

Fire Regime Condition Class Registration Codes – Use these codes for field 1 on all FRCC forms.

- **First, look for the Region or State or Division of the land you are assessing.**
- **Once you have located the Region or State or Division, look for the land management area that best fits where the assessment is taking place.**
- **If you can't find a good fit for the area, contact the helpdesk for a registration code (helpdesk@frcc.gov).**
