I. LITC PROGRAM INTRODUCTION

This publication outlines requirements for the development, expansion or continuation of a qualifying IRS Low-Income Taxpayer Clinic (LITC) Program and provides instructions on how to apply for a LITC grant award. Acceptance into the Program will be based on information included in the LITC Program Application and Guidelines. The Program Application must be completed thoroughly and accurately. Please retain this publication for future reference.

The LITC Program provides matching grants for qualifying organizations that represent low-income taxpayers in controversies with the Internal Revenue Service (IRS) and/or inform individuals for whom English is a second language of their tax rights and responsibilities. For purposes of this package, taxpayers for whom English is a second language are referred to as ESL taxpayers. ESL taxpayers are those with limited English proficiency. Low-income status is determined by reference to federal poverty guidelines updated annually by the Department of Health and Human Services (HHS). In addition, a clinic cannot charge more than a nominal fee for its services.

Section 7526 of the Internal Revenue Code authorizes the IRS to award organizations matching grants of up to \$100,000 per year. Applications will be accepted for project periods of up to three years. Funding will be provided by budget periods of one year, subject to the availability of annual appropriated funds. With respect to applications for two-year or three-year project periods, the second and third years will be funded subject to satisfactory performance, compliance with grant terms, and availability of annual appropriated funds. All grant funds awarded to a LITC must be used for the LITC Project authorized in the grant.

II. LITC PROGRAM REQUIREMENTS

A. ELIGIBILITY STANDARDS

Organizations participating in the LITC program must meet the following eligibility standards:

1. Be a clinic that represents and/or refers low-income taxpayers in controversies with the IRS and/or operates programs to inform individuals for whom English is a second language about their tax rights and responsibilities.
 - a. The term "clinic" includes:
 - A clinical program at an accredited law, business, or accounting school in which students represent low-income taxpayers in controversies with the IRS;
 - An organization described in IRC § 501(c) of the IRC and exempt from tax under IRC § 501(a) that represents low-income taxpayers in controversies with the IRS;
 - An organization described in IRC § 501(c) and exempt from tax under IRC § 501(a) that refers low-income taxpayers to qualified representatives (referral activity); and/or
 - An organization described in IRC § 501(c) and exempt from tax under IRC § 501(a) that operates programs to inform individuals for whom English is a second language about their tax rights and responsibilities.
 - b. The term controversies includes:

-
- Representing low-income taxpayers by providing assistance to a non-filer who has not yet been contacted by the IRS.
 - A collection, examination, appeals or Tax Court matter.
 - Grant funds may be expended to represent or refer a low-income taxpayer involved in a state or local tax controversy, or on programs to inform ESL taxpayers about their state or local tax rights and responsibilities, if the clinic is also representing or referring that taxpayer in a federal tax controversy or informing ESL taxpayers about their federal tax rights and responsibilities.
- c. The "referral activity" for which grant funds may be expended is the referral of low-income taxpayers to entities or organizations providing *pro-bono* legal services to low-income individuals.
- d. A "program to inform" is one in which the clinic has direct consultative contact with ESL taxpayers about their tax rights and responsibilities.

Examples of qualifying activities are:

- A program that assists targeted taxpayers in the preparation of federal tax returns or other required tax forms.
 - An educational program conducted by a clinic and attended by ESL taxpayers.
- e. A "qualified representative" is any individual, whether or not an attorney, who is authorized to practice before the IRS or applicable court.
2. Be a clinic that supports qualifying activities that it conducts within a broader spectrum of activity, i.e., the operation of a "clinic within a clinic" does not disqualify an applicant from eligibility for a LITC grant award. A clinic may provide representation in non-tax matters as well as representation in tax matters. Such clinics must reasonably allocate their expenses and matching funds for services shared with non-qualifying programs or other organizations in determining allowable expenses for LITC funding and their compliance with the statutory matching funds requirement. See OMB Circular A-21, "Cost Principles for Educational Institutions" and Circular A-122, "Cost Principles for Non-Profit Organizations".
- A tax clinic within a tax clinic is not eligible to receive grant funds.
 - A clinic may be awarded a LITC grant although it anticipates it will not begin the actual conduct of qualifying activities until after the current grant period, i.e., starting up operations qualify for grant funding. Such applicants must, however, satisfy the statutory matching funds requirement during the year covered by the grant. In addition, LITC grants to such applicants will be conditioned on the conduct of qualifying activities during the immediate succeeding grant year.
3. Not charge more than a nominal fee for clinic services (except for reimbursement of actual costs incurred). An additional fee may be charged for subsequent issues that arise after initial assistance.

