Following is an appropriate Mapquest Map to assist in your travel from the Orlando International (MCO) Airport since most people attending meetings at Melbourne will be flying into Orlando. After getting your rental car, make your way to the "Beeline Highway" (Rt.528), and go east-bound.

In short, if traveling to the Hilton Melbourne Oceanfront Hotel from the Orlando International Airport (MCO):

1. Take the Beeline Toll Road, State Road 528, east bound to I-95 South
2. Take I-95 South to Exit #183, for the Eau Gallie Causeway (Rt.518) and Indian Harbour Beach.
3. Take State Road 518 east-bound across the causeway until you reach Highway A1A.
4. Turn right on US-A1A south-bound for approximately 0.25 miles to the Radisson and Hilton on the left. Drive further south for about 0.75 mile for the Crowne Plaza, then another mile for the Doubletree.

However, if you fly into the Melbourne (MLB) Airport, after you pick up your rental car, exit the airport and follow directions to US-1 north until you reach the Eau Gallie Causeway, then turn right to go east to the ocean and US-A1A. The Hilton Melbourne Oceanfront Hotel is only about 0.25 miles south of the intersection of Eau Gallie Blvd and US-A1A. Reference the following Mapquest Map showing the location of the Melbourne Airport.

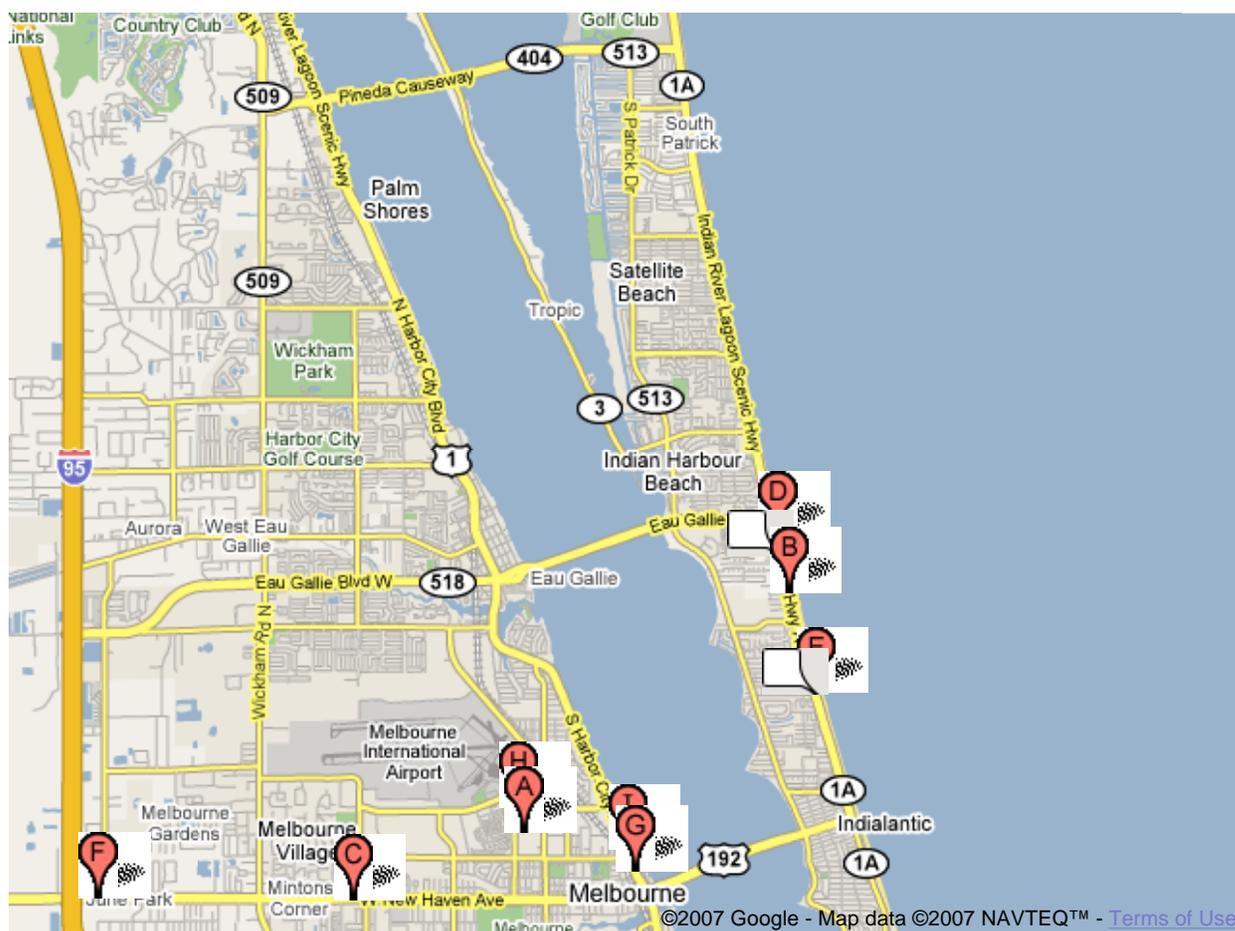

If you cannot find an available room (or cannot get the Government Per Diem rate) at any of the previously listed hotels, then there are several additional hotels on the mainland in the Melbourne area that will generally have space available, and/or will provide a room at the Per Diem rates. From most of these hotels, in order to come to the Hilton Melbourne Beach Oceanfront for meetings, you will make your way to West New Haven Avenue (Rt.192) and proceed east-bound toward the ocean, until you intersect Highway A1A, and then turn left to come north until you reach the Hilton. See the following for names and locations of these additional hotels.

IF EVEN AFTER LOOKING ALL OVER MELBOURNE YOU CANNOT FIND AN AVAILABLE ROOM, or if you still cannot find rooms available at the Government Per Diem rate, then we can expand your search up the coast to Cocoa Beach. Cocoa Beach is approximately 15 miles north of the Hilton Melbourne Beach Hotel on Highway A1A. There are numerous hotels, as you can see from the following pages in and around the Cocoa Beach area on Highway A1A, and on the oceanfront. A word to the wise: "stick with the name-brand hotels and you will probably enjoy your stay a little better."
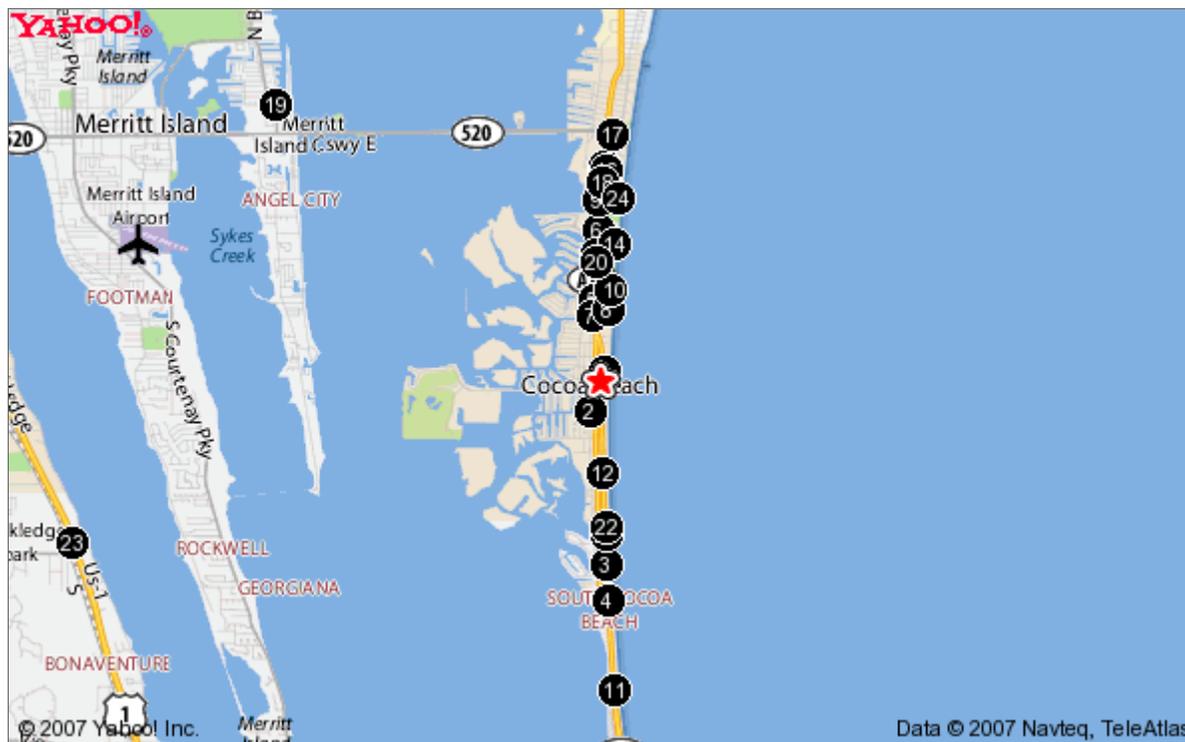

If you make a reservation at a Cocoa Beach hotel on the following list, and you are arriving at the Orlando International Airport, then after you pick up your rental car, proceed east-bound on Rt.528 until you get to I-95 and go south-bound. Soon after you get onto I-95 south-bound, exit onto Rt.520 towards Cocoa Beach, and go east until you get to Cocoa Beach at Highway A1A. Most of the hotels on the following list are south of Rt.520 on, or just off of, Highway A1A.

If you make a reservation at a Cocoa Beach hotel on the following list, and you are arriving at the Melbourne Airport, then after you pick up your rental car and exit the airport area, proceed north on US-1 to the Eau Gallie Blvd Causeway, and then turn right and go east-bound to Highway A1A, where you turn left and go north and proceed approximately 15 miles to Cocoa Beach.

When leaving Cocoa Beach for a meeting at the Hilton Melbourne Beach Oceanfront Hotel, come south on Highway A1A approximately 15 miles, and allow between 20 and 30 minutes for the trip because of traffic lights and local beach traffic, as well as allowing for speed changes in and around Patrick Air Force Base.

See the following for a list of hotels and their locations in Cocoa Beach.

When using any driving directions or map, it's a good idea to do a reality check and make sure the road still exists, watch out for construction, and follow all traffic safety precautions. This is only to be used as an aid in planning.
