l.k.	section				

2013	For purposes of vesting, section of the plan should be amended to exclude only service with		
 I.I.	the employer which is permitted to be excluded by IRC section 411(a)(4) and Regs. sections 1.411(a)-5(a) and (b).		
2014	Section of the plan should be amended to provide that years of service with the employer before a participant entered the plan, including years of service in noncovered employment, will be counted		
l.m.	for vesting purposes, unless one of the exceptions noted in IRC section 411(a)(4) applies. IRC section 411(a)(4), Regs. section 1.411(a)-5.		
2015	For vesting purposes, service with an employer must include service for certain related employers for the period in which the employers are related. These related employers include members of a controlled group		
l.n.	of corporations (within the meaning of section 1563(a), determined without regard to subsections (a)(4) and (e)(3 thereof) and trades or businesses (whether or not incorporated) which are under common control. Service must a be counted for organizations that are part of an affiliated service group under section 414(m). Section the plan should be amended accordingly. IRC section 414(b), (c) and (m), and Regs. section 1.411(a)- 5(b)(3)(iv)		
2016	Section of the plan should be amended to give credit for service with the predecessor employer. IRC section 414(a)(1) and Regs. section 1.411(a)-5.		
l.o.			
2017	Service of any employee who is a leased employee to any employer aggregated under section 414(b), (c), or (m) must be credited for vesting purposes whether or not such individual is eligible to participate in the		
l.p.	plan. Section of the plan should be amended accordingly. IRC section 414(m), Regs. section 1.411(a)-5(b)(3)(iv) and Rev. Rul. 81-105, 1981-2 C.B. 256.		
2019	Section of the plan should be amended to provide that an employee who separates from service and is reemployed prior to incurring a break-in-service will continue to vest, starting at the point in		
II.a.	the vesting schedule where he or she left employment, in both his or her pre-separation and post-separation accruals. Regs. section 1.411(a)-6.		
2022	Section of the plan should be amended to provide that if a participant separates from service with a nonforfeitable interest, upon re-employment, the pre-break service will be considered for purposes of		
III.a.	determining vested interest in benefit accruals resulting from employer contributions after a year of service is completed. IRC sections 411(a)(6)(B) and (C) and Regs. section 1.411(a)-6(c)(1).		
2023	Section of the plan should be amended to provide that if an employee who has no vested interest separates from service and is reemployed before the number of consecutive one-year breaks in		
III.b.	service equals or is more than the greater of 5 or the number of years of service, whether or not consecutive ("Rule of Parity") upon reemployment the pre-break service will be considered for purposes of determining the vested interest in benefit accruals that resulted from employer contributions after a year of service is completed. IRC section 411(a)(6)(D) and Regs. sections 1.411(a)-6(c)(1)(iii) and 1.410(a)-7(d)(7).		
2027	Section of the plan should be amended to preclude forfeitures on account of withdrawal of employee contributions when the employee is 50% or more vested in the accrued benefits that resulted		
IV.a.	from employer contributions. IRC section 401(a)(19) and Regs. section 1.401(a)-19.		
2028	Section of the plan should be amended to provide for the restoration of amounts forfeited on account of withdrawal of mandatory employee contributions if the participant is less than 50 percent vested		
IV.b.	in accrued benefits that resulted from employer contributions, and he or she repays the mandatory employee contributions withdrawn. IRC section 411(a)(4)(B) and Regs. section 1.411(a)-7(d)(2).		
2033	An involuntary cash-out may not be an amount less than the present value of an employee's entire nonforfeitable benefit that resulted from employer contributions, at the time of the distribution. Section		
V.b.	of the plan should be amended accordingly. IRC section 411(a)(7)(B)(i) and Regs. section 1.411(a)-7(d)(4)(i).		

2034	All cash-outs (voluntary or involuntary) must be made due to an employee's termination of participation in the plan Section of the plan should be amended accordingly. IRC sections 411(a)(7)(B) and 417(e)		
V.c.	and Regs. sections 1.411(a)-7(d)(4)(i) and (ii).		
2035	A plan that provides for voluntary or involuntary cash-outs must contain a repayment provision if the employee may receive a distribution that is less than the present value of the employee's accrued be		
V.d.	and the employee resumes employment. When the employee repays the full amount of the distribution as provided regulations, the value of the employee's accrued benefit should be restored. Section of the plan should be amended accordingly. IRC section 411(a)(7)(C) and Regs. section 1.411(a)-7(d)(4)(iv).		
2036	Years of service may be disregarded only for purposes of benefit accruals, and only to the extent a participant has received a distribution of his or her entire nonforfeitable interest in the plan. Section of the		
V.e.	plan should be amended accordingly. IRC section 411(a)(7)(B) and Regs. section 1.411(a)-7(d)(4)(iii).		