B. ADDITIONAL ELIGIBILITY CRITERIA

1. If the clinic represents and/or refers low-income taxpayers in controversies with the IRS:

- At least 90 percent of taxpayers represented and/or referred must have incomes which do not exceed 250 percent of the poverty guidelines published annually by HHS ("90/250 income requirement"); and
- The amount in controversy for any taxable year generally must not exceed the amount specified in IRC § 7463, currently \$50,000.

a. Income Ceilings

Based on the 2001 poverty guidelines published on February 16, 2001, the income ceilings for low-income representation are as follows:

Size of Family Unit	Income Ceiling (250% of Poverty Guidelines)
1	\$21475
2	\$29025
3	\$36575
4	\$44125
5	\$51675

For family units with more than five members add \$7550 for each additional member. Applicants may use the 2001 income ceilings for the population served during the project period prior to the required adoption of the 2002, 2003 and 2004 ceilings, regardless of the date of client intake.

Please see HHS Guidelines at <http://aspe.hhs.gov/poverty/01poverty.htm> for Alaska and Hawaii poverty guidelines.

Applicants may use the 2002, 2003 and 2004 income ceilings as soon as the official poverty guidelines are published to determine whether a client seeking representation is a low-income client for purposes of LITC funding. Applicants must adopt the 2002, 2003 and 2004 income ceilings within 30 days from the date of publication of the HHS poverty guidelines.

b. "Income" is defined in accordance with the statistical definition used by the U.S. Bureau of the Census.

- 1) Income includes total annual cash receipts before taxes with the exceptions provided in 2) below. Income includes, e.g. salaries before deductions, net receipts from self-employment (receipts after deductions for business expenses), alimony, child support, federally funded and other public assistance, social security, private pensions, university scholarships, dividends, interest, net gambling winnings, regular insurance or annuity payments.
- 2) Income does not include capital gains, withdrawals from a bank, money received from the sale of property, a house or a car, tax refunds, gifts, loans, a lump sum inheritance, one-time insurance payments, compensation for injury or non-cash benefits (including, e.g., employer paid or union paid portion of employee fringe benefits).

c. A "family unit" is defined as an unrelated individual or a family. An unrelated individual is a person 15 years old or over who is not living with persons related by birth, marriage or adoption. A family is a group of two or more persons related by birth, marriage, or adoption who live together. However, if related individuals live together, but the person seeking assistance from the clinic is financially

independent, then that person may be treated as a family unit. If two unrelated individuals live together, they constitute two family units.

For purposes of determining the total number of taxpayers represented or referred in controversies with the IRS (both those who do and do not meet the income requirements) and the total number of ESL taxpayers assisted, a joint return counts as two taxpayers assisted. If only one spouse on a joint return is represented or referred, the represented spouse counts as one taxpayer assisted.

- d. Applications of the income ceilings.
- 1) The income ceilings should be considered at the time of the client's intake, whether the organization provides representation in tax controversies or refers eligible individuals to other organizations or panels for such representation. The taxpayer's status as a low-income taxpayer for grant program purposes will not change based on subsequent changes in the taxpayer's financial condition.
 - 2) The Internal Revenue Service will apply the 90/250 income requirement by looking to the population served during the project period specified in the program application.
 - 3) Whether the 90/250 income requirement is met is determined based on taxpayers actually represented. For this purpose, representation occurs when the arrangement is memorialized through a letter of engagement, a *pro bono* representation agreement, or a Form 2848, Power of Attorney.
 - 4) Satisfaction of the 90/250 income requirement is determined based on the means testing of family units, not on the average income of the taxpayers represented or referred. Therefore, a clinic must maintain records for the total number of taxpayers represented (or referred) in controversies with the IRS and the number of taxpayers represented (or referred) in controversies with the IRS who have incomes which do not exceed 250 percent of the poverty level and whose cases meet the amount in controversy requirement.
 - 5) A clinic must base its determination of whether a taxpayer satisfies the 90/250 income requirement on current income information provided by the taxpayer to the clinic on an intake form (or similar form) at the time the taxpayer seeks the clinic's assistance. This determination should not be made based on a taxpayer's tax return (other than the current year's return), even if accompanied by a certification that the taxpayer's circumstances have not changed since the return was filed.
 - 6) If a clinic both represents and refers taxpayers, the 90/250 income requirement is determined on the basis of aggregate representations and referrals.
2. Applicants must provide matching funds on a dollar-for-dollar basis for all LITC grant funds received.
- Cash contributions and third party in-kind, i.e., donated property or services, qualify as matching funds. The salary (including fringe benefits) paid for the individuals performing services for the clinic may count as matching funds and the cost of equipment used in the clinic may count as matching funds. The value of volunteer services furnished by professional and technical personnel, consultants and other skilled and unskilled labor may be counted as matching funds if the service is an integral and necessary part of an approved project or program. The rates for volunteer services shall be determined consistent with the principles stated in OMB Circular A-110, "Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations", Subpart C, Section .23. Services provided by students to satisfy an academic requirement, e.g., representation of taxpayers by students enrolled in a clinic sponsored by a law or business school,

