*Low precision; no estimate reported.

NOTE: Gulf State Disaster Area includes the counties and parishes in Alabama, Florida, Louisiana, Mississippi, and Texas that were declared a disaster area for Hurricane Katrina and/or Hurricane Rita.

NOTE: Respondents with unknown Perceived Availability data were excluded.

NOTE: Response categories for the Perceived Availability questions include "Probably impossible," "Very difficult," "Fairly difficult," "Fairly easy," and "Very easy." The estimates in this table correspond to persons reporting "Fairly easy" or "Very easy."

^aDifference between estimate and 2006 estimate is statistically significant at the 0.05 level.

¹ The Other Employment category includes retired persons, disabled persons, homemakers, students, or other persons not in the labor force.

Source: SAMHSA, Office of Applied Studies, National Survey on Drug Use and Health, July 2004 to June 2005 and January to December 2006.

Table 21B Perceived Availability of LSD (Fairly or Very Easy to Obtain) among Persons Aged 18 or Older, by Geographic Area and Demographic Characteristics: Percentages, July 2004 to June 2005 and January to December 2006
