

TWELFTH CENSUS OF THE UNITED STATES,
TAKEN IN THE YEAR 1900

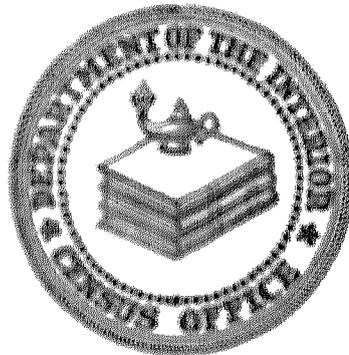

WILLIAM R. MERRIAM, DIRECTOR

STATISTICAL ATLAS

PREPARED UNDER THE SUPERVISION OF HENRY GANNETT,
GEOGRAPHER OF THE TWELFTH CENSUS

**BUREAU OF THE CENSUS
LIBRARY**

WASHINGTON

UNITED STATES CENSUS OFFICE

1902

CONTENTS.

	Page.
LETTER OF TRANSMITTAL.....	21
POPULATION.	
Age and sex.....	45
Center of population and its median point.....	37
Conjugal condition.....	51
Density of population.....	39
Distribution of population:	
1790.....	26
1800.....	27
1810.....	28
1820.....	29
1830.....	30
1840.....	31
1850.....	32
1860.....	32
1870.....	33
1880.....	34
1890.....	35
1900.....	36
Elements of population.....	41
Families.....	56
Foreign born, nativity of.....	47
Geographical divisions.....	39
Growth of population.....	26
Illiteracy.....	52
Inability to speak English.....	53
Median point, <i>see</i> Center of population and its median point.	
Migration.....	43
Negro population.....	42
Occupations.....	53
Population, by states and territories.....	39
Proprietorship of homes.....	56
Sex.....	44
Urban population.....	40

VITAL STATISTICS.

Accidents and injuries.....	66
Apoplexy and paralysis.....	65
Bones and joints, diseases of.....	66
Bronchitis.....	66
Cancer and tumor.....	63
Cerebro-spinal fever.....	64
Circulatory system, diseases of.....	65
Consumption.....	62
Croup, <i>see</i> Diphtheria and croup.	
Diabetes.....	65
Diarrheal diseases.....	65
Digestive system, diseases of.....	66
Diphtheria and croup.....	63
Dropsy, <i>see</i> Heart disease and dropsy.	
Erysipelas.....	64
Heart disease and dropsy.....	66
Influenza.....	63
Injuries, <i>see</i> Accidents and injuries.	
Joints, diseases of, <i>see</i> Bones and joints, diseases of.

Page.

Liver, diseases of 66
Malarial fever 64
Measles 64
Nervous system, diseases of 65
Old age 65
Paralysis, *see* Apoplexy and paralysis.
Pneumonia 65
Respiratory system, diseases of 66
Scarlet fever 64
Scrofula and tabes 65
Specified diseases 66
Suicide 66
Tabes, *see* Scrofula and tabes.
Tumor, *see* Cancer and tumor.
Typhoid fever 68
Whooping cough 64

AGRICULTURE.

Apples 78
Apricots 78
Area 70
Asses, *see* Horses, mules, and asses.
Barley 76
Buckwheat 76
Cattle, neat, *see* Neat cattle.
Centers of agricultural products 74
Centers of agriculture 69
Cherries 78
Colored farmers, farms of, *see* Farms of white and colored farmers.
Corn 74
Cotton 77
Farms of white and colored farmers 72
Figs 78
Forage, *see* Hay and forage.
Grapes 78
Hay and forage 76
Horses, mules, and asses 74
Irrigation 78
Live stock 73
Mules, *see* Horses, mules, and asses.
Neat cattle 73
Nectarines, *see* Peaches and nectarines.
Oats 75
Onions 77
Peaches and nectarines 78
Pears 78
Plums and prunes 78
Potatoes 76
Potatoes, sweet 77
Products 74
Prunes, *see* Plums and prunes.
Rye 76
Sheep 73
Swine 73
Tenure 72
Tobacco 77
Values 71
Wheat 75
White farmers, farms of, *see* Farms of white and colored farmers.

MANUFACTURES.

Agricultural implements 90
Boots and shoes 89
Butter, *see* Cheese, butter, and condensed milk.
Capital invested 83
Carriages and wagons 90
Cars (construction and repairs) 90

Wool hats, <i>see</i> Woolen goods, worsted goods, wool hats, and shoddy.	
Woolen goods, worsted goods, wool hats, and shoddy.....	87
Worsted goods, <i>see</i> Woolen goods, worsted goods, wool hats, and shoddy.	

LIST OF ILLUSTRATIONS.

POPULATION.

Accessions of territory from the Treaty of Peace to the Gadsden purchase.....	Map, Plate 1.
Age and sex:	
Aggregate population, by age and sex, by states and territories: 1900	Plates 33 and 34.
Conjugal condition of the population, by age and sex, in proportions of the total number of each age group:	
1900 and 1890.....	Plates 77 and 78.
Foreign white population, by age and sex, by states and territories: 1900.....	Plates 37 and 38.
Native white population, by age and sex, by states and territories: 1900.....	Plates 35 and 36.
Negro population, by age and sex, by states and territories: 1900.....	Plates 39 and 40.
Age and sex in percentages of colored population: 1900, 1890, and 1880.....	Plate 30.
Age and sex in percentages of each element of population: 1900, 1890, and 1880.....	Plates 30 and 31 and Diagram 1, Plate 32.
Age and sex in percentages of foreign white population: 1900, 1890, and 1880	Plate 31.
Age and sex in percentages of Indians: 1900	Plate 31.
Age and sex in percentages of native white of foreign parentage: 1900 and 1890	Diagram 1, Plate 32.
Age and sex in percentages of native white of native parentage: 1900 and 1890	Plate 31.
Age and sex in percentages of native white population: 1900, 1890, and 1880.....	Plate 31.
Age and sex in percentages of negro population: 1900.....	Diagram 1, Plate 32.
Age and sex in percentages of total population: 1900, 1890, and 1880.....	Plate 30.
Age and sex in percentages of white population: 1900, 1890, and 1880.....	Plate 30.
Agriculture—Proportion of persons engaged in agriculture to all wage-earners: 1900.....	Cartogram 1, Plate 91.
Aliens:	
Percentage of aliens in foreign born males 21 years of age and over, in cities having 100,000 inhabitants or more: 1900	Diagram 3, Plate 60.
Percentage of aliens in total foreign born population of each specified nativity: 1900.....	Diagram 2, Plate 60.
Proportion of aliens to foreign born males 21 years of age and over: 1900.....	Cartogram 4, Plate 76.
Proportion of aliens to total foreign born males of voting age, in each specified nativity: 1900	Diagram 2, Plate 74.
Asiatics—Geographical distribution of Asiatics, by states: 1900 and 1890.....	Diagram 4, Plate 71.
Austrian parentage—Distribution of wage-earners of Austrian parentage, by principal occupations: 1900.....	Diagram 1, Plate 96.
Bohemian parentage—Distribution of wage-earners of Bohemian parentage, by principal occupations: 1900.....	Diagram 6, Plate 96.
British—Geographical distribution of British, by states: 1900 and 1890.....	Diagram 2, Plate 71.
British Americans—Geographical distribution of British Americans, by states: 1900 and 1890.....	Diagram 3, Plate 71.
British parentage—Distribution of wage-earners of British parentage, by principal occupations: 1900.....	Diagram 6, Plate 95.
Canada:	
Density of natives of Canada: 1900.....	Map 1, Plate 68.
Proportion of natives of Canada to total population: 1900	Map 2, Plate 68.
Canada and Newfoundland—Distribution of natives of Canada and Newfoundland, by states: 1900.....	Diagram 1, Plate 73.
Canadian (English) parentage—Distribution of wage-earners of Canadian (English) parentage, by principal occupations: 1900	Diagram 2, Plate 95.
Canadian (French) parentage—Distribution of wage-earners of Canadian (French) parentage, by principal occupations: 1900	Diagram 4, Plate 95.
Center of negro population and the median point: 1900, 1890, and 1880	Map, Plate 52.
Center of population: 1900.....	Map, Plate 15.
Center of population, 1790 to 1900, and the median point, 1900, 1890, and 1880.....	Map, Plate 16.
Chinese and Japanese—Conjugal condition of the Chinese and Japanese, by age and sex, in proportions of the total number of each age group: 1900.....	Plate 78.
Cities:	
Constituents of population of cities of more than 100,000 inhabitants: 1900.....	Plate 44.
Proportion of population in cities and towns of more than 2,000 inhabitants: 1900	Map, Plate 26.
Rank of most populous cities at each census.....	Plate 22.
Total population of cities of more than 100,000 inhabitants: 1900.....	Diagram 3, Plate 24.
Total population of great cities at each census.....	Plate 23.

