Printing ISIRs

Effective 2002-2003, you were no longer required to print your Institutional Student Information Record (ISIR) output document exactly as the Department of Education's (ED) software, EDEExpress, prints it. You can choose to print additional information on the ISIR. Included in this section is the table, ISIR Fields not Printed on the ISIR. It contains all the ISIR fields that EDEExpress does not print on the ISIR. There is an example of an ISIR printed from EDEExpress for your reference.

The following information describes how EDEExpress prints values. We have provided it to assist the school or state agency in printing the data on an ISIR.

Printing Assumed Values

Assumed Values reflect suppositions the Central Processing System (CPS) has made in determining the applicant's Expected Family Contribution (EFC). CPS makes assumptions when the applicant does not report certain information that is necessary for the EFC calculation or when the applicant reports inconsistent information. (Some unreported information will result in a rejected transaction rather than assumptions.) CPS uses the assumed value when calculating the EFC.

For certain fields, the only assumption CPS ever makes is zero so these assumption fields on the ISIR will contain zeros (for example, ISIR field 158, Assumed Student's U.S. Tax Paid). On the ISIR, EDExpress will print an asterisk (*) to the left of the field title to indicate that the CPS made an assumption and the assumed value must print in place of the reported value.

If a field is both assumed and highlighted, EDExpress would print an asterisk (*) to the left of the field title. Positions 712 through 784 of the ISIR all contain CPS assumption fields.

Printing Intermediate EFC Values

An intermediate EFC is a value used during the EFC calculation process. EDExpress will print the intermediate EFC values as calculated by the formula type.

FAFSA Data Verify Flags

FAFSA Data Verify Flags are found on the ISIR (positions 1457 through 1576.) Each FAFSA Data Verify flag byte corresponds to a specific Student Aid Report (SAR) field and indicates fields corrected to the same value on the transaction being corrected. Refer to the Field Name and Position Cross References table in section 4.

If a field was verified as the same data as the transaction being corrected, the FAFSA Data Verify flag will contain a value of 1. A value of 0 signifies that this field was not corrected to the same value and a 2 means the CPS has asked that the field be verified.

EDExpress does not print these flags on the ISIR. These flags were added by request of Third-Party Servicers to assist them when doing correction edits.

Printing Correction Flags

Correction Flags on the ISIR (positions 1217 through 1336 on the ISIR layout) indicate changes to FAFSA data processed by the CPS. Refer to the Field Name and Position Cross References table in section 4.

If a field was corrected on the current transaction, the correction flag will contain a value of 1. If a field was corrected on a previous transaction, the correction flag will contain a value of 2. All other correction flag fields will have a value of 0.

EDEExpress will print a pound sign (#) on the ISIR to the right of the field variable that was corrected on the most current transaction, and print an at sign (@) to the right of the field variable that was corrected on a previous transaction.

Correction flags are cumulative (for example, the flag will be carried on all subsequent transactions).

EDEExpress does not actually print the data in this field, rather it uses this data to determine which fields will have a '#' or '@' printed to the right of the field variable to show that the field has been corrected from the original application.

Printing Highlight Flags

Highlight Flags on the ISIR (positions 1337 through 1456 on the ISIR layout) indicate data highlighted in bold face on the SAR, based on FAFSA data processed by the CPS. Refer to the Field Name and Position Cross References table in section 4. These fields are highlighted and provide a comparison reference between the SAR question number and ISIR field position.

Any field containing a highlight flag will have a value of 1. All other highlight flag fields have a value of 0.

On the ISIR, EDEExpress will print the letter 'h' to the left of the field title that was highlighted. If the field is both highlighted and assumed, an asterisk (*) will print to the left of the field title.

EDEExpress does not actually print the data in this field, rather it uses this data to determine which fields will have an 'h' printed to the left of the field title to show that the field was highlighted.

Rejected ISIRs

Applications and corrections submitted to CPS, regardless of the input type or source, can be rejected for incomplete, illogical, or inconsistent data.

An EFC will not be computed for a rejected application transaction. Transactions can be rejected for multiple reasons. Up to seven two-digit reject reason codes are carried on the ISIR.

The reject reason codes and resolution in response to each reject reason are described in the Table of Reject Codes and How to Respond to Each, in section 4, Processing Codes.

Comments

Up to 20 three-digit numbers can appear on the ISIR record, indicating which comments would appear on Part One of a SAR from any paper application processor. Some comments contain critical information regarding the student's status. The comment text that prints on the ISIRs can be found in the *2004-2005 SAR/ISIR Comment Codes and Text* document found on the U.S. Department of Education's Federal Student Aid Download (FSAdownload) Web site located at FSAdownload.ed.gov as well as on the Information for Financial Aid Professionals (IFAP), located at ifap.ed.gov.

NSLDS Page

The ISIR record contains NSLDS information. EDEexpress only stores the most recent NSLDS transaction. As a result, when the ISIR is printed from EDEexpress the transaction number for the student's NSLDS record may not match the transaction number of the ISIR being printed. You should always print the NSLDS information with the highest transaction number no matter what the transaction number of the ISIR being printed.

Field Types

Fields can contain one of three types of data: character, numeric (N), or signed numeric (S/N). All 9s in a field indicate that the reported or calculated value is greater than or equal to the value of all 9s. Blanks are allowable in some S/N and N fields.

With S/N fields, the sign is always implied in the right most character of the field. For example, if the Student's Adjusted Gross Income field contains a value of negative 3507, it would appear as 00350P. The following chart explains the conversion of the sign and the number:

Signed Numeric Fields:

Positive Values		Negative Values	
{ 0	E 5	} 0	N 5
A 1	F 6	J 1	O 6
B 2	G 7	K 2	P 7
C 3	H 8	L 3	Q 8
D 4	I 9	M 4	R 9

Note: All signed fields will have an extra byte printed.

Other Field Notes

EDEExpress does not print the results for Is Student Selected for Verification. If these fields have a value of 'Y', then an '*' is printed next to the EFC.

Additionally, EDEExpress does not print the value in the Electronic Federal School Code Indicator field. Instead, it prints the Federal School Code number associated with the value. For example, if the Electronic Federal School Code Indicator equals '3', EDEExpress will print the value for the Federal School Code #3 field.

EFC 2068 C

002

This ISIR reflects your Financial Aid Administrator's (FAA's) use of professional judgement.

003

This ISIR shows corrections to your data that was previously entered incorrectly.

028

We have forwarded your name to Selective Service for registration, as you requested. They will process your registration request 30 days prior to your 18th birthday.

120

This ISIR has been produced because we received information from the Department of Homeland Security (DHS) regarding your citizenship status. Your citizenship status has been confirmed by the DHS and you meet the citizenship requirements for federal student aid.

170

Your application has been selected for review in a process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

READ, SIGN, AND DATE

If you are the student, by signing this application you certify that you (1) will use federal and/or state student financial aid only to pay the cost of attending an institution of higher education, (2) are not in default on a federal student loan or have made satisfactory arrangements to repay it, (3) do not owe money back on a federal student grant or have made satisfactory arrangements to repay it, and (4) will notify your school if you default on a federal student loan.

If you are the parent or the student, by signing this application you agree, if asked, to provide information that will verify the accuracy of your completed form. This information may include your U.S. or state income tax forms. Also, you certify that you understand that the Secretary of Education has the authority to verify information reported on this application with the Internal Revenue Service and other Federal agencies. If you purposely give false or misleading information, you may be fined \$20,000, sent to prison, or both.

Everyone whose information is given on this form should sign below. The student (and at least one parent, if parent information is given) MUST sign below.

Student _____ Date: _____

Parent _____ Date: _____
