

February 27, 2001

Ferndale Laboratories, Inc.
Attention: Nicole Teifer
780 West Eight Mile Road
Ferndale, MI 48220

Dear Madam:

This is in reference to your abbreviated new drug application dated December 16, 1999, submitted pursuant to Section 505(j) of the Federal Food, Drug, and Cosmetic Act (Act), for Micort-HC Lipocream, 2.5% (Hydrocortisone Acetate Cream USP, 2.5%).

Reference is also made to your amendments dated May 30, November 10, and December 22, 2000; and January 12, and February 14, 2001.

Micort-HC Lipocream, 2.5% contains a formulation that differs from that of your currently approved product, Hydrocortisone Acetate Cream USP, 2.5%.

We have completed the review of this abbreviated application and have concluded that the drug is safe and effective for use as recommended in the submitted labeling. Accordingly the application is approved. The Division of Bioequivalence has determined your drug product, Micort-HC Lipocream, 2.5%, to be bioequivalent and, therefore, therapeutically equivalent to the listed drug (Hydrocortisone Acetate Cream USP, 2.5% of Ferndale Laboratories, Inc.).

Under Section 506A of the Act, certain changes in the conditions described in this abbreviated application require an approved supplemental application before the change may be made.

Post-marketing reporting requirements for this abbreviated application are set forth in 21 CFR 314.80-81 and 314.98. The Office of Generic Drugs should be advised of any change in the marketing status of this drug.

We request that you submit, in duplicate, any proposed advertising or promotional copy that you intend to use in your initial advertising or promotional campaigns. Please submit all proposed materials in draft or mock-up form, not final print. Submit both copies together with a copy of the proposed or final printed labeling to the Division of Drug Marketing, Advertising, and Communications (HFD-40). Please do not use Form FD-2253 (Transmittal of Advertisements and Promotional Labeling for Drugs for Human Use) for this initial submission.

We call your attention to 21 CFR 314.81(b)(3) which requires that materials for any subsequent advertising or promotional campaign be submitted to our Division of Drug Marketing, Advertising, and Communications (HFD-40) with a completed Form FD-2253 at the time of their initial use.

Sincerely yours,

Gary Buehler
Acting Director
Office of Generic Drugs
Center for Drug Evaluation and Research
