

Information about

Attorneys in Poland (except Warsaw)

This list of attorneys, current as of June 2008, was compiled by the American Embassy in Warsaw with the assistance of Polish District Bar Associations. We hope that it will be helpful for American citizens who seek legal assistance in Poland.

According to Polish regulations, fees for legal assistance for foreigners are as high as fees in their native countries. Fees cover handling the case and include such costs as transportation, search for documents, xerox copies, typing and so forth. **The American Embassy assumes no responsibility for the professional ability or integrity of the persons that appear on the list below.**
