Washington, DC 20554

Dear FCC:

I am in favor of the merger because even if they do merge, people can get music in other places if they dont like the new single company. radio is not a necessity, if I don't like what sat radio provides, I can go elsewhere, that is freedom of choice. They will not have a monopoly on air or food. If they overcharge for their service, people will go elsewhere.

Sincerely,

Oren Kuhn
