
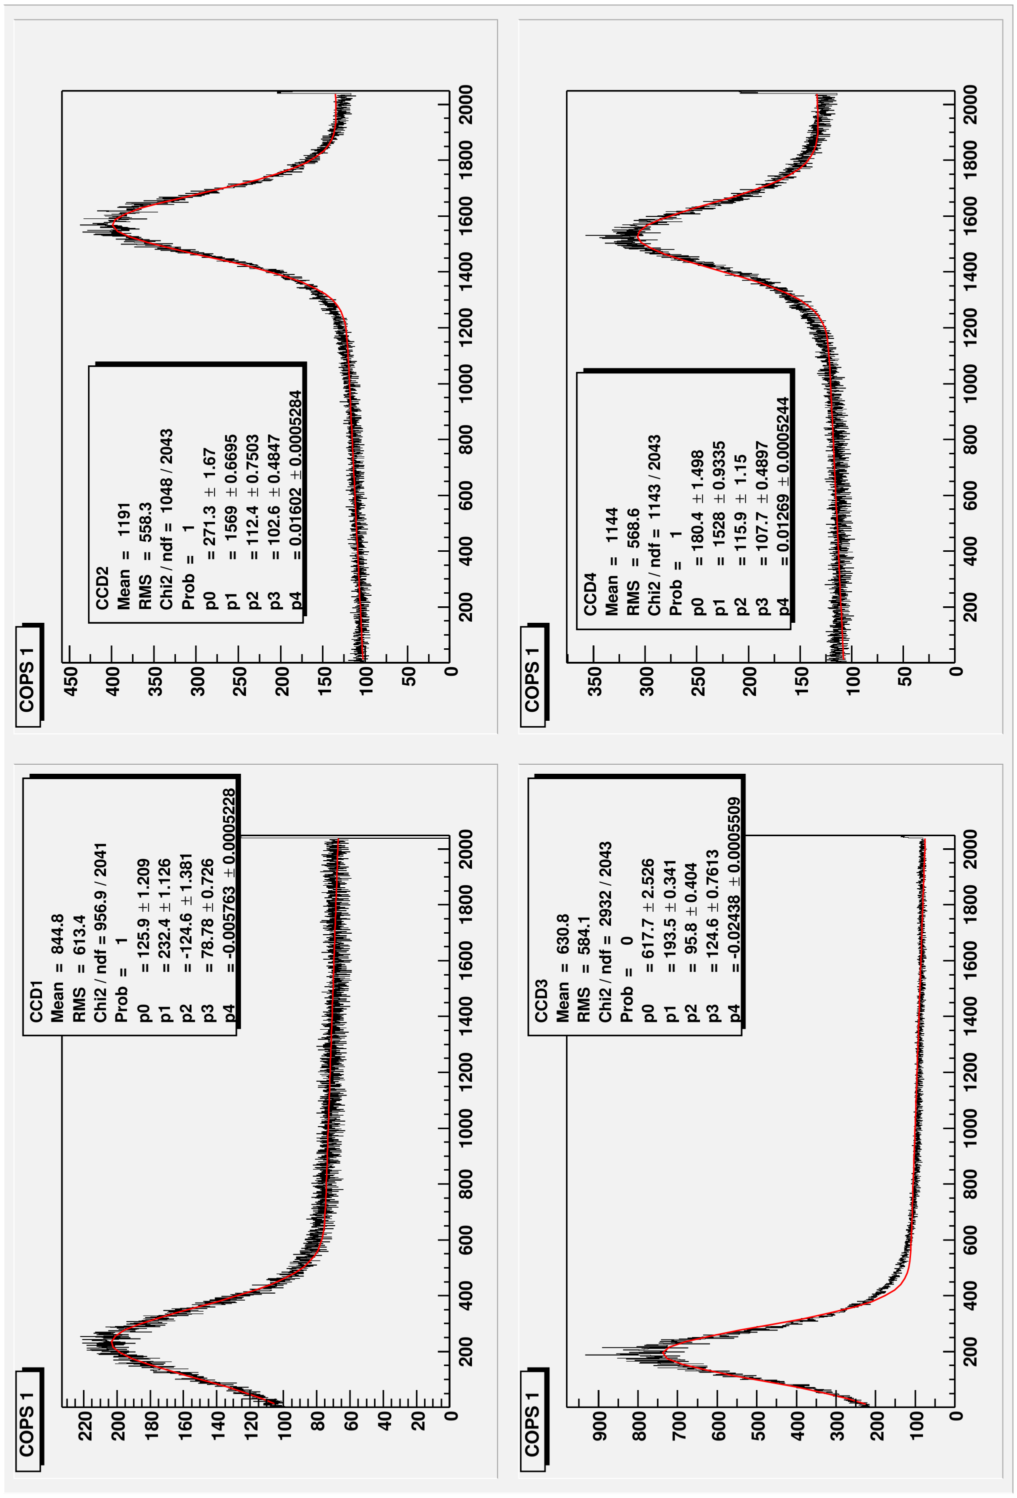

Figure 28: The 4 CCD profiles of et0 from run 514 (taken on Sept. 24 2000). The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

