratory papillomas", University of Pittsburgh, Co-Investigator with Clark Rosen, M.D., Principal Investigator.
7. "Dietary Intervention Trial Among Early Stage Lung and Head and Neck Cancer Patients", (9-A-Day Study), with Robert A. Weisman, M.D., and John Pierce, Ph.D., Principal Investigators.
8. "Phase II Multi-Institutional Trial of Targeted Supradose Cisplatin Chemoradiation for Stage IV Squamous Cell Carcinoma of the Head and Neck", NCI, with Robert A. Weisman, M.D., Principal Investigator.
9. "San Diego Bleeding Esophageal Varices Study", with Marshall J. Orloff, M.D., Principal Investigator.
10. Multicenter Trial of TIPS versus EPCS for Portal Hypertension - Related Bleeding, with Marshall J. Orloff, M.D., Principal Investigator.
11. Microlaryngeal Surgery Using Jet Ventilation Anesthesia (IRB Project #990543x)
Lisa A. Orloff, M.D., Principal Investigator.
12. Outcome of Laser Assisted Voice Adjustment (LAVA) Surgery (IRB Project #990793X), Lisa A. Orloff, M.D., Principal Investigator.
13. Upper and Lower Esophageal Sphincter Dynamics with Ravinder K. Mittal, M.D., Principal Investigator.
14. The role of the p53 family member, p73 in head and neck cancer; Weg M. Ongkeko, M.D, PhD., Principal investigator.

15. Percutaneous Tracheotomy in the Academic Otolaryngology Community with Kris Moe, M.D., Principal Investigator.
16. Preoperative and Postoperative serum 1, 25-(OH) 2-Vitamin D Levels as Predictors for Postoperative Hypocalcemia Following Thyroidectomy and Parathyroidectomy. (Lisa A. Orloff, M.D., Principal Investigator)

INDEPENDENT STUDY PROJECTS (SURGERY 299):

1. Kelly Meek, UCSD School of Medicine, Class of 1996: Long-term Treatment of Spasmodic Dysphonia with Botulinum Toxin: An Outcomes Study. (Chairperson)
2. Paul Varosy, UCSD School of Medicine, Class of 1996: Environmental Tobacco Smoke Exposure and Head and Neck Cancer: Is There an Association? (Chairperson)
3. David Chen, UCSD School of Medicine, Class of 1997: Epitope Identification in the 68 kD Antigen in Patient Sera with Rapidly Progressive Sensorineural Hearing Loss (Committee Member).
4. Ritvik Mehta, UCSD School of Medicine, Class of 2000: Evaluation of Long-term Effectiveness of Botulinum Toxin in the Treatment of Spasmodic Dysphonia (Chairperson).
5. Ellie Chuang, UCSD School of Medicine, Class of 2000: The Association of Environmental Tobacco Smoke Exposure with Cervical Cancer and Head and Neck Cancers: A Review of the Literature (Chairperson).
6. Raha Esmaili-Tehrani, UCSD School of Medicine: Cephalometric Measures of Upper Respiratory Skeletal Anatomy in Patients with Obstructive Sleep Apnea (Committee Member).
7. Matthew Lutch, UCSD School of Medicine, Class of 2003: Percutaneous Versus Open Tracheostomy: An Evaluation of Training and Perceptions in the Academic Otolaryngology-Head and Neck Surgery Committee (Committee Member).