do not qualify as matching funds.

- Program income, i.e., the clinic's receipts from activities that serve grant purposes, counts as matching funds. E.g., fees for legal services, registration fees for training and technical assistance programs for tax practitioners who serve the low-income community, and registration fees for informational programs for persons for whom English is a second language may count as matching funds.
- Indirect expenses, including general overhead of the institution sponsoring the clinic, shall not be counted as matching funds, except for salaries and equipment as indicated above.
- Grant awards may be made on the basis of good faith estimates of matching funds, including pledges or likely sources of funding.
- For a clinic to obtain a grant payment in advance of actual disbursement or receipt of the required non-federal match, the clinic must have firm commitments for the required matching funds. A firm commitment at a minimum consists of a binding written agreement between the grantee and the source of the matching funds that is conditioned solely upon the availability of federal assistance (and such other conditions as approved by the Service).
- Funds from other federal grants cannot be counted as matching funds unless authorized by statute.

C. ADMINISTRATIVE REQUIREMENTS AND OTHER INFORMATION

1. Grant award administrative requirements are set forth in OMB and Treasury Circulars. The basic administrative requirements applicable to individual Grant Agreements are contained in OMB Circular No. A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-profit Organizations" and OMB Circular A-133, "Audits of States, Local Governments, and Non-profit Organizations". Section VI of this publication briefly describes applicable audit requirements. All applicable provisions of these circulars as revised, and any existing and further supplements and revisions are incorporated into these program requirements and into all Grant Agreements entered into between the IRS and clinics.
2. Programs involving use of federal funds are governed by a wide variety of federal laws, federal regulations, Executive Orders of the President, circulars and directives from the Office of Management and Budget and other Federal agencies. These include:
 - Certain civil rights laws, as amended by the Civil Rights Restoration Act, Public Law 100-259, 102 Stat. 28, March 22, 1988;
 - Restrictions on political activities at 18 U.S.C. §§ 595, 598, 600-603;
 - The preservation requirements in the National Historic Preservation Act (16 U.S.C. § 470 et seq.) and the Archeological and Historic Preservation Act of 1966 (16 U.S.C. § 469a-1 et seq.);
 - Environmental requirements of the Clean Air Act (42 U.S.C. § 7401 et seq.);
 - The non-pollution requirement of the Federal Water Pollution Control Provisions (33 U.S.C. § 1251 et seq.); and,
 - Restrictions on lobbying (18 U.S.C. § 1913).

-
3. Certifications are required for LITC funding, according to the “common rule” on non-procurement, debarment and suspension adopted by Department of Treasury at 31 CFR, Part 19, Subpart F. This means you must certify that your organization and its principals are not presently debarred or suspended from covered transactions by any Federal agency. In addition, you must certify that within the three-year period before applying for a grant, your organization and its principals have not been convicted of or had a civil judgment rendered against them for fraud, theft or certain other offenses, and have not had one or more public transactions terminated for cause or default. You must also certify that your organization and its principals are not presently criminally or civilly charged with certain offenses.
 4. Additional certifications are required according to the Government-wide requirements for a drug-free workplace (Pub.L. 100-690, Title V, Subtitle D, 41 U.S.C. §§ 702-707), adopted by Department of Treasury at 31 CFR, Part 19, Subpart F.
 5. Certification forms are included in the forms section of this application package.

