

Canadian RVSM Approvals*

Including all AGHME monitoring flights for ACY and ICT up to 09/29/05 - Results for CLE have not been released yet.

*Please note that the AGHME data is based on the Julian date. In some cases, monitoring flights can show up on the calendar date after or date before the actual monitoring flight.

**All Aircraft present in this segment of the database have obtained rvsm airworthiness approval*

Canadian RVSM Approvals*

Including all AGHME monitoring flights for ACY and ICT up to 09/29/05 - Results for CLE have not been released yet.

*Please note that the AGHME data is based on the Julian date. In some cases, monitoring flights can show up on the calendar date after or date before the actual monitoring flight.

**All Aircraft present in this segment of the database have obtained rvsm airworthiness approval*
