Dear U.S. Senator Cantwell,

Thank you for having the courage and the good sense to stand up for the Washingtonians who don't want a media conglomerate simply because these Americans are tired of good employees being fired and replaced by these 'mind game' idiots indoctrinated into 'terrorist acts' to preferably mistreat and demoralize Americans, only to have these self-serving consolidating assholes get away with their own rules: "You don't lick our ass you don't get hired. You blow the whistle you get fired"! This has got to stop now! -Al Koppel.
