This reprogramming action transfers funds between appropriations for proper execution. The reclassification is required to execute funds properly in accordance with congressional intent. These actions are determined to be necessary in the national interest. These actions do not change the purpose for which the funds were originally appropriated. This reprogramming action meets all administrative and legal requirements, and none of the items has been previously denied by the Congress.

Part I of this reprogramming action transfers \$49.473 million among various Defense appropriations. This reprogramming action uses \$36.199 million in general transfer authority pursuant to section 8005 of Public Law 110-329, the Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009; and section 1001 of Public Law 110-417, the Duncan Hunter National Defense Authorization Act for Fiscal Year (FY) 2009.

Part II of this reprogramming action transfers \$3.155 million among various Defense appropriations. This reprogramming action uses \$1.589 million in general transfer authority pursuant to section 8005 of Public Law 110-116, the Department of Defense (DoD) Appropriations Act, 2008; and section 1001 of Public Law 110-181, the National Defense Authorization Act for FY 2008.

Part III of this reprogramming action transfers \$5.320 million from the Operation and Maintenance, Defense-Wide, 09/09, appropriation to the Services' Military Personnel, 09/09, appropriations for the Department's Innovative Readiness Training (IRT) Civil Military Programs. These funds are transferred under the authority of section 8053 of Public Law 110-329, the Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009.
