## PORT AUTHORITY

The correct procedure for coding problem cases of the maintenance and operation of Port Authority can be determined by the activity recorded on the death certificate. Use the following industry description and industry codes to solve these problem cases:

<u>Industry Description</u>	<u>Industry Code</u>
Boat Terminal	420
Bridges	432
Bus Terminal	401
All Airports	421
Grain Terminal	411
Truck Terminal	410
Tunnels	432
Parking Lots	750
Subway	401
Railroad	400
Not Specified	432

## **NON-STORE SELLERS AND VENDORS**

Non-Store Sellers or Vendors--When an entry on a certificate indicates that a person is selling goods from a temporary location, other than a store with a fixed location, use the following rules:

NOTE: Usually these people will be self-employed, but not always.

1. Artists, sculptors, etc., who paint or produce and sell their works of art are to be coded to the industry of "Miscellaneous professional and related services--893" and the occupation to "Painters and sculptors--188." If there is no evidence that the deceased produced the works of art he/she is selling, code industry to "Direct selling--671" and occupation to "Salesperson--277."
2. Persons making and selling jewelry, ceramics, pottery, leather goods, and other arts and crafts should be coded to the industry of "Direct selling--671" and the occupation to "Production workers, n.e.c.--779." If there is no indication that they are making these articles, code occupation to "Salesperson--277."
3. Persons reported themselves as "Teaching and selling" jewelry, ceramics, pottery, leather goods, and other arts and crafts, code industry to "Miscellaneous professional and related services--893" and occupation to "Teachers, n.e.c.--159."