LIST OF ILLUSTRATIONS.

or:	
Males of voting age, by color and nativity, and by illiteracy, by states and territories: 1900	Plate 81.
Population 10 years of age and over, by color and general nativity, classified as wage-earners and nonwage-earners: 1900	Diagram 2, Plate 89.
colored population:	
Age and sex in percentages of colored population: 1900, 1890, and 1880	Plate 30.
Increase and decrease of colored population: 1890 to 1900	Cartogram 6, Plate 72.
colored population 10 years of age and over, by sex, classified as wage-earners and nonwage-earners: 1900	Diagram 3, Plate 89.
conjugal condition—Proportion of divorced to married: 1900	Cartogram 2, Plate 76.
conjugal condition of aggregate population, by age and sex, in proportions of total number of each age group: 1890	Plate 77.
conjugal condition of aggregate population, by age and sex, in proportions of total number of each age group: 1900	Plate 77.
conjugal condition of Chinese and Japanese, by age and sex, in proportions of total number of each age group: 1900	Plate 78.
conjugal condition of foreign white population: 1900	Diagram 2, Plate 82.
conjugal condition of foreign white population, by age and sex, in proportions of total number of each age group: 1900	Plate 78.
conjugal condition of Indians, by age and sex, in proportions of total number of each age group: 1900	Plate 78.
conjugal condition of native white population of foreign parentage: 1900	Diagram 2, Plate 82.
conjugal condition of native white population of foreign parentage, by age and sex, in proportions of total number of each age group: 1900	Plate 77.
conjugal condition of native white population of native parentage: 1900	Diagram 2, Plate 82.
conjugal condition of native white population of native parentage, by age and sex, in proportions of total number of each age group: 1900	Plate 77.
conjugal condition of negro population: 1900	Diagram 2, Plate 82.
conjugal condition of negro population, by age and sex, in proportions of total number of each age group: 1900	Plate 78.
conjugal condition of population, by age and sex, in proportions of total number of each age group: 1900 and 1890	Plates 77 and 78.
conjugal condition of total population: 1900	Diagram 2, Plate 82.
constituents of male population of militia age, by states and territories: 1900	Plate 45.
constituents of male population of voting age, by states and territories: 1900	Plate 46.
constituents of population of cities of more than 100,000 inhabitants: 1900	Plate 44.
constituents of population of states and territories: 1900	Plate 43.
Danish parentage—Distribution of wage-earners of Danish parentage, by principal occupations: 1900	Diagram 3, Plate 95.
Denmark, <i>see</i> Norway, Sweden, and Denmark.	
density of foreign born population: 1900	Map, Plate 61 and Cartogram 1, Plate 72.
density of increase of population: 1890 to 1900	Map, Plate 25 and Cartogram 5, Plate 27.
density of negro population: 1900	Map, Plate 55 and Cartogram 2, Plate 72.
density of population: 1900	Cartogram 1, Plate 27.
density of population at each census	Diagram 2, Plate 17.
density of population, by states and territories: 1900	Diagram 2, Plate 24. <i>Missin</i>
distribution—Geographical distribution of groups of nations, by states: 1900 and 1890	Plates 70 and 71.
distribution of natives of certain foreign countries, by states: 1900	Diagram 1, Plate 73.
distribution of persons born in each specified state and territory who are living in other states and territories: 1900	Plate 49.
distribution of population:	
1790	Map, Plate 2.
1800	Map, Plate 3.
1810	Map, Plate 4.
1820	Map, Plate 5.
1830	Map, Plate 6.
1840	Map, Plate 7.
1850	Map, Plate 8.
1860	Map, Plate 9.
1870	Map, Plate 10.
1880	Map, Plate 11.
1890	Map, Plate 12.
1900	Map, Plate 13.
distribution of wage-earners of specified parentage, by principal occupations: 1900	Plates 94, 95, and 96.
divorced—Proportion of divorced to married: 1900	Cartogram 2, Plate 76.
domestic and personal service—Proportion of persons engaged in domestic and personal service to all wage-earners: 1900	Cartogram 5, Plate 91.
elements—Total population and its elements at each census	Plate 42.
elements of population: 1900	Plate 41.

LIST OF ILLUSTRATIONS.

Elements of population—Age and sex in percentages of each element of population: 1900, 1890, and 1880.....	Plates 30 and 31 and Diagram 1, Plate 32.
Elements of population 10 years of age and over, by sex, classified as wage-earners and nonwage-earners: 1900.....	Diagram 3, Plate 89.
Emigrants, native, <i>see</i> Native emigrants.	
Family—Average number of persons to a family: 1850 to 1900.....	Diagram 1, Plate 97.
Family, private:	
Average number of persons to a private family, by states and territories: 1900.....	Diagram 2, Plate 97.
Average size of private families: 1900.....	Map, Plate 98.
Females, <i>see</i> Males and females.	
Foreign born males of voting age—Proportion of aliens to total foreign born males of voting age, in each specified nativity: 1900.....	Diagram 2, Plate 74.
Foreign born males 21 years of age and over—Percentage of aliens in the foreign born males 21 years of age and over, in cities having 100,000 inhabitants or more: 1900.....	Diagram 3, Plate 60.
Foreign born males 21 years of age and over—Proportion of aliens to foreign born males 21 years of age and over: 1900.....	Cartogram 4, Plate 76.
Foreign born population:	
Composition of the population of states and territories, including resident natives, native immigrants, and foreign born, with per cent of native emigrants, by states and territories: 1900.....	Plate 47.
Density of foreign born population: 1900.....	Map, Plate 61 and Cartogram 1, Plate 72.
Increase and decrease of foreign born population: 1890 to 1900.....	Cartogram 5, Plate 72.
Numerical gain or loss in foreign born population: 1900.....	Cartogram 6, Plate 27.
Percentage of aliens in total foreign born population of each specified nativity: 1900.....	Diagram 2, Plate 60.
Proportion of foreign born population of each leading nationality, by states and territories: 1900.....	Plate 63.
Proportion of foreign born population of each leading nationality, in cities of 100,000 and over: 1900.....	Plate 64.
Proportion of foreign born population to total population: 1900.....	Map, Plate 62 and Cartogram 3, Plate 72.
Proportion which each leading nationality bears to total foreign born population at each census: 1850 to 1900.....	Diagram 2, Plate 58.
Total foreign born population at each census with the number of each leading nationality: 1850 to 1900.....	Diagram 1, Plate 58.
Foreign born population at each census, with the proportion of each leading nationality: 1850 to 1900.....	Plate 57.
Foreign born population, by states and territories: 1900.....	Diagram 1, Plate 60.
Foreign born population of each leading nationality at each census: 1850 to 1900.....	Plate 59.
Foreign born white population—White population of foreign parentage, including foreign born white population, by states and territories: 1900.....	Diagram 1, Plate 74.
Foreign born white population 10 years of age and over—Proportion of foreign born white population 10 years of age and over, who can not speak English: 1900.....	Cartogram 6, Plate 76.
Foreign parentage:	
Distribution of wage-earners of foreign parentage, by principal occupations: 1900.....	Diagram 3, Plate 94.
Proportion of white population of foreign parentage 10 years of age and over, who can not speak English, by states and territories: 1900.....	Plate 86.
Proportion of white population of foreign parentage to total population: 1900.....	Cartogram 4, Plate 27 and Map, Plate 75.
White population of foreign parentage, including foreign born white population, by states and territories: 1900.....	Diagram 1, Plate 74.
Foreign white population:	
Age and sex in percentages of foreign white population: 1900, 1890, and 1880.....	Plate 81.
Conjugal condition of foreign white population: 1900.....	Diagram 2, Plate 32.
Conjugal condition of foreign white population, by age and sex, in proportions of the total number of each age group: 1900.....	Plate 78.
Foreign white population, by age and sex, by states and territories: 1900.....	Plates 37 and 38.
Foreign white population 10 years of age and over—Proportion of illiterates among foreign white population 10 years of age and over, by states and territories: 1900 and 1890.....	Plate 84.
Foreign white population 10 years of age and over, by sex, classified as wage-earners and nonwage-earners: 1900.....	Diagram 3, Plate 89.
French parentage—Distribution of wage-earners of French parentage, by principal occupations: 1900.....	Diagram 3, Plate 94.
German parentage—Distribution of wage-earners of German parentage, by principal occupations: 1900.....	Diagram 4, Plate 94.
Germany:	
Density of natives of Germany: 1900.....	Map 1, Plate 65.
Distribution of natives of Germany, by states: 1900.....	Diagram 1, Plate 73.
Proportion of natives of Germany to total population: 1900.....	Map 2, Plate 65.
Great Britain:	
Density of natives of Great Britain: 1900.....	Map 1, Plate 67.
Distribution of natives of Great Britain, by states: 1900.....	Diagram 1, Plate 73.
Proportion of natives of Great Britain to total population: 1900.....	Map 2, Plate 67.
Greco-Latins—Geographical distribution of Greco-Latins, by states: 1900 and 1890.....	Diagram 2, Plate 70.
Homes—Proportion of homes owned free, owned encumbered, and hired, by states and territories: 1900.....	Plate 99.
Homes, farm—Proportion of farm homes owned free, owned encumbered, and hired, by states and territories: 1900.....	Plate 100.

LIST OF ILLUSTRATIONS.