D. GRANT AGREEMENT

LITC organizations execute Grant Agreements with the IRS in compliance with Public Law 105-206. The IRS, subject to the availability of appropriated funds, is authorized to award grants to provide matching funds for the development, expansion, or continuation of qualified LITCs. The LITC Grant Agreement includes functions and duties to be performed by the LITC grantee, geographic area of clinic services, as specified in proposed program plan, maximum amount of grant award, type of services to be performed by clinic, grant period, additional requirements specified in the application package and other pertinent information. The LITC Grant Agreement may be awarded for up to three years periods of performance. Periods of performance may be:

- Single Year Award January 1, 2002 through December 31, 2002
- Two Year Award January 1, 2002 through December 31, 2003; or
- Three Year Award January 1, 2002 through December 31, 2004

Grant Agreements with an approved program plan of two or three years will be funded for each subsequent year subject to the availability of annual appropriated funds, satisfactory performance, and compliance with grant terms. Grant Agreements entered into prior to Congress passing an appropriations act for the fiscal year that is covered by the agreement are contingent on availability of funds. The necessity for re-negotiation, suspensions, or terminations of Grant Agreements will be determined solely by the IRS and will not be subject to appeal.

This grant agreement shall be terminated and enforced in accordance with OMB Circular A-110.

4. WITHDRAWAL

An application may be withdrawn at any time during the application process or prior to the time grant money is awarded. All withdrawals must be made in writing.

IV. SELECTION AND AWARD

Through the selection and award decision making process, the IRS will seek to implement Congress' intent to provide grants to non-profit organizations throughout the United States for low-income representation, referral and ESL tax educational services.

The IRS may award grants with one year, two year, and three year project periods to clinics evaluated under this application cycle's selection and award process. Clinics awarded a two or three year grant based on acceptance of their program plans, will be funded annually to continue project performance and will not undergo formal evaluation under the second and/or third year cycle selection and award process. However, two and three year recipients will be reviewed annually for satisfactory performance and progress in meeting goals and objectives as well as compliance with grant terms.

All applications received in response to this announcement will undergo a preliminary eligibility screening. Applications that do not meet all eligibility screening criteria will be eliminated from the award process. Applications that pass the eligibility screening will be evaluated based on their Technical Merit, Cost and Other Considerations.

A. ELIGIBILITY SCREENING - Applications will be reviewed to determine the following information:

- Length of Project Proposed (Single year, two year or three year);
- Type of Organization (Law/Business/Accounting School, 501(c) or other);
- Type of Service Proposed (Representation, Referral, ESL); and,
- Status of Organization (Previous LITC, Existing Student Tax Clinic, Start-up or other).

Applications will further be reviewed to determine if the following information or items are included in the application package.

- A Budget and Budget Narrative;
- Information regarding creation of pro-bono referral network when organization does not intend to provide representation, if applicable;
- Amount taxpayers will be charged for representation, referral or ESL assistance;
- Statement concerning 90/250 requirement, including copy of intake screening sheet organization will use to gather information;
- Statement concerning general limitation on amount in controversy (currently \$50,000);
- Description of the source of matching funds;
- Copy of most recent audited or unaudited financial statements;
- Certifications regarding non-procurement, debarment and suspension, government-wide requirements for a drug-free workplace and civil right assurance;
- Accreditation information, if academic organization; and,
- Letter granting IRS tax-exempt status for 501(c) organizations.

1. TECHNICAL EVALUATION

Applications that pass the eligibility screening process will be numerically ranked in each of the areas listed below based on the information contained in their proposed program plan. Each criterion reflects the maximum number of points that may be assigned. In assigning numerical points, the IRS will evaluate the program plan based on how it will assist in accomplishment of the LITC statute goals as stated elsewhere in the application package. Organizations can receive a maximum of 100 points. If you are applying for more than one qualifying activity (i.e. representation, referral, ESL, or combination thereof) each type of program will be evaluated separately. The ranking points will be assigned as follows:

- Quality of programs offered to assist low income taxpayers or individuals for whom English is a second language, including: (Maximum 75 points)

-
- * Qualifications of administrators and qualified representatives;
 - * The amount of time devoted to the program by clinic staff;
 - * Training clinic participants will be provided;
 - * Plans for supervising clinic participants;
 - * Procedures for ensuring the confidentiality of taxpayer information;
 - * Publicity of clinic operations; and,
 - * The dates and days and hours of clinic operation.

