NLSY97 Round 7: Employment

YEMP-9810 []   **Section:** Employment

I would like to talk to you about any work you have done in the time since the date of your last interview, that is, since [date of last interview]. In answering these questions, please tell us about any work you did for a family business, and about any paid employment you've done, working either for yourself or for an employer. I will be asking you different dates during this section. You may find it helpful to refer to the calendar I handed you earlier.

YEMP-9840 []   **Section:** Employment

Let's start by making a list of all jobs you've held since we last talked. Please include all jobs where you were working for a particular employer (including working in a family business) as well as jobs where you were self-employed. Jobs as an employee include all jobs where you have an ongoing relationship with one employer - let's say in a store, factory, or office. Self-employed jobs are where you own your own business (for example, a lawn service) or where you do the same type of task for many different people (designing web sites, for instance). In self-employed jobs, you are your own boss. I'll first ask you about any jobs you reported having the last time we talked, and then we'll talk about new jobs you've held since that time.