Hungarian parentage—Distribution of wage-earners of Hungarian parentage, by principal occupations: 1900...	Diagram 2, Plate 96.
Illiteracy—Males of voting age by color and nativity, and by illiteracy, by states and territories: 1900.....	Plate 81.
Illiterates:	
Proportion of illiterates among foreign white population 10 years of age and over, by states and territories: 1900 and 1890.....	Plate 84.
Proportion of illiterates among native white population 10 years of age and over, by states and territories: 1900 and 1890.....	Plate 83.
Proportion of illiterates among native white voters: 1900.....	Map, Plate 79.
Proportion of illiterates among negro population 10 years of age and over, by states and territories: 1900 and 1890.....	Plate 85.
Proportion of illiterates among negro voters: 1900.....	Map, Plate 80.
Proportion of illiterates among total population 10 years of age and over, by states and territories: 1900 and 1890.....	Plate 82.
Immigrants, native, <i>see</i> Native immigrants.	
Inability to speak English:	
Proportion of foreign born white population 10 years of age and over, who can not speak English: 1900...	Cartogram 6, Plate 76.
Proportion of white population of foreign parentage 10 years of age and over, who can not speak English, by states and territories: 1900.....	Plate 86.
Increase:	
Density of increase of population: 1890 to 1900.....	Map, Plate 25 and Cartogram 5, Plate 27.
Proportion of increase of total population: 1890 to 1900.....	Map, Plate 28 and Cartogram 3, Plate 27.
Increase and decrease of colored population: 1890 to 1900.....	Cartogram 6, Plate 72.
Increase and decrease of foreign born population: 1890 to 1900.....	Cartogram 5, Plate 72.
Increase of population in the United States and the principal countries of Europe: 1800 to 1900.....	Plate 14.
Indians:	
Age and sex in percentages of Indians: 1900.....	Plate 31.
Conjugal condition of Indians, by age and sex, in proportions of the total number of each age group: 1900.....	Plate 78.
Ireland:	
Density of natives of Ireland: 1900.....	Map 1, Plate 66.
Distribution of natives of Ireland, by states: 1900.....	Diagram 1, Plate 73.
Proportion of natives of Ireland to total population: 1900.....	Map 2, Plate 66.
Irish—Geographical distribution of Irish, by states: 1900 and 1890.....	Diagram 3, Plate 70.
Irish parentage—Distribution of wage-earners of Irish parentage, by principal occupations: 1900.....	Diagram 2, Plate 94.
Italian parentage—Distribution of wage-earners of Italian parentage, by principal occupations: 1900.....	Diagram 5, Plate 96.
Italy—Distribution of natives of Italy, by states: 1900.....	Diagram 1, Plate 73.
Japanese, <i>see</i> Chinese and Japanese.	
Males and females—Proportion of males and females in each class of occupations and in certain occupation groups: 1900.....	Plate 90.
Males of militia age—Constituents of male population of militia age, by states and territories: 1900.....	Plate 45.
Males of voting age:	
Constituents of male population of voting age, by states and territories: 1900.....	Plate 46.
Proportion of aliens to total foreign born males of voting age, in each specified nativity: 1900.....	Diagram 2, Plate 74.
Males of voting age, by color and nativity, and by illiteracy, by states and territories: 1900.....	Plate 81.
Males 21 years of age and over:	
Percentage of aliens in foreign born males 21 years of age and over, in cities having 100,000 inhabitants or more: 1900.....	Diagram 3, Plate 60.
Proportion of aliens to foreign born males 21 years of age and over: 1900.....	Cartogram 4, Plate 76.
Manufacturing and mechanical pursuits—Proportion of persons engaged in manufacturing and mechanical pursuits to all wage-earners: 1900.....	Cartogram 2, Plate 91.
Mechanical pursuits, <i>see</i> Manufacturing and mechanical pursuits.	
Median point:	
Center of negro population and the median point: 1900, 1890, and 1880.....	Map, Plate 52.
Center of population, 1790 to 1900, and the median point, 1900, 1890, and 1880.....	Map, Plate 16.
Migration:	
Gain or loss as the result of all migration: 1900.....	Cartogram 3, Plate 76.
Net results of migration, by states and territories: 1900.....	Plate 50.
Migration, interstate:	
Gain or loss as the result of interstate migration: 1900.....	Cartogram 5, Plate 76.
Interstate migration, by states and territories: 1900.....	Plates 50 and 51.
Militia age—Constituents of male population of militia age, by states and territories: 1900.....	Plate 45.
Mining and quarrying—Proportion of persons engaged in mining and quarrying to all wage-earners: 1900.....	Cartogram 3, Plate 91.
Nationality:	
Foreign born population at each census, with the proportion of each leading nationality: 1850 to 1900.....	Plate 57.
Foreign born population of each leading nationality at each census: 1850 to 1900.....	Plate 59.
Proportion of foreign born population of each leading nationality, by states and territories: 1900.....	Plate 63.
Proportion of foreign born population of each leading nationality, in cities of 100,000 and over: 1900.....	Plate 64.
Proportion which each leading nationality bears to the total foreign born at each census: 1850 to 1900.....	Diagram 2, Plate 58.
Total foreign born population at each census with the number of each leading nationality: 1850 to 1900...	Diagram 1, Plate 58.

LIST OF ILLUSTRATIONS.

Nations—Geographical distribution of groups of nations, by states: 1900 and 1890	Plates 70 and 71.
Native emigrants—Composition of the population of states and territories, including resident natives, native immigrants, and foreign born, with per cent of native emigrants, by states and territories: 1900	Plate 47.
Native immigrants—Composition of the population of states and territories, including resident natives, native immigrants, and foreign born, with per cent of native emigrants, by states and territories: 1900	Plate 47.
Native parentage—Distribution of wage-earners of native parentage, by principal occupations: 1900	Diagram 1, Plate 94.
Native population—State of birth of native population, by states and territories: 1900.....	Plate 48.
Native white of foreign parentage:	
Age and sex in percentages of native white of foreign parentage: 1900 and 1890.....	Diagram 1, Plate 32.
Conjugal condition of native white of foreign parentage: 1900.....	Diagram 2, Plate 32.
Conjugal condition of native white of foreign parentage, by age and sex, in proportions of total number of each age group: 1900	Plate 77.
Native white of foreign parentage 10 years of age and over, by sex, classified as wage-earners and nonwage-earners: 1900.....	Diagram 3, Plate 89.
Native white of native parentage:	
Age and sex in percentages of native white of native parentage: 1900 and 1890	Plate 31.
Conjugal condition of native white of native parentage: 1900.....	Diagram 2, Plate 32.
Conjugal condition of native white of native parentage, by age and sex, in proportions of total number of each age group: 1900	Plate 77.
Percentage of native white of native parentage and of negro population under 1 year of age, by states and territories: 1900.....	Diagram 2, Plate 53.
Native white of native parentage 10 years of age and over, by sex, classified as wage-earners and nonwage-earners: 1900	Diagram 3, Plate 89.
Native white population—Age and sex in percentages of native white population: 1900, 1890, and 1880.....	Plate 31.
Native white population, by age and sex, by states and territories: 1900	Plates 35 and 36.
Native white population 10 years of age and over—Proportion of illiterates among native white population 10 years of age and over, by states and territories: 1900 and 1890.....	Plate 83.
Native white voters—Proportion of illiterates among native white voters: 1900.....	Map, Plate 79.
Natives, resident—Composition of the population of states and territories, including resident natives, native immigrants, and foreign born, with per cent of native emigrants, by states and territories: 1900.....	Plate 47.
Natives of foreign countries—Distribution of natives of certain foreign countries, by states: 1900.....	Diagram 1, Plate 73.
Nativity:	
Classification of occupations, by race and nativity: 1900	Plate 87.
Males of voting age, by color and nativity, and by illiteracy, by states and territories: 1900.....	Plate 81.
Percentage of aliens in total foreign born population of each specified nativity: 1900	Diagram 2, Plate 60.
Percentage of each nativity in cities of 25,000 inhabitants or more: 1900.....	Diagram 2, Plate 73.
Population 10 years of age and over, by color and general nativity, classified as wage-earners and nonwage-earners: 1900	Diagram 2, Plate 89.
Proportion of aliens to total foreign born males of voting age, in each specified nativity: 1900	Diagram 2, Plate 74.
Proportions, by nativity and race, of persons engaged in principal occupations: 1900.....	Plate 88.
Negro parentage—Distribution of wage-earners of negro parentage, by principal occupations: 1900.....	Diagram 5, Plate 94.
Negro population:	
Age and sex in percentages of negro population: 1900	Diagram 1, Plate 32.
Center of negro population and the median point: 1900, 1890, and 1880	Map, Plate 52.
Conjugal condition of negro population: 1900	Diagram 2, Plate 32.
Conjugal condition of negro population, by age and sex, in proportions of the total number of each age group: 1900.....	Plate 78.
Density of negro population: 1900	Map, Plate 55 and Cartogram 2, Plate 72.
Percentage of native white of native parentage and of negro population under 1 year of age, by states and territories: 1900.....	Diagram 2, Plate 53.
Percentage of white and negro population in certain states at each census.....	Plate 54.
Proportion of negro population to total population: 1900.....	Map, Plate 56 and Cartogram 4, Plate 72.
Negro population, by age and sex, by states and territories: 1900	Plates 39 and 40.
Negro population, by states and territories: 1900.....	Diagram 1, Plate 53.
Negro population 10 years of age and over—Proportion of illiterates among negro population 10 years of age and over, by states and territories: 1900 and 1890.....	Plate 85.
Negro voters—Proportion of illiterates among negro voters: 1900	Map, Plate 80.
Newfoundland, <i>see</i> Canada and Newfoundland.	
Norway, Sweden, and Denmark—Distribution of natives of Norway, Sweden, and Denmark, by states: 1900 ..	Diagram 1, Plate 78.
Norwegian parentage—Distribution of wage-earners of Norwegian parentage, by principal occupations: 1900 ..	Diagram 1, Plate 95.
Occupations:	
Classification of occupations, by race and nativity: 1900.....	Plate 87.
Distribution of wage-earners of specified parentage, by principal occupations: 1900	Plates 94, 95, and 96.
Proportion of males and females in each class of occupations and in certain occupation groups: 1900	Plate 90.
Proportions, by nativity and race, of persons engaged in principal occupations: 1900.....	Plate 88.
Proportions of persons engaged in certain groups of occupations to all wage-earners: 1900	Plate 91.
Proportions of persons engaged in each class of occupations, by states and territories: 1890	Plate 93.
Proportions of persons engaged in each class of occupations, by states and territories: 1900	Plate 92.

