SUPPLEMENTARY INFORMATION:

Background

To further promote and expand the understanding and knowledge of women's health throughout the life span, and at the direction of the Secretary of the U.S. Department of Health and Human Services (DHHS), the U.S. Public Health Service's Coordinating Committee on Women's Health proposes a framework for articulating, developing, and implementing women's health research, services, and education throughout the U.S. Department of Health and Human Services. The theme of this framework is "Women Living Long, Living Well." The acronym of the theme—WLLLWsuggests a metaphor: the willow. This family of over 100 varieties of trees represents the diversity of American

The goals of the WLLLW framework derive from the objectives established in Healthy People 2000 and 2010. The Healthy People 2000 Objectives are the U.S. Public Health Service's health objectives for the nation, which are currently being refined in Healthy People 2010. The WLLLW framework seeks to support and enhance the efforts
