Subject: Follow up for COH Agents forms submitted...

Hi Susan,

We might be in a position to start tackling some of these next week.

I noticed on several of the COH forms submitted (below are links to a couple examples) there's reference to a response code list or coding sheet...is there any chance you could provide this additional attachments or codes lists?

https://gforge.nci.nih.gov/docman/view.php/435/14311/COH2651_Inf%20Disease_Drug%20Tx.pdf

Thanks so much for providing such a rich sets of example CRFs.