2037, 2038	The plan must specify the interest rate which will be used for purposes of determining the present value of accrued benefits and the amount of any optional form of distribution, including single sum distributions		
V.f., g.	which cash-out the participant's benefit. The plan must limit the rate to (i) the "applicable interest rate" if the vested accrued benefit (using such rate) is no greater than \$25,000, and (ii) 120% of the "applicable interest rate", if the vested accrued benefit is above \$25,000. The "applicable interest rate" is the rate (or rates) which would be used by the PBGC for determining the present value of a lump sum distribution upon a distress termination of a trusteed single employer plan. Section of the plan should be amended accordingly. IRC sections 411(a)(11) ar 417(e); Regs. section 1.417(e)-1, and Notice 87-20, 1987-1 C.B. 456.		
2039	Section of the plan should be amended to indicate the date on which the interest rate limitations under sections 411(a)(11) and 417(e) will be determined. This date may be the annuity starting		
V.h.	date, the first day of the plan year which contains that date, or a time determined in a consistent manner and uniformly applied that is not more than 120 days before the annuity starting date. Regs. section 1.417(e)-1(d).		
2040	Section of the plan should be amended to provide that where the plan uses an interest rate or rates in addition to the section 417 interest rate for valuing benefits and determining amounts of		
V.i.	distributions, it will use the rate which produces the greater benefit, subject to the limitations of section 415 of the Code. Regs. section 1.417(e)-1 and Notice 87-20, 1987-1 C.B. 456.		
2043, 2044	The plan must specify the interest rate and mortality table to be used in determining the present value of accrued benefits and the amount of any distribution, including lump sum distributions that cash-out the		
V.j.	participant's benefit. Section 767 of the Retirement Protection Act of 1994 (RPA '94), amended section 417(e) of the Code and created the "applicable interest rate" and "applicable mortality table". The "applicable interest rate" for a month is the annual interest rate on 30-year Treasury securities. The "applicable mortality table" is set forth in Rev. Rul. 95-6, 1995-1 C.B. 80. Section of the plan should be amended accordingly. IRC sections 411(a)(11) and 417(e); Regs. section 1.417(e)-1 and Rev. Rul. 95-6, 1995-1 C.B. 80.		
2045	Section of the plan should be amended to indicate the date on which the interest rate limitations under sections 411(a)(11) and 417(e) of the Code will be determined. The plan must specify the stability period		
V.k.	and lookback month. IRC sections 411(a)(11) and 417(e); Regs. section 1.417(e)-1 and Rev. Rul. 95-6, 1995-1 C.B. 80.		
2046	Section of the plan should be amended to provide that where the plan uses an interest rate or mortality table in addition to the section 417 "applicable interest rate" and "applicable mortality table" for		
V.I.	valuing benefits and determining amounts of distributions, it will use the rate which produces the greater benefit, subject to the limitations of section 415 of the Code. Regs. section 1.417(e)-1(d)(5).		
2047	Section of the plan should be amended to preclude the immediate distribution of any benefit where the present value of the nonforfeitable accrued benefit (taking into account benefits derived from both employer		
V.m.	and employee contributions) is in excess of \$5,000, without the consent of the participant and, when applicable, the participant's spouse. An immediate distribution means the distribution of any part of the benefit prior to the later of age 62 or normal retirement age. IRC sections 411(a)(11) and 417(e), and Regs. sections 1.411(a)(11) and 1.417(e)-1.		

2042	The vesting schedule should be amended to satisfy the requirements, at every point in time, of a particular one of the minimum vesting schedules described by IRC sections 411(a)(2)(A) or (B) for all employees'		
VI.a., b.	years of service. Regs. section 1.411(a)-3T.		
2049	Section of the plan should be amended to provide that benefits may not be decreased due to subsequent increases in social security benefits. IRC section 401(a)(15).		
VII.b.i.			
2050	Section of the plan should be amended to specify the accrual computation period for purposes of providing an accrued benefit. DOL Regs. sections 2530.204-2(c) and (d).		
VII.b.ii.			
2051	Section of the plan should be amended so that, for purposes of benefit accrual, the plan takes into account every year required to be taken into account by the DOL regulations. DOL Regs. sections		
VII.b.iii.	2530.204-1(b), -2 and -3.		
2052	Since an employee may begin participation on a date other than the first day of an accrual computation period, section of the plan should be amended to provide for a partial year of participation as		
VII.b.iv.	required by DOL Regs. section 2530.204-2(c)(3).		
2053	Section of the plan should be amended to limit the deferral of accrual of benefits on behalf of a member to no more than two years, with retroactive accrual after the completion of two continuous years		
VII.b.v., vi.	of service. IRC section 411(b)(1)(E), Regs. section 1.411(b)-1(d)(1) and DOL Regs. section 2530.204-4.		
2057	Section of the plan should be amended to provide for a formula under which each participant' actual accrued benefit under the plan can be determined in each plan year. IRC sections 411(a)(7)(A)(i)		
VII.c.i.	and 411(b)(1).		
2058	Section of the plan should be amended to provide that the normal retirement benefit is equal to the greater of the plan's early retirement benefit or the benefit at normal retirement age. Regs. section		
VII.c.ii.	1.411(a)-7(c).		
2062	Section of the plan should be amended to satisfy one of the three accrued benefit methods fo determining each member's accrued benefit in each plan year. IRC section 411(b)(1) and Regs. sections		
VII.d.	1.411(b)-1(a) and (b).		
2078	The top-heavy rules require that the accrued benefits of a top-heavy plan may not be less at any point in time than the minimum top-heavy benefit. Section of the plan should be amended accordingly		
VII.e.	IRC section 416(c), Regs. section 1.416 M-2.		
2081	Section of the plan should be amended to provide for a separate account for the portion of each employee's accrued benefit from voluntary employee contributions permitted under the plan. IRC		
VII.f.i.	sections 411(b)(2), (c)(2) and (d)(5) and Regs. section 1.411(c)-1(a).		
2082	Section of the plan should be amended to define the accrued benefit derived from employer contributions as total accrued benefit, less the accrued benefit derived from mandatory employee		
VII.f.ii.	contributions. IRC section 411(c)(1) and Regs. sections 1.411(b)-1 and 1.411(c)-1.		
2083	Section of the plan should be amended to define the accrued benefit derived from mandatory employee contributions in accordance with IRC section 411(c)(2)(B).		
	1 · · · · ·		

2084, 2085	Section of the plan should be amended to provide that for purposes of determining an employee's accrued benefit derived from employee contributions, for plan years beginning after 1987 and			
VII.f.iv.	up to the determination date, accumulated contributions will be credited with interest compounded annually at a rate of 120% of the Federal mid-term rate as in effect under section 1274 of the Code for the first month of a p year. For the period between the determination date and the date on which the employee attains normal retirer age, the plan must credit accumulated contributions with interest compounded annually at the rate that would be used under the plan under section 417(e)(3) (as of the determination date). IRC section 411(c)(2)(C)(iii).			
2091	Section of the plan should be amended to provide, either directly or indirectly, that the nonforfeitable percentage of each member's right to his or her employer derived accrued benefit, because			
VIII.a.	of a change to the vesting schedule, is not less than the member's percentage computed under the plan with regard to such change. Regs. sections 1.411(a)-8(a) and (c).			
2092	Section of the plan should be amended to provide that each member whose nonforfeitable percentage of his or her benefits derived from employer contributions is determined under the amended			
VIII.b.	schedule, and who has completed at least 3 years of service with the employer, may elect, during the election peri to have the nonforfeitable percentage of his or her accrued benefit derived from employer contributions determined without regard to such amendment if his/her nonforfeitable percentage under the plan as amended is, at any time, less than such percentage determined without regard to such amendment. Regs. section 1.411(a)-8T(b).			
2093	Section of the plan should be amended so that it does not eliminate or reduce section 411(d)(6) protected benefits that have already accrued. IRC section 411(d)(6) and Regs. section			
VIII.c., d., e. and f.	1.411(d)-4.			
2094	Section of the plan should be amended so that it retains a preretirement age 70½ distribution option for employees who reach age 70½ in a calendar year that begins prior to 1999 (or prior to any year			
VIII.g.	after 1999 set forth in the amendment). IRC section 411(d)(6).			
2097	Section of the plan should be amended so that an employee's benefit accrual is not ceased, nor the rate of accrual decreased, because of the attainment of any age. IRC section 411(b)(1)(H) and			
IX.a.	Proposed Regs. section 1.411(b)-2(b).			
2098	Section of the plan should be amended to conform the manner of calculating the reduction provided therein to accruals otherwise required under section 411(b)(1)(H)(i) of the Code to the			
IX.b.	requirements of section 1.411(b)-2(b)(4)(ii) and/or (iii) of the proposed regulations.			
2099	A plan may not permit an employer, through the exercise of discretion, to deny a participant a section 411(d)(6) protected benefit for which the participant is otherwise eligible. Section of the plan			
IX.c.	should therefore be amended. See Q&As 8 and 9 of Regs. section 1.411(d)-4 regarding acceptable alternatives for amending the plan without violating section 411(d)(6).			
2088	Section of the plan should be amended to provide that the accrued benefit of an employee (other than a 5-percent owner) who retires in a calendar year after the calendar year in which the employee			
IX.d.	attains age 70½ is actuarially increased from April 1 after the calendar year in which the employee attains age to the date on which benefits commence after retirement in an amount sufficient to satisfy section 401(a)(9), ir to take into account the period during which the employee is not receiving benefits under the plan. IRC sectio 401(a)(9)(C)(iii) and Notice 97-75, 1997-51 I.R.B. 18, Q&A 4.			
2089	Section of the plan should be amended to provide that the actuarial increase required by section 401(a)(9)(C)(iii) of the Code applies even during the period that an employee is in suspendible			
IX.e.	section 401(a)(9)(C)(iii) of the Code applies even during the period that an employee is in suspendible service under section 203(a)(3)(B) of ERISA and section 411(a)(3)(B) of the Code. IRC section 401(a)(9)(C)(iii) an Notice 97-75, 1997-51 I.R.B. 18, Q&A 4.