- Experience in sponsoring a tax clinic where individuals with tax controversies with the IRS were represented, or

Experience in sponsoring a tax clinic where individuals with tax controversies with the IRS were referred, or

Experience in providing a program to inform individuals for whom English is a second language about their rights and responsibilities. (Maximum 10 points)

- Quality of grant administration and internal accounting procedures. (Maximum 10 points)
- Number of low-income and ESL taxpayers in geographical area. (Maximum 5 points)

2. COST

- Appropriateness of funds sought for quantity and quality of services to be offered.

3. OTHER CONSIDERATIONS

To foster parity regarding clinic availability and accessibility for low-income and ESL taxpayers nationwide, the IRS will consider the geographic area of applicants as part of the decision making process.

If applications from more than one clinic sponsored by the same institution or organization are received, the IRS will consider all factors surrounding the operation of the clinics, including the geographical areas served by the clinics, in determining whether and in what amount grants will be made to one or more such clinics.

In addition, the following conditions will be reviewed:

- The number of taxpayers who will be served by the clinic, including the taxpayers in the geographical area for whom English is a second language;
- Existence of other LITCs serving the same population; and,
- Other sources of funding available to the clinic.

4. REQUEST FOR GRANT CONTINUATION

Applicants approved for two or three-year project periods must submit a letter requesting continuation in the 2003 program by July 30, 2002. A decision to approve funding for the second or third year of the project period will be based on the following:

- Grantees satisfactory performance including measurable progress in meeting program goals and objectives;

-
- Compliance with grant terms; and,
 - Availability of annual appropriate funds.

The letter requesting continuation must include an updated:

- Standard Form 424A, "Budget Information - Non Construction Programs" (Including a Budget Narrative);
- An estimate of funds that will be unexpended during the current year;
- Standard Form 424B, "Assurances - Non Construction Programs",
- Certification Regarding Debarment, Suspension, and Other Responsibility Matters Primarily Covered Transactions;
- Certification Regarding Government-Wide Requirements for Drug-Free Workplace (Grants); and,
- Statement of Assurance Concerning Civil Rights Compliance.

Grantees requesting continuation in the 2003 LITC will be notified by the LITC Office regarding approval/disapproval of their request and the amount of their grant award.

V. PROGRAM ADMINISTRATION

A. NOTIFICATION OF AWARD DECISIONS

The IRS will notify organizations of their acceptance or non-acceptance into the program. Accepted organizations will be provided the name, address and telephone number of an IRS territory office contact person after their Grant Agreement is signed. The Service may, in its discretion, conduct a site inspection visit to a prospective LITC clinic prior to awarding grant funds.

B. PAYMENTS TO LITC CLINIC GRANTEEES

Grantees must have a signed grant agreement on file with the LITC Program Manager and must provide written assurances of specific matching funds prior to the payment of any funds. If expenses are incurred prior to approval, and the grant is later denied, all costs incurred will be the responsibility of the applicant.

LITC Grant payments will be disbursed through Electronic Funds Transfer (EFT). Information regarding the EFT procedure are available on the Health and Human Services (HHS) website. The website address is www.dpm.psc.gov. Questions should be directed to Carolyn Sanders-Walsh, LITC Program Analyst, at 202-283-0769.

EFT payments shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of EFT payments shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

NOTE: The grant agreement shall be terminated and enforced in accordance with OMB Circular A-110.

C. MANAGEMENT OF FUNDS

Advances of federal grant funds must be maintained in insured accounts whenever possible. In addition, grantees shall maintain advances in interest bearing accounts, unless:

- 1) The grantee receives less than \$120,000 in federal awards per year;
- 2) The best reasonably available interest-bearing account would not be expected to earn interest in excess of \$250 per year on Federal cash balances; or,
- 3) The depository would require an average or minimum balance so high that an interest bearing account would not be feasible, given the grantee's expected federal and non-federal cash resources.

You shall promptly, but at least annually, remit to the IRS interest earned on advances of federal grant funds. However, you may keep interest earned on all advances of federal grant funds of \$250.00 or less per fiscal year.

Unexpended grant amounts and advance payments must be returned to the Internal Revenue Service.

The IRS LITC Program Manager must approve any changes to the above procedures in writing.

Consistent with the national goal of expanding the opportunities for women and minority business enterprises, recipients are encouraged to use women-owned and minority banks.

