

APPENDIX C

State-listed plant species reported from the county in which the project site occurs, but from outside of a five mile review radius.

Common Name	Scientific Name	TN State Status	NC State Status	County of Occurrence		
				Anderson TN	Johnson TN	Watauga NC
American barberry	<i>Berberis canadensis</i>	SPCO			*	
American speedwell	<i>Veronica americana</i>	SPCO			*	
Appalachian fir-clubmoss	<i>Huperzia appalachiana</i>	THR	CAND			*
Appalachian woodsia	<i>Woodsia appalachiana</i>	SPCO			*	
Aster*	<i>Aster praealtus</i>	END			*	
Bent avens	<i>Geum geniculatum</i>	END	THR			*
Branching whitlow-wort	<i>Draba ramosissima</i>	SPCO		*		
Bugbane*	<i>Cimicifuga rubifolia</i>	THR		*		
Bush honeysuckle*	<i>Diervilla lonicera</i>	THR		*	*	
Butternut	<i>Juglans cinerea</i>	THR		*	*	
Canada burnet	<i>Sanguisorba canadensis</i>	END			*	
Carolina hemlock	<i>Tsuga caroliniana</i>	THR			*	
Chokecherry	<i>Prunus virginiana</i>	SPCO			*	
Climbing fumatory	<i>Adlumia fungosa</i>	THR			*	
Clinton lily	<i>Clintonia borealis</i>	SPCO			*	
Creekgrass	<i>Potamogeton epihydrus</i>	SPCO			*	
Crested woodfern	<i>Dryopteris cristata</i>	THR			*	
Fraser fir	<i>Abies fraseri</i>	THR	CAND		*	
Fraser sedge	<i>Cymophyllus fraserianus</i>	SPCO			*	
Fringed black bindweed	<i>Polygonum cilinode</i>	THR			*	
Gentian*	<i>Gentiana austromontana</i>	SPCO			*	
Godfrey sandwort	<i>Arenaria godfreyi</i>	END			*	
Grays lily	<i>Lilium grayi</i>	END	T-SC			*
Hawkweed*	<i>Hieracium scabrum</i>	THR			*	
Kidney-leaf twayblade	<i>Listera smallii</i>	SPCO			*	
Lambkill	<i>Kalmia angustifolia</i> var <i>carolina</i>	E-P			*	
Large purple fringed orchid	<i>Platanthera grandiflora</i>	END			*	
Large roundleaf orchid	<i>Platanthera orbiculata</i>	THR			*	
Largeleaf grass-of-parnassus	<i>Parnassia grandifolia</i>	SPCO		*		
Little prickly sedge	<i>Carex echinata</i> ssp <i>echinata</i>	SPCO			*	
Marsh-marigold	<i>Caltha palustris</i>	END			*	
Marsh bellflower	<i>Campanula aparinoides</i>	THR			*	
Marsh speedwell*	<i>Veronica scutellata</i>	END			*	
Matricary grapefern	<i>Botrychium</i> <i>matricariifolium</i>	SPCO			*	
Meadowsweet	<i>Spiraea alba</i>	END			*	
Minnie-bush	<i>Menziesia pilosa</i>	SPCO			*	
Mitchell st. John-wort	<i>Hypericum mitchellianum</i>	THR			*	
Mountain bitter-cress	<i>Cardamine clematitidis</i>	THR			*	
Mountain st. John-wort	<i>Hypericum graveolens</i>	END			*	
Naked-fruit rush	<i>Juncus gymnocarpus</i>	SPCO			*	

Northern beech-fern	<i>Thelypteris phegopteris</i>	SPCO		*
Pale green orchis	<i>Platanthera flava var herbiola</i>	THR	*	
Rattlesnake-root*	<i>Prenanthes roanensis</i>	THR		*
Rattlesnake manna-grass	<i>Glyceria laxa</i>	SPCO		*
Red iris	<i>Iris fulva</i>	THR	*	
Rock skullcap	<i>Scutellaria saxatilis</i>	THR		*
Rose pogonia	<i>Pogonia ophioglossoides</i>	END		*
Rosy twisted-stalk	<i>Streptopus roseus</i>	SPCO		*
Rough bedstraw	<i>Galium asprellum</i>	SPCO		*
Roundleaf bitter-cress	<i>Cardamine rotundifolia</i>	SPCO		*
Running strawberry bush	<i>Euonymus obovatus</i>	SPCO	*	
Saxifrage*	<i>Saxifraga caroliniana</i>	END	CAND	* *
Sedge*	<i>Carex rostrata</i>	THR		*
Sharp's homaliadelphus	<i>Homaliadelphus sharpii</i>	END	*	
Shining ladies-tresses	<i>Spiranthes lucida</i>	THR		*
Shinleaf*	<i>Pyrola americana</i>	END		*
Showy lady-slipper	<i>Cypripedium reginae</i>	END		*
Silverling	<i>Paronychia argyrocoma</i>	THR		*
Skunk cabbage	<i>Symplocarpus foetidus</i>	END		*
Small purple fringed orchid	<i>Platanthera psycodes</i>	THR		*
Smoothleaf honeysuckle	<i>Lonicera dioica</i>	SPCO		*
Spinulose woodfern	<i>Dryopteris carthusiana</i>	THR		*
Steele's joe-pye weed	<i>Eupatorium steelei</i>	SPCO		*
Swamp saxifrage	<i>Saxifraga pensylvanica</i>	END		*
Tall larkspur	<i>Delphinium exaltatum</i>	END	*	
Tawny cotton-grass	<i>Eriophorum virginicum</i>	THR		*
Three-tooth cinquefoil	<i>Potentilla tridentata</i>	SPCO		*
Tufted clubrush	<i>Scirpus cespitosus</i>	END	CAND	*
Virginia heartleaf	<i>Hexastylis virginica</i>	SPCO		*
Virginia waterleaf	<i>Hydrophyllum virginianum</i>	THR		*
Waterweed*	<i>Elodea nuttallii</i>	SPCO	*	
White camas	<i>Zigadenus elegans ssp. glaucus</i>	END		*
Willow-herb*	<i>Epilobium ciliatum</i>	SPCO	*	*

* This species does not have a unique common name; the common name listed is routinely applied to more than one member of this genus.

State status codes:

END = endangered; E-CE = endangered, commercially exploited; THR = threatened; SPCO = special concern; S-CE = special concern, commercially exploited; CAND = candidate for listing; T-SC = threatened, propagated material can be traded or sold under specific regulations.
