

SUBJECT: Realignment - National Ocean Service

TO: National Ocean Service Assistant Administrator  
 Staff Offices  
 Administrative Delivery Points

Effective August 06, 2006, the Office of National Geodetic Survey, Geodetic Services Division and Spatial Reference System Division are realigned as follows: Geodetic Services Division 1) rename the Information Services Branch to the Communications and Outreach Branch, 2) establish the State Advisors Branch, 3) abolish the State Advisors Group; Spatial Reference System Division 4) rename the Project Development Branch to the Geodetic Standards and Applications Branch, 5) rename the Global Positioning System Branch to the Continuously Operating Reference Station Branch, and 6) abolish the Network Analysis Branch.

The organization and related code structures are revised as follows:
