a. Electronic Submission of Applications.

To comply with the President’s Management Agenda, we are participating as a partner in the Governmentwide <http://www.grants.gov>. Apply site. The competition to Improve Public Knowledge of and Support for Democracy, CFDA Number 84.929C, is included in this project. We request your participation in <http://www.grants.gov>.

If you choose to submit your application electronically, you must use the Governmentwide Grants.gov Apply site at <http://www.grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

You may access the electronic grant application for this competition at <http://www.grants.gov>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number’s alpha suffix in your search (e.g., search for 84.929, not 84.929C).

Please note the following:

- Your participation in [grants.gov](http://www.grants.gov) is voluntary.
- When you enter the [grants.gov](http://www.grants.gov) Web site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by [grants.gov](http://www.grants.gov) are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the [grants.gov](http://www.grants.gov) system no

later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date and time stamped by the grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the grants.gov system. You can also find the Education Submission Procedures pertaining to grants.gov at: <http://eGrants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your application via grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). Details on these steps are outlined in the grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via grants.gov. In addition you, will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

will we penalize you if you submit your application in paper format.

- If you submit your application electronically, you must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. - If you submit your application electronically, you must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from grants.gov an automatic notification of receipt that contains a grants.gov tracking number. (This notification indicates receipt by grants.gov only, not receipt by the Department.) The Department then will retrieve your application from grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention
