

April 13, 2007

Mr. Keith Williams  
Chief Executive Officer  
Community Health Network Inc  
P.O. Box 40  
Oakdale, TN 37829

Ms. Toy Strickland  
Director Information Technology/Telemedicine  
University of Tennessee Health Science Center  
920 Madison Avenue, Suite 431  
Memphis, TN 38163

Dear Mr. Williams and Ms. Strickland:

I want to express my support for the application of the Community Health Network Inc. with the University of Tennessee Health Science Center to seek FCC funds to expand the use of telehealth applications in Tennessee. I am pleased to see that the Tennessee Primary Care Association and the Tennessee Hospital Association are also providing their support for this important statewide project.

As proposed, the project will improve the quality and value of health care in Tennessee particularly in the rural areas of our state. Today, poor health status, high cost, and significant disparities in health outcomes negatively impact both the quality of life and the economic viability of rural Tennessee. Through the Community Health Network and University of Tennessee Health Science Center partnership, the FCC Rural Health Pilot Program provides a positive opportunity to build a national prototype model in Tennessee for the innovative use of technology to address critical rural health needs in a cost effective manner.

I am pleased that this partnership is leveraging the University of Tennessee Health Science Center's six plus years of statewide telemedicine experience with the Community Health Network's current experience of building a telehealth network covering 14 community health center organizations that operate 62 clinics in 38 counties across Tennessee. The combined experience of these institutions and the availability of FCC funds will greatly enhance the delivery of specialty medical care to rural and underserved persons in Tennessee by removing distance barriers.

I support your FCC Rural Health Care Pilot program application, and I hope that your request to the FCC for funding of this pilot program will receive the highest consideration. I look forward to working with you in this endeavor, which promises to lay the foundation for long-term quality improvement efforts that will lead to better health across the state.

Sincerely,

A handwritten signature in cursive script that reads "Marsha Blackburn".

Marsha Blackburn  
Member of Congress
