Other DOE Reporting Requirements	
Waste, Fraud, & Abuse	Incidents of waste, fraud, abuse and criminal matters shall be reported to Corporate Investigations (NM 505-845-9900) and other appropriate authorities.
Theft of Property	Any theft of Sandia or U.S. Government property shall be reported immediately to Corporate Investigations (NM 505-845-9900). All property that is considered stolen, lost, or missing shall be reported regardless of value and regardless of whether it is considered controlled or uncontrolled property.
Wrongdoing	In addition to the circumstances listed in the previous table, employees, contractors, and consultants shall report incidents of wrongdoing to: <ul style="list-style-type: none"> • SNL/NM contacts listed in the previous table. • SNL Corporate Investigations (NM 505-845-9900). You may also report directly to the Office of the Inspector General any information concerning wrongdoing by DOE employees, contractors, subcontractors, consultants, grantees, other recipients of DOE financial assistance, or their employees.
Drugs in the Workplace	Illegal drugs are prohibited on both Sandia-controlled premises and Kirtland Air Force Base property. Individuals who illegally used or trafficked in a controlled substance may be asked to sign a drug certification form attesting to having refraining from using or being involved with illegal drugs while employed in a position requiring a security clearance. The use of illegal drugs is a serious offense and could result in termination of your clearance and, eventually, your employment, as well as arrest. Incidents of illegal drugs in the workplace shall be reported to Corporate Investigations (NM 505-845-9900). This includes, but is not limited to, trafficking in, selling, transferring, possessing, or using illegal drugs.

For the above Other Reporting Requirements, California Members of the Workforce should call the Security Operations Office at (925)294-2531.

Supervisors' Reporting Requirements

In compliance with Sandia Business Rule (CPR) 400.3.7, *Reporting Personnel Security Information, Incidents of Security Concern; and Waste, Fraud, and Abuse*, and DOE Manual 470.4-5, *Personnel Security*, all supervisors aware of the following conditions affecting an applicant's or employee's access authorization status, shall provide notification of:

- An individual's hospitalization or other treatment for a mental illness or other condition (e.g., substance abuse) that may cause a significant defect in the individual's judgment or reliability. Verbal notification must be made within 8 working hours and written confirmation within the next 10 working days to:
 - (NM) Corporate Investigations (505-845-9900)
 - (CA) Personnel Security (925-294-2061)
- Information of personnel security interest. Such information must be characterized as reliable and relevant and create a question as to an individual's access authorization eligibility as described in 10CFR710.8, *Criteria and Procedures for Determining Eligibility for Access to Classified Matter or Special Nuclear Material*. Immediately report this information to:
 - (NM) Corporate Investigations (505-845-9900)
 - (CA) Security Operations Office (925-294-2531)

In addition, supervisors are responsible for immediately reporting to Personnel Security (NM 505-844-4493, CA 925-294-2061) when an employee's clearance is no longer required, employment terminated, individual is on extended leave of 90 consecutive working days, or access authorization is not required for 90 consecutive working days. Ensure completed DOE F 5631.29, Security Termination Statement, and badge are immediately delivered to the Clearance Office.

REMOTE SITES REPORT TO SNL/NM UNLESS OTHERWISE INDICATED.

DOE Reporting Requirements

"Employees are encouraged and expected to report any information that raises doubts as to whether another employee's continued eligibility for access to classified information is clearly consistent with the national security."

- Executive Order 12968
Access to Classified Information

What you need to know about your responsibilities

SAND2007-2366P
September 2007

Sandia is a multiprogram laboratory operated by Sandia Corporation, a Lockheed Martin Company, for the United States Department of Energy's National Nuclear Security Administration under contract DE-AC04-94AL85000.