Occupations, agriculture, <i>see</i> Agriculture.	
Occupations, domestic and personal service, <i>see</i> Domestic and personal service.	
Occupations, manufacturing and mechanical pursuits, <i>see</i> Manufacturing and mechanical pursuits.	
Occupations, mechanical pursuits, <i>see</i> Manufacturing and mechanical pursuits.	
Occupations, mining and quarrying, <i>see</i> Mining and quarrying.	
Occupations, personal service, <i>see</i> Domestic and personal service.	
Occupations, professional service, <i>see</i> Professional service.	
Occupations, quarrying, <i>see</i> Mining and quarrying.	
Occupations, trade and transportation, <i>see</i> Trade and transportation.	
Occupations, transportation, <i>see</i> Trade and transportation.	
Parentage—Distribution of wage-earners of specified parentage, by principal occupations: 1900	Plates 94, 95, and 96.
Personal service, <i>see</i> Domestic and personal service.	
Poland—Distribution of natives of Poland, by states: 1900	Diagram 1, Plate 73.
Polish parentage—Distribution of wage-earners of Polish parentage, by principal occupations: 1900	Diagram 3, Plate 96.
Population:	
Age and sex in percentages of total population: 1900, 1890, and 1880	Plate 30.
Center of population: 1900	Map, Plate 15.
Center of population, 1790 to 1900, and the median point, 1900, 1890, and 1880	Map, Plate 16.
Composition of the population of states and territories, including resident natives, native immigrants, and foreign born, with per cent of native emigrants, by states and territories: 1900	Plate 47.
Conjugal condition of total population: 1900	Diagram 2, Plate 32.
Density of increase of population: 1890 to 1900	Map, Plate 25 and Cartogram 5, Plate 27.
Density of population: 1900	Cartogram 1, Plate 27.
Density of population at each census	Diagram 2, Plate 17.
Density of population, by states and territories: 1900	Diagram 2, Plate 24.
Distribution of population—	
1790	Map, Plate 2.
1800	Map, Plate 3.
1810	Map, Plate 4.
1820	Map, Plate 5.
1830	Map, Plate 6.
1840	Map, Plate 7.
1850	Map, Plate 8.
1860	Map, Plate 9.
1870	Map, Plate 10.
1880	Map, Plate 11.
1890	Map, Plate 12.
1900	Map, Plate 13.
Elements of population: 1900	Plate 41.
Increase of population in the United States and the principal countries of Europe: 1800 to 1900	Plate 14.
Proportion of increase of total population: 1890 to 1900	Cartogram 3, Plate 27 and Map, Plate 28.
Rank of states and territories in population at each census	Plate 21.
Total and urban population at each census	Diagram 1, Plate 17.
Total and urban population, by states and territories: 1900	Diagram 1, Plate 24.
Total population and its elements at each census	Plate 42.
Total population of cities of more than 100,000 inhabitants: 1900	Diagram 3, Plate 24.
Total population of each state and territory at each census	Plates 18 and 19.
Total population of great cities at each census	Plate 23.
Population, aggregate:	
Aggregate population, by age and sex, by states and territories: 1900	Plates 53 and 54.
Conjugal condition of aggregate population, by age and sex, in proportions of the total number of each age group: 1890	Plate 77.
Conjugal condition of aggregate population, by age and sex, in proportions of the total number of each age group: 1900	Plate 77.
Population 10 years of age and over:	
Elements of the population 10 years of age and over, by sex, classified as wage-earners and nonwage-earners: 1900	Diagram 3, Plate 89.
Proportion of illiterates among the total population 10 years of age and over, by states and territories: 1900 and 1890	Plate 82.
Population 10 years of age and over, by color and general nativity, classified as wage-earners and nonwage-earners: 1900	Diagram 2, Plate 89.
Population 10 years of age and over, by sex, classified as wage-earners and nonwage-earners: 1900	Diagram 1, Plate 89.
Predominating sex: 1900	Map, Plate 29 and Cartogram 1, Plate 76.
Professional service—Proportion of persons engaged in professional service to all wage-earners: 1900	Cartogram 6, Plate 91.
Quarrying, <i>see</i> Mining and quarrying.	

Race:	
Classification of occupations, by race and nativity: 1900.....	Plate 87.
Proportions, by nativity and race, of persons engaged in principal occupations: 1900.....	Plate 88.
Russia—Distribution of natives of Russia, by states: 1900.....	Diagram 1, Plate 73.
Russian parentage—Distribution of wage-earners of Russian parentage, by principal occupations: 1900.....	Diagram 4, Plate 96.
Scandinavians:	
Density of Scandinavians: 1900.....	Map 1, Plate 69.
Geographical distribution of Scandinavians, by states: 1900 and 1890.....	Diagram 1, Plate 71.
Proportion of Scandinavians to total population: 1900.....	Map 2, Plate 69.
Sex:	
Elements of the population 10 years of age and over, by sex, classified as wage-earners and nonwage-earners: 1900.....	Diagram 3, Plate 89.
Population 10 years of age and over, by sex, classified as wage-earners and nonwage-earners: 1900.....	Diagram 1, Plate 89.
Predominating sex: 1900.....	Map, Plate 29 and Cartogram 1, Plate 78.
Sex and age, <i>see</i> Age and sex.	
Slavs—Geographical distribution of Slavs, by states: 1900 and 1890.....	Diagram 4, Plate 70.
State of birth of native population, by states and territories: 1900.....	Plate 48.
States and territories:	
Composition of the population of states and territories, including resident natives, native immigrants, and foreign born, with per cent of native emigrants: 1900.....	Plate 47.
Constituents of population of states and territories: 1900.....	Plate 43.
Distribution of persons born in each specified state and territory who are living in other states and territories: 1900.....	Plate 49.
Rank of states and territories in population at each census.....	Plate 21.
Total population of each state and territory at each census.....	Plates 18 and 19.
Sweden, <i>see</i> Norway, Sweden, and Denmark.	
Swedish parentage—Distribution of wage-earners of Swedish parentage, by principal occupations: 1900.....	Diagram 5, Plate 95.
Teutons—Geographical distribution of Teutons, by states: 1900 and 1890.....	Diagram 1, Plate 70.
Trade and transportation—Proportion of persons engaged in trade and transportation to all wage-earners: 1900.....	Cartogram 4, Plate 91.
Transportation, <i>see</i> Trade and transportation.	
Urban population:	
Proportion of urban to total population: 1900.....	Cartogram 2, Plate 27.
Proportion of urban to total population at each census.....	Diagram 3, Plate 17.
Proportion of urban to total population, by states and territories, at each census.....	Plate 20.
Total and urban population at each census.....	Diagram 1, Plate 17.
Total and urban population, by states and territories: 1900.....	Diagram 1, Plate 24.
Voters:	
Proportion of illiterates among native white voters: 1900.....	Map, Plate 79.
Proportion of illiterates among negro voters: 1900.....	Map, Plate 80.
Voting age:	
Constituents of male population of voting age, by states and territories: 1900.....	Plate 46.
Males of voting age, by color and nativity, and by illiteracy, by states and territories: 1900.....	Plate 81.
Proportion of aliens to total foreign born males of voting age, in each specified nativity: 1900.....	Diagram 2, Plate 74.
Wage-earners:	
Distribution of wage-earners of specified parentage, by principal occupations: 1900.....	Plates 94, 95, and 96.
Elements of the population 10 years of age and over, by sex, classified as wage-earners and nonwage-earners: 1900.....	Diagram 3, Plate 89.
Population 10 years of age and over, by color and general nativity, classified as wage-earners and nonwage-earners: 1900.....	Diagram 2, Plate 89.
Population 10 years of age and over, by sex, classified as wage-earners and nonwage-earners: 1900.....	Diagram 1, Plate 89.
Proportions of persons engaged in certain groups of occupations to all wage-earners: 1900.....	Plate 91.
Proportions of persons engaged in each class of occupations, by states and territories: 1890.....	Plate 93.
Proportions of persons engaged in each class of occupations, by states and territories: 1900.....	Plate 92.
White population:	
Age and sex in percentages of white population: 1900, 1890, and 1880.....	Plate 30.
Percentage of white and negro population in certain states at each census.....	Plate 54.
White population of foreign parentage—Proportion of white population of foreign parentage to total population: 1900.....	Cartogram 4, Plate 27 and Map, Plate 75.
White population of foreign parentage, including foreign born white population, by states and territories: 1900.....	Diagram 1, Plate 74.
White population of foreign parentage 10 years of age and over—Proportion of white population of foreign parentage 10 years of age and over, who can not speak English, by states and territories: 1900.....	Plate 86.

VITAL STATISTICS.

Accidents and injuries (excluding suicides)—Death rates from accidents and injuries in each month for cities and rural districts of the registration states: 1900.....	Diagram 1, Plate 125.
Apoplexy and paralysis—Comparative proportion of deaths from apoplexy and paralysis at each age in the registration area: 1900 and 1890.....	Diagram 2, Plate 122.

Birthplace of mothers:	
Comparative death rates per 1,000 of population under 15 and from 15 to 45 years of age in cities in the registration states, by birthplace of mothers: 1900	Diagram 4, Plate 111.
Comparative death rates per 1,000 of population under 15 and from 15 to 45 years of age in rural districts of the registration states, by birthplace of mothers: 1900	Diagram 2, Plate 111.
Bones and joints, diseases of—Comparative proportion of deaths from diseases of the bones and joints at each age in the registration area: 1900 and 1890	Diagram 2, Plate 124.
Bronchitis—Comparative proportion of deaths from bronchitis at each age in the registration area: 1900 and 1890	Diagram 2, Plate 123.
Cancer—Comparative proportion of deaths from cancer at each age in the registration area: 1900 and 1890	Plate 121.
Cancer and tumor—Death rates from cancer and tumor per 100,000 of population in the registration states: 1900	Maps, Plates 103 and 104.
Cerebro-spinal fever:	
Comparative proportion of deaths from cerebro-spinal fever at each age in the registration area: 1900 and 1890	Diagram 2, Plate 118.
Death rates from cerebro-spinal fever in each month for cities and rural districts of the registration states: 1900	Diagram 1, Plate 118.
Circulatory system, diseases of—Death rates from diseases of the circulatory system in each month for cities and rural districts of the registration states: 1900	Diagram 1, Plate 122.
Color—Death rates per 1,000 of population in the registration states, by sex, color, and general nativity: 1900	Diagram 3, Plate 111.
Colored population:	
Death rates of the white and the colored per 1,000 of population in certain cities: 1900	Diagram 7, Plate 111.
Proportion of deaths from certain causes per 1,000 deaths from all causes among the white and the colored in the United States: 1900	Diagram 5, Plate 111.
Consumption:	
Comparative proportion of deaths from consumption at each age in the registration area: 1900 and 1890	Diagram 2, Plate 120.
Death rates from consumption in each month for cities and rural districts of the registration states: 1900	Diagram 1, Plate 120.
Death rates from consumption per 100,000 of population in the registration states: 1900	Maps, Plates 101 and 102.
Croup, <i>see</i> Diphtheria and croup.	
Deaths per 1,000 of population in the registration states: 1900	Diagram 1, Plate 111.
Deaths:	
Percentages of deaths from certain causes in the registration area: 1900 and 1890	Diagram 2, Plate 112.
Percentages of deaths from certain causes in the United States: 1900 and 1890	Diagram 1, Plate 112.
Proportion of deaths in each month and the relative proportions at all ages and at specified age groups in the United States: 1900	Plate 113.
Diabetes—Comparative proportion of deaths from diabetes at each age in the registration area: 1900 and 1890	Plate 121.
Diarrheal diseases:	
Comparative proportion of deaths from diarrheal diseases (excluding cholera infantum) at each age in the registration area: 1900 and 1890	Diagram 2, Plate 119.
Death rates from diarrheal diseases in each month for cities and rural districts of the registration states: 1900	Diagram 1, Plate 119.
Digestive system, diseases of—Death rates from diseases of the digestive system in each month for cities and rural districts of the registration states: 1900	Diagram 1, Plate 124.
Diphtheria—Death rates from diphtheria in each month for cities and rural districts of the registration states: 1900	Diagram 1, Plate 115.
Diphtheria and croup:	
Comparative proportion of deaths from diphtheria and croup at specified ages in the registration area: 1900 and 1890	Diagram 2, Plate 115.
Death rates from diphtheria and croup per 100,000 of population in the registration states: 1900	Maps, Plates 105 and 106.
Diseases—Death rates from certain diseases per 100,000 of population in the registration states: 1900	Diagram 3, Plate 111.
Diseases, general—Death rates from general diseases in each month for cities and rural districts of the registration states: 1900	Diagram 1, Plate 114.
Dropsy, <i>see</i> Heart disease and dropsy.	
Erysipelas—Comparative proportion of deaths from erysipelas at each age in the registration area: 1900 and 1890	Diagram 2, Plate 118.
Heart disease and dropsy—Comparative proportion of deaths from heart disease and dropsy at each age in the registration area: 1900 and 1890	Diagram 2, Plate 123.
Influenza:	
Death rates from influenza in each month for cities and rural districts of the registration states: 1900	Diagram 1, Plate 117.
Death rates from influenza per 100,000 of population in the registration states: 1900	Maps, Plates 107 and 108.
Injuries, <i>see</i> Accidents and injuries.	
Joints, diseases of, <i>see</i> Bones and joints, diseases of.	
Liver, diseases of—Comparative proportion of deaths from diseases of the liver at each age in the registration area: 1900 and 1890	Diagram 2, Plate 124.
Malarial fever:	
Comparative proportion of deaths from malarial fever at each age in the registration area: 1900 and 1890	Diagram 2, Plate 116.
Death rates from malarial fever in each month for cities and rural districts of the registration states: 1900	Diagram 1, Plate 116.
Measles—Death rates from measles in each month for cities and rural districts of the registration states: 1900	Diagram 2, Plate 114.
Nativity—Death rates per 1,000 of population in the registration states, by sex, color, and general nativity: 1900	Diagram 3, Plate 111.
Nervous system, diseases of—Death rates from diseases of the nervous system in each month for cities and rural districts of the registration states: 1900	Diagram 1, Plate 122.
Old age—Death rates from old age in each month for cities and rural districts of the registration states: 1900	Diagram 1, Plate 119.
Paralysis, <i>see</i> Apoplexy and paralysis.	

LIST OF ILLUSTRATIONS.

Pneumonia—Comparative proportion of deaths from pneumonia at each age in the registration area: 1900 and 1890.....	Diagram 2, Plate 120.
Respiratory system, diseases of—Death rates from diseases of the respiratory system in each month for cities and rural districts of the registration states: 1900.....	Diagram 1, Plate 123.
Scarlet fever—Death rates from scarlet fever in each month for cities and rural districts of the registration states: 1900.....	Diagram 1, Plate 115.
Scrofula and tabes—Comparative proportion of deaths from scrofula and tabes at each age in the registration area: 1900 and 1890.....	Plate 121.
Sex—Death rates per 1,000 of population in the registration states, by sex, color, and general nativity: 1900..	Diagram 3, Plate 111.
Suicide:	
Comparative proportion of deaths from suicide at specified ages in the registration area: 1900 and 1890 ...	Diagram 2, Plate 125.
Death rates from suicide in each month for cities and rural districts of the registration states: 1900.....	Diagram 1, Plate 125.
Tabes, <i>see</i> Scrofula and tabes.	
Tumor, <i>see</i> Cancer and tumor.	
Typhoid fever:	
Comparative proportion of deaths from typhoid fever at each age in the registration area: 1900 and 1890..	Diagram 2, Plate 117.
Death rates from typhoid fever in each month for cities and rural districts of the registration states: 1900.	Diagram 1, Plate 117.
Death rates from typhoid fever per 100,000 of population in the registration states: 1900.....	Maps, Plates 109 and 110.
White population:	
Death rates of the white and the colored per 1,000 of population in certain cities: 1900.....	Diagram 7, Plate 111.
Proportion of deaths from certain causes per 1,000 deaths from all causes among the white and the colored in the United States: 1900.....	Diagram 5, Plate 111.
Whooping cough—Death rates from whooping cough in each month for cities and rural districts of the registration states: 1900.....	Diagram 1, Plate 116.

AGRICULTURE.

