

agreement with the NYSE that grants the Exchange the right to, among other things, list options on ETFs based on indexes developed by the NYSE. The Exchange is listing two such products—the iShares NYSE 100 Index Fund (symbol: NY), and the iShares NYSE Composite Index Fund (symbol: NYC). The Exchange believes that adopting the surcharge fee for transactions in these products is the best way to off-set the license fee for these products.

Furthermore, the Exchange proposes to delete references to the following expired fee waivers: a Market Maker and Firm Proprietary Execution Fee waiver for Firm Proprietary trades in the iShares S&P 100 Index Fund through June 30, 2004; and a Surcharge for Firm Proprietary trades in the iShares S&P 100 Index Fund through June 30, 2004. The Exchange also proposes to delete references to the following delisted products: GS \$ InvesTop Index, Technology Select Sector SPDR Fund (XLK), Utilities Select Sector SPDR Fund (XLU), Health Care Select Sector SPDR Fund (XLV), Industrial Select Sector SPDR Fund (XLI), Consumer Discretionary Select Sector SPDR Fund (XLY), Materials Select Sector SPDR Fund (XLB), Consumer Staples Select Sector SPDR Fund (XLP); Russell 2000 Value iShares (IWN), Russell 1000 Growth iShares (IWF), Russell 1000 Value iShares (IWD), Russell Midcap Index Fund iShares (IWR), Russell 3000 Value Index Fund iShares (IWW), Russell 3000 Growth Index Fund iShares (IWZ), Russell Midcap Growth Index Fund iShares (IWP), Russell Midcap Value Index Fund iShares (IWS), Russell 1000 Index Fund iShares (IWB), and Russell 3000 Index Fund iShares (IWW).¹³

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act¹⁴ in general, and furthers the objectives of the Act¹⁵ in particular, in that it is an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. In particular, except in the case of the surcharge fee (which is, however, consistent with the Exchange's treatment of other licensed products), these fees generally would eliminate, reduce, waive, or rebate fees.

B. Self-Regulatory Organization's Statement on Burden on Competition

The ISE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as a fee change pursuant to section 19(b)(3)(A)(ii) of the Act¹⁶ and Rule 19b-4(f)(2)¹⁷ thereunder because it establishes or changes a due, fee, or other charge imposed by the Exchange. Accordingly, the proposal will take effect upon filing the amended proposal with the Commission. At any time within 60 days of the filing of such amended proposed rule change, the Commission may summarily abrogate such rule change, as amended, if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁸
