## Subpart A—General Provisions

#### § 482.1 Basis and scope.

(a) Statutory basis. (1) Section 1861(e) of the Act provides that-

(i) Hospitals participating in Medicare must meet certain specified requirements; and

(ii) The Secretary may impose additional requirements if they are found necessary in the interest of the health and safety of the individuals who are furnished services in hospitals.

(2) Section 1861(f) of the Act provides that an institution participating in Medicare as a psychiatric hospital must meet certain specified requirements imposed on hospitals under section 1861(e), must be primarily engaged in providing, by or under the supervision of a physician, psychiatric services for the diagnosis and treatment of mentally ill persons, must maintain clinical records and other records that the Secretary finds necessary, and must meet staffing requirements that the Secretary finds necessary to carry out an active program of treatment for individuals who are furnished services in the hospital. A distinct part of an institution can participate as a psychiatric hospital if the institution meets the specified 1861(e) requirements and is primarily engaged in providing psychiatric services, and if the

distinct part meets the records and staffing requirements that the Secretary finds necessary.

- (3) Sections 1861(k) and 1902(a)(30) of the Act provide that hospitals participating in Medicare and Medicaid must have a utilization review plan that meets specified requirements.
- (4) Section 1883 of the Act sets forth the requirements for hospitals that provide long term care under an agreement with the Secretary.
- (5) Section 1905(a) of the Act provides that "medical assistance" (Medicaid) payments may be applied to various hospital services. Regulations interpreting those provisions specify that hospitals receiving payment under Medicaid must meet the requirements for participation in Medicare (except in the case of medical supervision of nurse-midwife services. See §§440.10 and 440.165 of this chapter.).
- (b) Scope. Except as provided in subpart A of part 488 of this chapter, the provisions of this part serve as the basis of survey activities for the purpose of determining whether a hospital qualifies for a provider agreement under Medicare and Medicaid.

# § 482.2 Provision of emergency services by nonparticipating hospitals.

- (a) The services of an institution that does not have an agreement to participate in the Medicare program may, nevertheless, be reimbursed under the program if—
- (1) The services are emergency services: and
- (2) The institution meets the requirements of section 1861(e) (1) through (5) and (7) of the Act. Rules applicable to emergency services furnished by non-participating hospitals are set forth in subpart G of part 424 of this chapter.
- (b) Secton 440.170(e) of this chapter defines emergency hospital services for purposes of Medicaid reimbursement.

### Subpart B—Administration

#### § 482.11 Condition of participation: Compliance with Federal, State and local laws.

- (a) The hospital must be in compliance with applicable Federal laws related to the health and safety of patients.
  - (b) The hospital must be-
  - (1) Licensed; or
- (2) Approved as meeting standards for licensing established by the agency of the State or locality responsible for licensing hospitals.
- (c) The hospital must assure that personnel are licensed or meet other applicable standards that are required by State or local laws.

## § 482.12 Condition of participation: Governing body.

The hospital must have an effective governing body legally responsible for the conduct of the hospital as an institution. If a hospital does not have an organized governing body, the persons legally responsible for the conduct of the hospital must carry out the functions specified in this part that pertain to the governing body.

- (a) Standard: Medical staff. The governing body must:
- (1) Determine, in accordance with State law, which categories of practitioners are eligible candidates for appointment to the medical staff;
- (2) Appoint members of the medical staff after considering the recommendations of the existing members of the medical staff;
- (3) Assure that the medical staff has bylaws;
- (4) Approve medical staff bylaws and other medical staff rules and regulations:
- (5) Ensure that the medical staff is accountable to the governing body for the quality of care provided to patients;
- (6) Ensure the criteria for selection are individual character, competence, training, experience, and judgment;
- (7) Ensure that under no circumstances is the accordance of staff membership or professional privileges in the hospital dependent solely upon