D. ALLOWABLE EXPENSES

The IRS portion of ordinary and necessary program expenditures may not exceed the total award amount stated on IRS Form 12183, "Grant Agreement." Allowable expenses, which must be in accordance with the grant award including OMB circular A-122, "Cost Principles for Non-Profit Organizations Institutions" and A-21, "Cost Principles for Educational Institutions", as applicable, include but are not limited to:

- Salaries, wages, and personnel benefits;
- Reasonable office supplies and equipment costs;
- Rent, utilities, and custodial services;
- Miscellaneous services, such as printing, postage, insurance, etc.;
- Indirect costs as determined in accordance with principles set forth in OMB Circulars A-21 and A-122;
- Audit services;
- Publicity and training costs directly and totally associated with the program;
- Installation of telephone lines necessary to provide representation to low-income taxpayers or information to taxpayers for whom English is a second language;

-
- Travel performed by program administrator, coordinator, student and other program participant to monitor clinic initiatives. Other travel in support of clinic such as meeting with IRS territory office contact person and IRS sponsored LITC meetings; and,
 - Costs incurred for interpreter services for hearing-impaired or non-English speaking taxpayers.

E. UNALLOWABLE EXPENSES

LITC grant funds may NOT be used for:

- Purchase, construction, repair, or rehabilitation of any building or any portion thereof; and,
- Costs or expenses incurred which do not support nor benefit the program, or which are unnecessary in carrying out the program; and

VI. AUDIT REQUIREMENTS

Audit requirements applicable to grantees are described in OMB Circular A-133. If you expend less than \$300,000 a year in total federal awards, no audit requirements are applicable. The IRS, however, has the right to audit expenditure of LITC funds regardless of the dollar amount of federal funding received by the grantee.

If you expend \$300,000 or more a year in Federal awards, you must provide IRS with a copy of the results of an audit performed in compliance with the Circular. You must arrange for an audit by an independent auditor in accordance with the Government Auditing Standards developed by the Comptroller General of the United States.

An audit under the Circular is organization-wide. The auditor must determine whether:

1. Your financial statements present fairly your financial position and the results of your operations in accordance with generally accepted accounting principals;
2. You have an internal control structure to provide reasonable assurance that you are managing Federal awards in compliance with applicable laws and regulations, and controls that ensure compliance with the laws and regulations that could have a material impact on the financial statements; and,
3. You have complied with laws and regulations that may have a direct and material effect on your financial statement amounts and on each major Federal program.

VII. LOBBYING ACTIVITIES

Under 31 USC § 1352 recipients of Federal grants are prohibited from using appropriated funds for lobbying the Executive or Legislative branches of the Government with respect to any federal grant. This law also requires that lobbying activities be disclosed by each organization that receives or accepts federal grants of \$100,000 or more. The reporting period for disclosure of lobbying activities, if applicable, is the same as the project period

VIII. LITC GRANTEE RESPONSIBILITIES

A. LITC PROGRAM COORDINATION

A program director should be designated to manage the LITC Program. The program director should be the primary person designated to work with the National LITC Program Office and/or territory office. The program

director may be a member of the organization's professional staff. In addition, the program director shall prepare or review the required reports and must sign them as the applicant's authorized representative.

B. MANAGEMENT OF LITC PROGRAM PARTICIPANTS

Grantees are responsible for providing administrative support for the clinic by acting as managers and/or program leaders for students and other LITC program participants.

Grantees must:

1. Clearly state the amount of time managers and/or program leaders will devote to the LITC program as well as the amount of time that will be devoted to the management of students and other LITC program participants;
2. Provide training for students and other program participants;
3. Obtain certification from the Director of Practice for students who will be representing taxpayers before the IRS. Only students who are enrolled in graduate business and accounting classes or law school programs qualify for certification. The Director of Practice certification is limited to IRS. Permission must be obtained from the courts for student representation;
4. Monitor compliance of students and other program participants with regard to program requirements and guidelines outlined in grant agreement;
5. Maintain records of reimbursed expenses and stipends, if any, for students and program participants; and,
6. Prepare and submit reports to the IRS LITC National Office as explained elsewhere in this publication.

C. CONFIDENTIALITY

Taxpayer information is confidential and should be shared on a limited basis. Grantees are responsible for ensuring that taxpayer information is not compromised. Only those who have a need to know in order to effect resolution of the controversy should be allowed access to taxpayer information.

Keep taxpayer information in a secure location. It should be locked up before leaving the clinic and sanitized before being used for teaching purposes. Sanitized means delete names, addresses, social security numbers and any other information which would identify the taxpayer.

D. SELECTION AND MANAGEMENT OF LITC LOCATION

Grantees are responsible for notifying the National LITC office and the local Stakeholder, Partnership, Education and Communication (SPEC) Representative of the location, days and hours of operation of the clinic, and the beginning and ending dates clinic services will be provided.

