NOTE: The above list of syllabi and documents has been accepted by the FITS Program Manager out of the FAA Headquarters in Washington DC. As of April 2006 the FITS Program Manager only process requests for FITS acceptance from Original Equipment Manufacturers and national training providers (i.e. King, Jeppesen, ASA). The local Flight Standards District Office (FSDO) processes requests for FITS acceptance from other training providers (i.e., part 61, and 141 pilot schools). For a list of those FITS accepted programs, please contact your local FSDO.