Acreage—Center of improved acreage: 1900.....	Map, Plate 151.
Acres in farms:	
Total number of acres in farms of white and colored farmers, by states and territories: 1900.....	Diagram 2, Plate 131.
Total number of improved and unimproved acres in farms: 1850 to 1900.....	Diagram 1, Plate 128.
Total number of improved and unimproved acres in farms, by states and territories: 1900.....	Diagram 1, Plate 131.
Apples—Principal regions of production: 1900.....	Map 1, Plate 174.
Apricots—Principal regions of production: 1900.....	Map 2, Plate 176.
Area:	
Percentages of number of farms of specified incomes, classified by area: 1900.....	Plate 145.
Percentages of number of farms of specified tenures, classified by area: 1900.....	Plate 144.
Area in farms, improved—Relative proportion of improved and unimproved area in farms to total area of the United States: 1850 to 1900.....	Plate 127.
Area in farms, unimproved—Relative proportion of improved and unimproved area in farms to total area of the United States: 1850 to 1900.....	Plate 127.
Asses, <i>see</i> Horses.	
Barley:	
Average yield of barley per acre, by states and territories: 1900.....	Diagram 1, Plate 171.
Production of barley, by states and territories: 1900.....	Diagram 3, Plate 164.
Production of barley per capita: 1900.....	Cartogram 4, Plate 172.
Production of barley per square mile: 1900.....	Map, Plate 161.
Buckwheat:	
Average yield of buckwheat per acre, by states and territories: 1900.....	Diagram 2, Plate 170.
Production of buckwheat, by states and territories: 1900.....	Diagram 4, Plate 164.
Cattle, neat:	
Number of neat cattle on farms and ranges, by states and territories: 1900.....	Diagram 2, Plate 150.
Number of neat cattle per square mile: 1900.....	Map, Plate 147.
Center of agricultural products:	
1850 to 1900.....	Map, Plate 126.
1900.....	Map, Plate 151.
Center of corn production:	
1850 to 1900.....	Map, Plate 126.
1900.....	Map, Plate 151.
Center of cotton production: 1900.....	Map, Plate 151.
Center of farm values:	
1850 to 1900.....	Map, Plate 126.
1900.....	Map, Plate 151.
Center of farms, agricultural products, population, and manufactures: 1900.....	Map, Plate 151.
Center of gross farm income: 1900.....	Map, Plate 151.
Center of improved acreage: 1900.....	Map, Plate 151.
Center of manufactures:	
1850 to 1900.....	Map, Plate 126.
1900.....	Map, Plate 151.

Center of number of farms:	
1850 to 1900	Map, Plate 126.
1900	Map, Plate 151.
Center of oats production:	
1850 to 1900	Map, Plate 126.
1900	Map, Plate 151.
Center of population:	
1790 to 1900	Map, Plate 126.
1900	Map, Plate 151.
Center of production of six cereals: 1900	Map, Plate 151.
Center of total area in farms:	
1850 to 1900	Map, Plate 126.
1900	Map, Plate 151.
Center of wheat production:	
1850 to 1900	Map, Plate 126.
1900	Map, Plate 151.
Cereals—Center of production of six cereals: 1900	Map, Plate 151.
Cherries—Principal regions of production: 1900	Map 1, Plate 175.
Colored farmers:	
Average value of farm property per acre for white and colored farmers, by states and territories: 1900	Diagram 2, Plate 139.
Average value of farm property per farm for white and colored farmers, by states and territories: 1900	Diagram 1, Plate 139.
Total number of acres in farms of white and colored farmers, by states and territories: 1900	Diagram 2, Plate 131.
Corn:	
Average yield of corn per acre, by states and territories: 1900	Diagram 1, Plate 169.
Center of corn production: 1850 to 1900	Map, Plate 126.
Center of corn production: 1900	Map, Plate 151.
Production of corn: 1850 to 1900	Diagram 1, Plate 152.
Production of corn, by states and territories: 1900	Diagram 2, Plate 163.
Production of corn per capita: 1900	Cartogram 1, Plate 172.
Production of corn per square mile: 1900	Map, Plate 154.
Yield of corn per acre: 1900	Map, Plate 155.
Cotton:	
Average yield of cotton per acre, by states and territories: 1900	Diagram 3, Plate 170.
Center of cotton production: 1900	Map, Plate 151.
Production of cotton: 1850 to 1900	Diagram 4, Plate 152.
Production of cotton, by states and territories: 1900	Diagram 1, Plate 168.
Production of cotton per capita: 1900	Cartogram 5, Plate 172.
Production of cotton per square mile: 1900	Map, Plate 165.
Yield of cotton per acre: 1900	Map, Plate 166.
Crops:	
Comparison of value of crops and cost of irrigation construction, by states and territories: 1890	Diagram 3, Plate 178.
Production of principal crops per capita: 1900	Cartograms, Plate 172.
Proportion of the number of farms of specified areas, classified by principal crops: 1900	Plate 141.
Farm area:	
Classification of farm area, by tenure, by states and territories: 1900	Plate 143.
Farmers, colored:	
Average value of farm property per acre for white and colored farmers, by states and territories: 1900	Diagram 2, Plate 139.
Average value of farm property per farm for white and colored farmers, by states and territories: 1900	Diagram 1, Plate 139.
Total number of acres in farms of white and colored farmers, by states and territories: 1900	Diagram 2, Plate 131.
Farmers, white:	
Average value of farm property per acre for white and colored farmers, by states and territories: 1900	Diagram 2, Plate 139.
Average value of farm property per farm for white and colored farmers, by states and territories: 1900	Diagram 1, Plate 139.
Total number of acres in farms of white and colored farmers, by states and territories: 1900	Diagram 2, Plate 131.
Farms:	
Average size of farms: 1850 to 1900	Diagram 2, Plate 130.
Average size of farms: 1900	Map, Plate 129 and Cartogram 4, Plate 138.
Average size of farms, by states and territories: 1900	Diagram 1, Plate 130.
Center of number of farms: 1850 to 1900	Map, Plate 126.
Center of number of farms: 1900	Map, Plate 151.
Center of total area in farms: 1850 to 1900	Map, Plate 126.
Center of total area in farms: 1900	Map, Plate 151.
Classification of number of farms, by tenure, by states and territories: 1900	Plate 142.
Number of farms: 1850 to 1900	Diagram 3, Plate 130.
Percentages of number of farms of specified incomes, classified by area: 1900	Plate 145.
Percentages of number of farms of specified incomes, classified by principal source of income: 1900	Plate 145.
Percentages of number of farms of specified incomes, classified by race of farmer: 1900	Plate 145.
Percentages of number of farms of specified incomes, classified by tenure: 1900	Plate 145.
Percentages of number of farms of specified tenures, classified by area: 1900	Plate 144.
Percentages of number of farms of specified tenures, classified by income: 1900	Plate 144.

LIST OF ILLUSTRATIONS.

Farms—Continued.

Percentages of number of farms of specified tenures, classified by race: 1900.....	Plate 144.
Percentages of number of farms of specified tenures, classified by source of income: 1900.....	Plate 144.
Proportion of the number of farms of specified areas, classified by amount of income: 1900.....	Plate 141.
Proportion of the number of farms of specified areas, classified by principal crops: 1900.....	Plate 141.
Proportion of the number of farms of specified areas, classified by race of occupants: 1900.....	Plate 141.
Proportion of the number of farms of specified areas, classified by tenure: 1900.....	Plate 141.
Relative proportion of improved and unimproved area in farms to total area of the United States: 1850 to 1900.....	Plate 127.
Total number of acres in farms of white and colored farmers, by states and territories: 1900.....	Diagram 2, Plate 131.
Total number of improved and unimproved acres in farms: 1850 to 1900.....	Diagram 1, Plate 128.
Total number of improved and unimproved acres in farms, by states and territories: 1900.....	Diagram 1, Plate 131.
Farms and improvements—Percentage of increase in value of farms and improvements: 1850 to 1900.....	Cartograms, Plate 133.
Farms owned—Proportion of farms owned to all farms: 1900 and 1890.....	Cartograms, Plate 140.
Farms rented for cash—Proportion of farms rented for cash to all farms: 1900 and 1890.....	Cartograms, Plate 140.
Farms rented on shares—Proportion of farms rented on shares to all farms: 1900 and 1890.....	Cartograms, Plate 140.
Figs—Principal regions of production: 1900.....	Map 2, Plate 177.
Forage, <i>see</i> Hay and forage.	
Gains—Gains or losses in improved land: 1890 to 1900.....	Cartogram 5, Plate 138.
Grains—Production of all grains per square mile of total area: 1900.....	Map, Plate 153.
Grapes—Principal regions of production: 1900.....	Map 2, Plate 175.
Hay and forage—Production of hay and forage per square mile: 1900.....	Map, Plate 162.
Horses:	
Number of horses, mules, and asses per square mile: 1900.....	Map, Plate 149.
Number of horses on farms and ranges, by states and territories: 1900.....	Diagram 4, Plate 150.
Implements—Value of implements and machinery on farms: 1850 to 1900.....	Diagram 4, Plate 128.
Income:	
Center of gross farm income: 1900.....	Map, Plate 151.
Percentages of the number of farms of specified incomes, classified by principal source of income: 1900.....	Plate 145.
Percentages of the number of farms of specified tenures, classified by income: 1900.....	Plate 144.
Percentages of the number of farms of specified tenures, classified by source of income: 1900.....	Plate 144.
Proportion of gross farm income to total farm property: 1900.....	Cartogram 3, Plate 138.
Proportion of the number of farms of specified areas, classified by amount of income: 1900.....	Plate 141.
Increase—Percentage of increase in value of farms and improvements: 1850 to 1900.....	Cartograms, Plate 133.
Irrigated land—Average area of irrigated land on farms, by states and territories: 1899 and 1889.....	Diagram 4, Plate 178.
Irrigation:	
Comparison of number of irrigators and area irrigated, by states and territories: 1899 and 1889.....	Diagram 2, Plate 178.
Relative size of the 11 arid states and territories with proportion in public land, private ownership, farm area, improved land, and irrigated acreage: 1899.....	Diagram 1, Plate 178.
Irrigation construction—Comparison of value of crops and cost of irrigation construction, by states and territories: 1899.....	Diagram 3, Plate 178.
Land, farm:	
Average value per farm of farm land with improvements, including buildings: 1850 to 1900.....	Diagram 6, Plate 128.
Total value of farm land with improvements, live stock, and farm implements, by states and territories: 1900.....	Diagram 2, Plate 136.
Value of farm land per acre: 1900.....	Cartogram 2, Plate 138.
Value of farm land with improvements: 1850 to 1900.....	Diagram 2, Plate 128.
Land, improved:	
Gains or losses in improved land: 1890 to 1900.....	Cartogram 5, Plate 138.
Proportion of improved land to total area: 1900.....	Map, Plate 132 and Cartogram 6, Plate 138.
Live stock—Value of live stock on farms: 1850 to 1900.....	Diagram 3, Plate 128.
Machinery, <i>see</i> Value of implements and machinery on farms.	
Manufactures:	
Center of manufactures: 1850 to 1900.....	Map, Plate 126.
Center of manufactures: 1900.....	Map, Plate 151.
Mules, <i>see</i> Horses.	
Neat cattle:	
Number of neat cattle on farms and ranges, by states and territories: 1900.....	Diagram 2, Plate 150.
Number of neat cattle per square mile: 1900.....	Map, Plate 147.
Nectarines, <i>see</i> Peaches and nectarines.	
Oats:	
Average yield of oats per acre, by states and territories: 1900.....	Diagram 2, Plate 169.
Center of oats production: 1850 to 1900.....	Map, Plate 126.
Center of oats production: 1900.....	Map, Plate 151.
Production of oats: 1850 to 1900.....	Diagram 3, Plate 152.
Production of oats, by states and territories: 1900.....	Diagram 1, Plate 164.
Production of oats per capita: 1900.....	Cartogram 3, Plate 172.
Production of oats per square mile: 1900.....	Map, Plate 158.
Yield of oats per acre: 1900.....	Map, Plate 159.

LIST OF ILLUSTRATIONS.

Onions—Production of onions, by states: 1900 Diagram 5, Plate 168.
 Peaches and nectarines—Principal regions of production: 1900 Map 1, Plate 176.
 Pears—Principal regions of production: 1900 Map 2, Plate 174.
 Plums and prunes—Principal regions of production: 1900 Map 1, Plate 177.
 Population:
 Center of population: 1790 to 1900..... Map, Plate 126.
 Center of population: 1900..... Map, Plate 151.
 Potatoes:
 Production of potatoes, by states: 1900..... Diagram 3, Plate 168.
 Production of potatoes per square mile: 1900..... Map 1, Plate 173.
 Potatoes, sweet:
 Production of sweet potatoes, by states: 1900..... Diagram 4, Plate 168.
 Production of sweet potatoes per square mile: 1900 Map 2, Plate 173.
 Products, agricultural:
 Center of agricultural products: 1850 to 1900 Map, Plate 126.
 Center of agricultural products: 1900 Map, Plate 151.
 Products, farm:
 Average value of farm products per farm, by states and territories: 1900..... Diagram 1, Plate 137.
 Average value of net farm products per acre, by states and territories: 1900..... Diagram 2, Plate 137.
 Total value of farm products, by states and territories: 1900 Diagram 1, Plate 136.
 Value of farm products per acre: 1900..... Cartogram 1, Plate 138.
 Value of farm products per acre of improved land: 1900..... Map, Plate 134.
 Value of farm products per square mile: 1900..... Map, Plate 135.
 Property, farm:
 Average value of all farm property per farm: 1850 to 1900..... Diagram 5, Plate 128.
 Average value of farm property per acre for white and colored farmers, by states and territories: 1900..... Diagram 2, Plate 139.
 Average value of farm property per farm for white and colored farmers, by states and territories: 1900..... Diagram 1, Plate 139.
 Prunes, *see* Plums and prunes.
 Race—Percentages of the number of farms of specified tenures, classified by race: 1900..... Plate 144.
 Race of farmer—Percentages of the number of farms of specified incomes, classified by race of farmer: 1900 ... Plate 145.
 Race of occupants—Proportion of the number of farms of specified areas, classified by race of occupants: 1900. Plate 141.
 Rye:
 Average yield of rye per acre, by states and territories: 1900..... Diagram 2, Plate 171.
 Production of rye, by states and territories: 1900 Diagram 2, Plate 164.
 Production of rye per square mile: 1900..... Map, Plate 160.
 Sheep:
 Number of sheep on farms and ranges, by states and territories: 1900 Diagram 3, Plate 150.
 Number of sheep per square mile: 1900..... Map, Plate 148.
 States and territories—Relative size of the 11 arid states and territories with proportion in public land, private ownership, farm area, improved land, and irrigated acreage: 1899 Diagram 1, Plate 178.
 Swine:
 Number of swine on farms and ranges, by states and territories: 1900..... Diagram 1, Plate 150.
 Number of swine per square mile: 1900..... Map, Plate 146.
 Tenure:
 Classification of farm area, by tenure, by states and territories: 1900 Plate 143.
 Classification of number of farms, by tenure, by states and territories: 1900 Plate 142.
 Percentages of the number of farms of specified incomes, classified by tenure: 1900..... Plate 145.
 Proportion of the number of farms of specified areas, classified by tenure: 1900 Plate 141.
 Tobacco:
 Production of tobacco, by states: 1900 Diagram 2, Plate 168.
 Production of tobacco per capita: 1900..... Cartogram 6, Plate 172.
 Production of tobacco per square mile: 1900 Map, Plate 167.
 Value:
 Average value of all farm property per farm: 1850 to 1900..... Diagram 5, Plate 128.
 Average value of farm products per farm, by states and territories: 1900 Diagram 1, Plate 137.
 Average value of farm property per acre for white and colored farmers, by states and territories: 1900 Diagram 2, Plate 139.
 Average value of farm property per farm for white and colored farmers, by states and territories: 1900..... Diagram 1, Plate 139.
 Average value of net farm products per acre, by states and territories: 1900 Diagram 2, Plate 137.
 Average value per farm of farm land with improvements, including buildings: 1850 to 1900 Diagram 6, Plate 128.
 Percentage of increase in value of farms and improvements: 1850 to 1900 Cartograms, Plate 133.
 Total value of farm land with improvements, live stock, and farm implements, by states and territories: 1900..... Diagram 2, Plate 136.
 Total value of farm products, by states and territories: 1900..... Diagram 1, Plate 136.
 Value of crops—Comparison of value of crops and cost of irrigation construction, by states and territories: 1899. Diagram 3, Plate 178.
 Value of farm land per acre: 1900 Cartogram 2, Plate 138.
 Value of farm land with improvements: 1850 to 1900 Diagram 2, Plate 128.
 Value of farm products per acre: 1900 Cartogram 1, Plate 138.
 Value of farm products per acre of improved land: 1900 Map, Plate 134.

LIST OF ILLUSTRATIONS.

Value of farm products per square mile: 1900	Map, Plate 135.
Value of farms and improvements—Percentage of increase in value of farms and improvements: 1850 to 1900 ..	Cartograms, Plate 133.
Value of implements and machinery on farms: 1850 to 1900	Diagram 4, Plate 128.
Value of live stock on farms: 1850 to 1900	Diagram 3, Plate 128.
Values:	
Center of farm values: 1850 to 1900	Map, Plate 126.
Center of farm values: 1900	Map, Plate 151.
Wheat:	
Average yield of wheat per acre, by states and territories: 1900	Diagram 1, Plate 170.
Center of wheat production: 1850 to 1900	Map, Plate 126.
Center of wheat production: 1900	Map, Plate 151.
Production of wheat: 1850 to 1900	Diagram 2, Plate 152.
Production of wheat, by states and territories: 1900	Diagram 1, Plate 163.
Production of wheat per capita: 1900	Cartogram 2, Plate 172.
Production of wheat per square mile: 1900	Map, Plate 156.
Yield of wheat per acre: 1900	Map, Plate 157.
White farmers:	
Average value of farm property per acre for white and colored farmers, by states and territories: 1900 ..	Diagram 2, Plate 139.
Average value of farm property per farm for white and colored farmers, by states and territories: 1900 ..	Diagram 1, Plate 139.
Total number of acres in farms of white and colored farmers, by states and territories: 1900	Diagram 2, Plate 131.

MANUFACTURES.

Agricultural implements:	
Value of products of agricultural implements: 1850 to 1900	Plate 193.
Value of products of agricultural implements, by states: 1900	Diagram 2, Plate 202.
Value of products of agricultural implements per square mile: 1900	Cartogram 4, Plate 207.
Agriculture:	
Products of manufactures and agriculture per capita of the population, by states and territories: 1890	Plate 188.
Products of manufactures and agriculture per capita of the population, by states and territories: 1900	Plate 187.
Blast furnaces, <i>see</i> Iron and steel (blast furnaces and rolling mills).	
Boots and shoes (factory product):	
Value of products of boots and shoes (factory product), by states: 1900	Diagram 6, Plate 201.
Value of products of boots and shoes (factory product) per square mile: 1900	Cartogram 6, Plate 206.
Brick, <i>see</i> Clay products (brick, tile, pottery, etc.).	
Butter, <i>see</i> Cheese, butter, and condensed milk.	
Capital invested in manufactures at each census: 1850 to 1900	Diagram 1, Plate 180.
Capital invested in manufactures, by state groups: 1900	Diagram 2, Plate 181.
Capital invested in manufactures in each state and territory: 1900	Diagram 1, Plate 181.
Capital, wages, and products of manufactures, for 100 counties in which the principal cities are located: 1860 to 1900	Diagram 2, Plate 190.
Capital, wages, and value of products of manufactures for urban and rural districts: 1900	Diagram 2, Plate 192.
Carriages and wagons:	
Value of products of carriages and wagons, by states: 1900	Diagram 4, Plate 202.
Value of products of carriages and wagons per square mile: 1900	Cartogram 5, Plate 207.
Cars (construction and repairs):	
Value of products of cars (construction and repairs), by states and territories: 1900	Diagram 3, Plate 202.
Value of products of cars (construction and repairs) per square mile: 1900	Cartogram 6, Plate 207.
Cars (steam railroad)—Value of products of cars (steam railroad): 1850 to 1900	Plate 193.
Center of manufactures at each decade: 1850 to 1900	Map, Plate 179.
Center of population: 1790 to 1900	Map, Plate 179.
Cheese, butter, and condensed milk:	
Value of products of cheese, butter, and condensed milk, by states: 1900	Diagram 1, Plate 198.
Value of products of cheese, butter, and condensed milk per square mile: 1900	Cartogram 2, Plate 204.
Chemicals and allied products:	
Value of chemicals and allied products, by states: 1900	Diagram 1, Plate 203.
Value of chemicals and allied products per square mile: 1900	Cartogram 2, Plate 206.
Clay products—Value of clay products: 1850 to 1900	Plate 193.
Clay products (brick, tile, pottery, etc.):	
Value of clay products (brick, tile, pottery, etc.), by states and territories: 1900	Diagram 3, Plate 201.
Value of clay products (brick, tile, pottery, etc.) per square mile: 1900	Cartogram 5, Plate 204.
Clothing, men's and women's—Value of products of men's and women's clothing: 1850 to 1900	Plate 193.
Clothing, men's and women's (factory product):	
Value of products of men's and women's clothing (factory product), by states: 1900	Diagram 6, Plate 199.
Value of products of men's and women's clothing (factory product), for 22 cities: 1900	Diagram 5, Plate 199.
Value of products of men's and women's clothing (factory product) per square mile: 1900	Cartogram 6, Plate 205.
Clothing, men's and women's (total factory product)—Value of products of men's and women's clothing (total factory product), by states: 1900	Diagram 4, Plate 199.

Coke:	
Value of products of coke, by states: 1900	Diagram 2, Plate 201.
Value of products of coke per square mile: 1900	Cartogram 2, Plate 207.
Condensed milk, <i>see</i> Cheese, butter, and condensed milk.	
Cotton goods:	
Value of products of cotton goods: 1850 to 1900	Plate 193.
Value of products of cotton goods, by states: 1900	Diagram 5, Plate 198.
Value of products of cotton goods per square mile: 1900	Cartogram 2, Plate 205.
Cotton production, exports, and consumption: 1850 to 1900	Plate 197.
Flour and grist mill products:	
Value of flour and grist mill products: 1850 to 1900	Plate 193.
Value of flour and grist mill products, by states and territories: 1900	Diagram 1, Plate 200.
Value of flour and grist mill products per square mile: 1900	Cartogram 1, Plate 204.
Glass:	
Value of products of glass: 1850 to 1900	Plate 193.
Value of products of glass per square mile: 1900	Cartogram 6, Plate 204.
Glass (including glass cutting, staining, and ornamenting)—Value of products of glass (including glass cutting, staining, and ornamenting), by states: 1900	Diagram 4, Plate 201.
Gristmill products, <i>see</i> Flour and grist mill products.	
Hosiery and knit goods:	
Value of products of hosiery and knit goods: 1850 to 1900	Plate 193.
Value of products of hosiery and knit goods, by states: 1900	Diagram 2, Plate 199.
Value of products of hosiery and knit goods per square mile: 1900	Cartogram 5, Plate 205.
Ice, manufactured—Value of products of manufactured ice, by states: 1900	Diagram 3, Plate 198.
Industries:	
Value of products of certain manufacturing industries: 1850 to 1900	Plate 193.
Value of products of manufactures for groups of industries: 1900 and 1890	Diagram 1, Plate 192.
Industries, selected—Value of products of selected industries, by states and territories: 1900	Plates 198 to 203, inclusive.
Iron and steel:	
Value of products of iron and steel: 1870 to 1900	Plate 193.
Value of products of iron and steel, by states: 1900	Diagram 1, Plate 201.
Iron and steel (blast furnaces and rolling mills)—Value of products of iron and steel (blast furnaces and rolling mills) per square mile: 1900	Cartogram 1, Plate 207.
Knit goods, <i>see</i> Hosiery and knit goods.	
Leather (tanned, curried, and finished):	
Value of products of leather (tanned, curried, and finished): 1850 to 1900	Plate 193.
Value of products of leather (tanned, curried, and finished), by states: 1900	Diagram 5, Plate 201.
Value of products of leather (tanned, curried, and finished) per square mile: 1900	Cartogram 5, Plate 206.
Liquors (distilled, malt, and vinous):	
Value of products of liquors (distilled, malt, and vinous): 1850 to 1900	Plate 193.
Value of products of liquors (distilled, malt, and vinous), by states: 1900	Diagram 2, Plate 198.
Value of products of liquors (distilled, malt, and vinous) per square mile: 1900	Cartogram 4, Plate 204.
Lumber—Production of lumber at each census in each state in which this industry is of importance: 1850 to 1900	Plate 194.
Lumber and timber products:	
Value of lumber and timber products: 1850 to 1900	Plate 193.
Value of lumber and timber products, by states and territories: 1900	Diagram 1, Plate 202.
Value of lumber and timber products per square mile: 1900	Map, Plate 196 and Cartogram 3, Plate 207.
Lumber industry—Materials and products (logging camps, sawmills, and planing mills): 1900	Diagram 2, Plate 195.
Lumber industry and its products (logging camps, sawmills, and planing mills), by states and territories: 1900	Diagram 1, Plate 195.
Manufactures:	
Center of manufactures at each decade: 1850 to 1900	Map, Plate 179.
Products of manufactures and agriculture per capita of the population, by states and territories: 1890	Plate 188.
Products of manufactures and agriculture per capita of the population, by states and territories: 1900	Plate 187.
Meat packing, <i>see</i> Slaughtering and meat packing.	
Paper and wood pulp:	
Value of products of paper and wood pulp: 1850 to 1900	Plate 193.
Value of products of paper and wood pulp, by states: 1900	Diagram 3, Plate 203.
Value of products of paper and wood pulp per square mile: 1900	Cartogram 3, Plate 206.
Petroleum refining:	
Value of products of petroleum refining, by states: 1900	Diagram 2, Plate 203.
Value of products of petroleum refining per square mile: 1900	Cartogram 1, Plate 206.
Population—Center of population: 1790 to 1900	Map, Plate 170.
Pottery, <i>see</i> Clay products (brick, tile, pottery, etc.).	
Printing and publishing—Value of products of printing and publishing per square mile: 1900	Cartogram 4, Plate 206.
Printing and publishing (book and job, music, and newspapers)—Value of products of printing and publishing (book and job, music, and newspapers), by states and territories: 1900	Diagram 4, Plate 203.

LIST OF ILLUSTRATIONS.

Products:

Capital, wages, and products of manufactures, for 100 counties in which the principal cities are located: 1860 to 1900	Diagram 2, Plate 190.
Capital, wages, and value of products of manufactures for urban and rural districts: 1900	Diagram 2, Plate 192.
Value of all manufactured products, and proportional value of each group: 1880 to 1900	Plate 191.
Value of products of manufactures at each census: 1850 to 1900	Diagram 3, Plate 180.
Value of products of manufactures, by states and territories, at each census: 1850 to 1900	Plate 184.
Value of products of manufactures in certain manufacturing cities: 1900	Diagram 1, Plate 190.
Value of products of manufactures in the 17 leading states: 1870 to 1900	Plate 186.

LETTER OF TRANSMITTAL.

UNITED STATES CENSUS OFFICE,
Washington, D. C., June 6, 1903.

SIR:

I have the honor to transmit herewith for publication the Statistical Atlas of the Twelfth Census.

The illustrations, which are necessarily confined to the four subjects, Population, Vital Statistics, Agriculture, and Manufactures, were prepared under the supervision of Mr. Henry Gannett, Geographer of the Twelfth Census. For valuable suggestions regarding the maps and diagrams used in illustrating the figures of the main reports, the Geographer is much indebted to Mr. William C. Hunt, Chief Statistician for Population; Mr. William A. King, Chief Statistician for Vital Statistics; Mr. Le Grand Powers, Chief Statistician for Agriculture; Mr. S. N. D. North, the former Chief Statistician for Manufactures, and Mr. William M. Steuart, the present Chief Statistician.

Very respectfully,

CHARLES S. SLOANE,
In Charge of Geographical Division.

Hon. WILLIAM R. MERRIAM,
Director of the Census.