E. LITC PROGRAM MATERIALS

Grantees that operate programs to inform ESL individuals of their tax rights and responsibilities are responsible for creating, printing and distributing the educational program materials used in conjunction with this activity.

F. LITC PROGRAM PUBLICITY

Grantees are responsible for effectively publicizing the LITC Program to low-income taxpayers and taxpayers for whom English is a second language. Publicity plans should be completed well in advance of the period that representation and other assistance will be offered.

G. LITC QUALITY CONTROL REQUIREMENTS

Effectiveness of clinic operations will be measured by the quality of service provided to low-income taxpayers and ESL taxpayers. Given the complexity of federal tax laws, it is important to monitor the accuracy and thoroughness of representation and information provided to ESL individuals. It is also important to provide training for students and other program participants. Grantees are required to notify the IRS if problems or delays occur that would adversely affect the objective of the LITC Program. The notification should include a statement that includes action(s) taken, or contemplated, and any assistance needed to resolve the situation.

H. ETHICS

A clinic may not refer any cases in which it declines representation except to other pro-bono organizations or to state or local bar referral services. Under no circumstances should anyone associated with the clinic be allowed to provide representation in a declined case (or continue representation in an accepted case, e.g., where the client's financial circumstances improve during the course of representation) on a fee-for-service basis.

General Instructions

This form is designed so that application can be made for funds from one or more grant programs. In preparing the budget, adhere to any existing Federal grantor agency guidelines which prescribe how and whether budgeted amounts should be separately shown for different functions or activities within the program. For some programs, grantor agencies may require budgets to be separately shown by function or activity. For other programs, grantor agencies may require a breakdown by function or activity. Sections A, B, C, and D should include budget estimates for the whole project except when applying for assistance which requires Federal authorization in annual or other funding period increments. In the latter case, Sections A, B, C, and D should provide the budget for the first budget period (usually a year) and Section E should present the need for Federal assistance in the subsequent budget periods. All applications should contain a breakdown by the object class categories shown in Lines a-k of Section B.

Section A. Budget Summary Lines 1-4 Columns (a) and (b)

For applications pertaining to a *single* Federal grant program (Federal Domestic Assistance Catalog number) and *not requiring* a functional or activity breakdown, enter on Line 1 under Column (a) the Catalog program title and the Catalog number in Column (b).

For applications pertaining to a *single* program *requiring* budget amounts by multiple functions or activities, enter the name of each activity or function on each line in Column (a), and enter the Catalog number in Column (b). For applications pertaining to multiple programs where none of the programs require a breakdown by function or activity, enter the Catalog program title on each line in *Column* (a) and the respective Catalog number on each line in Column (b).

For applications pertaining to *multiple* programs where one or more programs *require* a breakdown by function or activity, prepare a separate sheet for each program requiring the breakdown. Additional sheets should be used when one form does not provide adequate space for all breakdown of data required. However, when more than one sheet is used, the first page should provide the summary totals by programs.

Lines 1-4, Columns (c) through (g)

For new applications, leave Column (c) and (d) blank. For each line entry in Columns (a) and (b), enter in Columns (e), (f), and (g) the appropriate amounts of funds needed to support the project for the first funding period (usually a year).

For continuing grant program applications, submit these forms before the end of each funding period as required by the grantor agency. Enter in Columns (c) and (d) the estimated amounts of funds which will remain unobligated at the end of the grant funding period only if the Federal grantor agency instructions provide for this. Otherwise, leave these columns blank. Enter in columns (e) and (f) the amounts of funds needed for the upcoming period. The amount(s) in Column (g) should be the sum of amounts in Columns (e) and (f).

For supplemental grants and changes to existing grants, do not use Columns (c) and (d). Enter in Column (e) the amount of the increase or decrease of Federal funds and enter in Column (f) the amount of the increase or decrease of non-Federal funds. In Column (g) enter the new total budgeted amount (Federal and non-Federal) which includes the total previous authorized budgeted amounts plus or minus, as appropriate, the amounts shown in Columns (e) and (f). The amount(s) in Column (g) should not equal the sum of amounts in Columns (e) and (f).

Line 5 - Show the totals for all columns used.

