GSA Report for Oct. 98 UEC meeting

1. Thanks to the Departing GSA members

for all the support and help.

'98–'99 Representatives

Fernanda G. Garcia	(fgarcia@fnal.gov)	SELEX (E781)
Andrew Green	(agreen@fnal.gov)	DØ
Durga Rajaram	(durga@fnal.gov)	HyperCP(E871)
Maria Spiropulu	(smaria@fnal.gov)	CDF

gsa_officers@fnal.gov

'97–'98 Representatives

Sergey Avvakumov	(avva@fnal.gov)	NuTeV (E815)
Kevin P. Davis	(kpdavis@fnal.gov)	DØ
Arnold Pompos	(pompos@fnal.gov)	CDF
John Trammell	(trammell@fnal.gov)	DONUT (E872)

+ Sam Zeller, and all who helped in the NP98

Graduate Student Association

JUDY FRANZ visit and meet with Graduate Students OCTOBER 7th

Judy Franz, the Executive Director of the American Physical Society will visit Fermilab next Wednsday, October 7th.

Judy Franz has always been particularly interested into meeting with students, discussing issues on their progress and development with-in science.

The GSA together with the office of Public Affairs is trying to arrange a "poster hour" on **Wednesday afternoon- 1:30 pm thru 3:00 pm at WH 15th south** showing Dr. Franz the work of the graduate students here at Fermilab.

Judy Franz helped the New Perspectives 98 organizers get APS endorsement for the graduate student conference.During her visit at Fermilab next week she **wants to meet and spend time discussing with graduate students** Please volunteer and send mail to Maria if you would/could present a poster. (an NP98 poster or a new one (an overview of your experiment, or of the upgrades, or of the tests you are carrying out on your lab, your analysis...).) And in any case please **make sure you are there to meet with Judy Franz.**

An address by Dr. Franz to the students will presede or follow the poster hour.
An announcement of the preliminary agenda is posted here.
A few of the many references regarding Dr. Franz and her work follow:

at Fermilab

******_preliminary_ interacting-with-the-students- agenda**
of APS Executive visiting Fermilab on Wednesday Oct.7th****

10:00 to 11:00 am CDF (with Maria, CDFers and D0ers)
11:00 to 12:00 noon Judy will visit DO (with Andrew Green and D0ers and CDFers)

she expressed her interest to see the detectors and meet with the students at the experiments' site. ****So** if you are working in your trailer take a 20 mins break to the ** D0 and B0 experimental Hall and meet with Judy.****

In the afternoon on the south hall of the 15th floor at the highrise a casual poster hour and discussion with an address to the students and a question answer forum will follow:

1:40 to 2:00 pm she will address the students
2:00 to 2:45 pm we'll walk her through the posters (however many we manage to retrieve, however many stands we manage to get)
2:45 3:00 pm open forum questions and answers.
There will be something to munch, too...

2. Two more things:

NP99 Poster award -
(five hundred dollars
judges: a theorist CQ,
an experimentalist, 2 students)

a science fair story
