

Subject: Regulation AA

RL Price
Palm Springs, CA

Dear FED: You suck. You all suck. You pander to big corps and special interests and screw me, the middle class taxpayer. I hope my fellow taxpayers feel as I do now. I am sick of you and I will not vote for any of your scum bags that now hold office.
As far as I am concerned, you are a traitor to your own Country.

Not that you care: Signed, Me.
