General Comment:Nomination of Keith Stedman as a candidate to serve on the Advisory Committee on Construction Safety and Health (ACCSH)

Dear Edwin G. Foulke, Jr., Assistant Secretary of Labor for Occupational Safety and Health:

I do hope this letter finds you well.

I would like to nominate Keith Stedman as a candidate to serve on the Advisory Committee on Construction Safety and Health (ACCSH).

Keith serves as a full time Director of Safety for one of the leading roofing construction company's in the US. #6 rated.

He was one of the founders of a company called Survival Systems who conduct training to private and government clientele world wide. He served as the VP of Operations.

He has sold and set up safety programs from Construction to, Aviation, and Marine, to Residential, Manufacturing, and Offshore to Retail Services.

He has reduced company?s incident/ accident/ injury rates by 60% by developing the right program and a team environment.

He has developed hands on training programs from classroom to on site. He has been interviewed on safety training, equipment and development programs for the media to report. Please click links.

or search- WTNH GET OUT ALIVE KEITH STEDMAN

He has the expertise, over 25 years experience and training ACCSH may be searching for.

He can build and develop new and existing safety programs and be a key team player working with staff. He can motivate and develop ACCSH staff to increase operations by developing a super team environment.

I have attached a brief resume for your review.

Regards,  
Jim Mayo
