Re: In the Matter of Administrative Order;
Docket No. CWA-08-2001-54

Dear Mr. Smith:

On September 27, 2001, the U.S. Environmental Protection Agency (EPA) issued an Administrative Order (Docket Number CWA-08-2001-54) to K-Rooter, doing business as Roto-Rooter, (hereinafter, "K-Rooter"). This Order required K-Rooter to comply with all provisions of 40 CFR part 503, the standards for use or disposal of sewage sludge.

K-Rooter has complied with all provisions of the Order. Therefore, for administrative purposes, the file on the Order (Docket Number CWA-08-2001-54) is considered closed as of the date of this letter.

Please note that K-Rooter is still required to comply with all requirements of 40 CFR part 503. EPA Region 8 no longer needs to receive copies of K-Rooter's quarterly compliance reports.

If you have any questions, the most knowledgeable person on my staff regarding this letter is Patricia Ochoa, Environmental Engineer, who can be reached at (303) 312-6198.

Sincerely,

SIGNED

Carol Rushin
Assistant Regional Administrator
Office of Enforcement, Compliance
and Environmental Justice