Section B Budget Categories

In the column headings (1) through (4), enter the titles of the same programs, functions, and activities shown on Lines 1-4, Column (a), Section A. When additional sheets are prepared for Section A, provide similar column headings on each sheet. For each program, function or activity, fill in the total requirements for funds (both Federal and non-Federal) by object class categories.

Line 6a-i - Show the totals of Lines 6a to 6h in each column.

Line 6j - Show the amount of indirect cost.

Line 6k - Enter the total of amounts on Lines 6i and 6j. For all applications for new grants and continuation grants the total amount in column (5), Line 6k, should be the same as the total amount shown in Section A, Column (g), Line 5. For supplemental grants and changes to grants, the total amount of the increase or decrease as shown in Columns (1)-(4), Line 6k should be the same as the sum of the amounts in Section A, Columns (e) and (f) on Line 5.

Line 7 - Enter the estimated amount of income, if any, expected to be generated from this project. Do not add or subtract this amount from the total project amount, Show under the program

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET.

Please type or print legibly. The following general instructions explain how to use the form itself. You may need additional information to complete certain items correctly, or to decide whether a specific item is applicable to this award. Usually, such information will be found in the Federal agency's grant regulations or in the terms and conditions of the award (e.g., how to calculate the Federal share, the permissible uses of program income, the value of in-kind contributions, etc.). You may also contact the Federal agency directly.

Item	Entry
1, 2 and 3. Self-explanatory.	10b. Enter any receipts related to outlays reported on the form that are being treated as a reduction of expenditure rather than income, and were not already netted out of the amount shown as outlays on line 10a.
4. Enter the Employer Identification Number (EIN) assigned by the U.S. Internal Revenue Service.	10c. Enter the amount of program income that was used in accordance with the deduction alternative.
5. Space reserved for an account number or other identifying number assigned by the recipient.	Note: Program income used in accordance with other alternatives is entered on lines q, r, and s. Recipients reporting on a cash basis should enter the amount of cash income received; on an accrual basis, enter the program income earned. Program income may or may not have been included in an application budget and/or a budget on the award document. If actual income is from a different source or is significantly different in amount, attach an explanation or use the remarks section.
6. Check <i>yes</i> only if this is the last report for the period shown in item 8.	10d. e, f, g, h, i and j. Self-explanatory.
7. Self-explanatory.	10k. Enter the total amount of unliquidated obligations, including unliquidated obligations to subgrantees and contractors.
8. Unless you have received other instructions from the awarding agency, enter the beginning and ending dates of the current funding period. If this is a multi-year program, the Federal agency might require cumulative reporting through consecutive funding periods. In that case, enter the beginning and ending dates of the grant period, and in the rest of these instructions, substitute the term "grant period" for "funding period."	Unliquidated obligations on a cash basis are obligations incurred, but not yet paid. On an accrual basis, they are obligations incurred, but for which an outlay has not yet been recorded.
9. Self-explanatory.	Do not include any amounts on line 10k that have been included on lines 10a and 10j.
10. The purpose of columns I, II, and III is to show the effect of this reporting period's transactions on cumulative financial status. The amounts entered in column I will normally be the same as those in column III of the previous report <i>in the same funding period</i> . If this is the first or only report of the funding period, leave columns I and II blank. If you need to adjust amounts entered on previous reports, footnote the column I entry on this report and attach an explanation.	On the final report, line 10k must be zero.
10a. Enter total gross program outlays. Include disbursements of cash realized as program income if that income will also be shown on lines 10c or 10g. Do not include program income that will be shown on lines 10r or 10s.	10l. Self-explanatory.
For reports prepared on a cash basis, outlays are the sum of actual cash disbursements for direct costs for goods and services, the amount of indirect expense charged, the value of in-kind contributions applied, and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of actual cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase or decrease in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subgrantees and other payees, and other amounts becoming owed under programs for which no current services or performances are required, such as annuities, insurance claims, and other benefit payments.	10m. On the final report, line 10m must also be zero.
	10n. o, p, q, r, s and t. Self-explanatory.
	11a. Self-explanatory.
	11b. Enter the indirect cost rate in effect during the reporting period.
	11c. Enter the amount of the base against which the rate was applied.
	11d. Enter the total amount of indirect costs charged during the report period.
	11e. Enter the Federal share of the amount in 11d.
	Note: If more than one rate was in effect during the period shown in item 8, attach a schedule showing the bases against which the different rates were applied, the respective rates, the calendar periods they were in effect, amounts of indirect expense charged to the project, and the Federal share of indirect expense charged to the project to date.