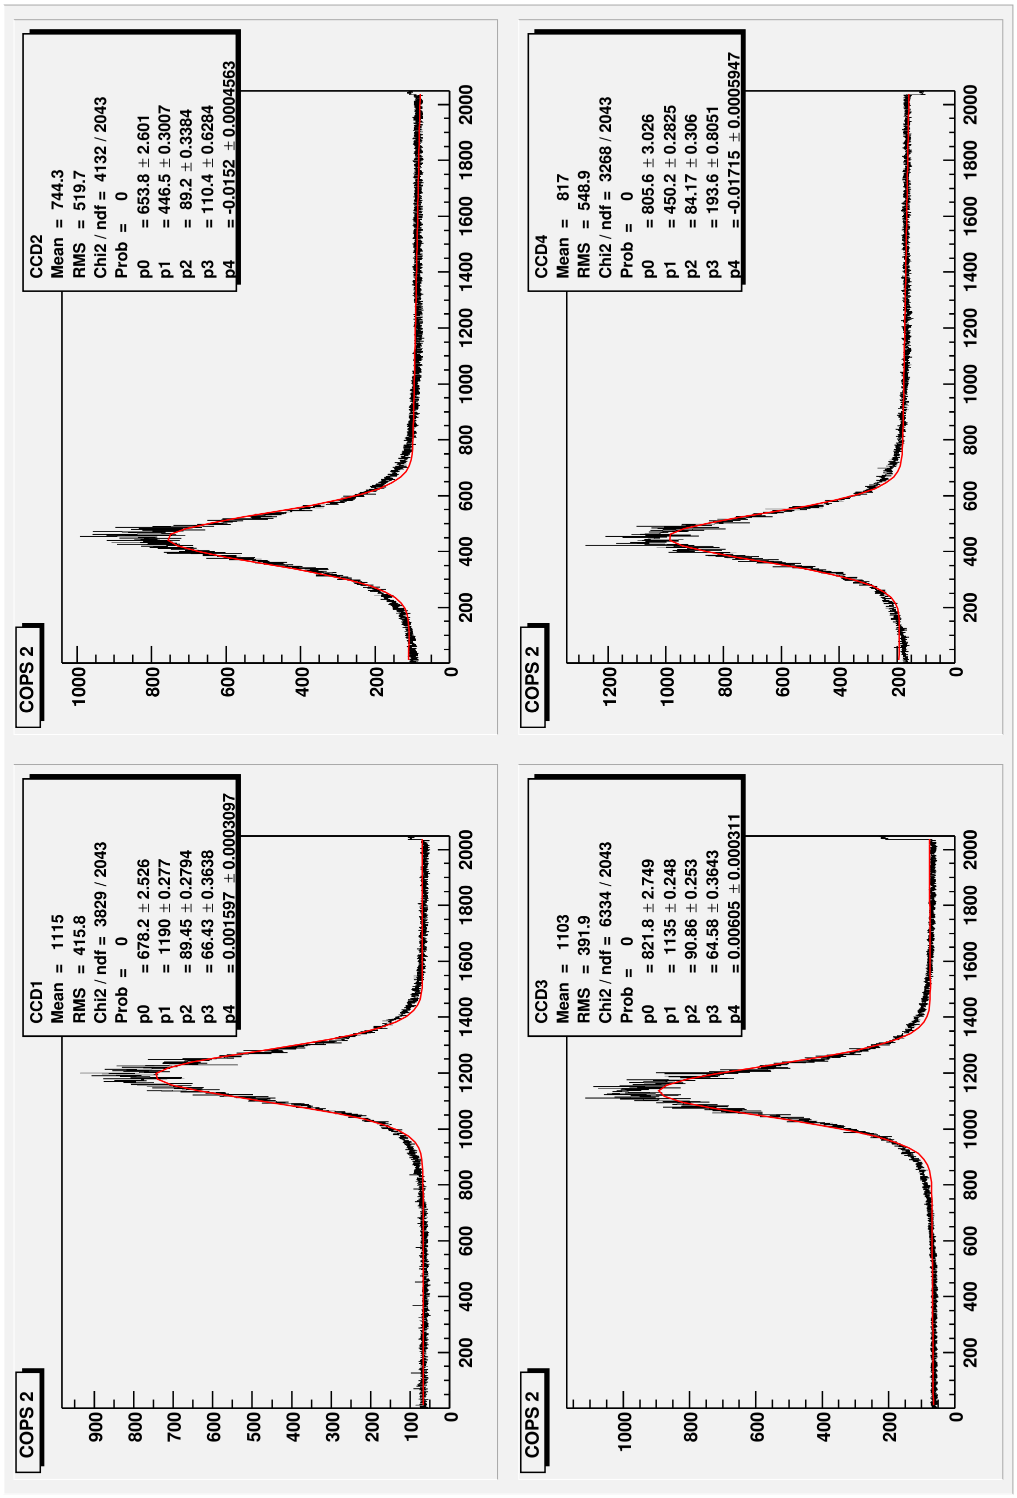

Figure 29: The 4 CCD profiles of et1 from run 514 (taken on Sept. 24 2000). The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

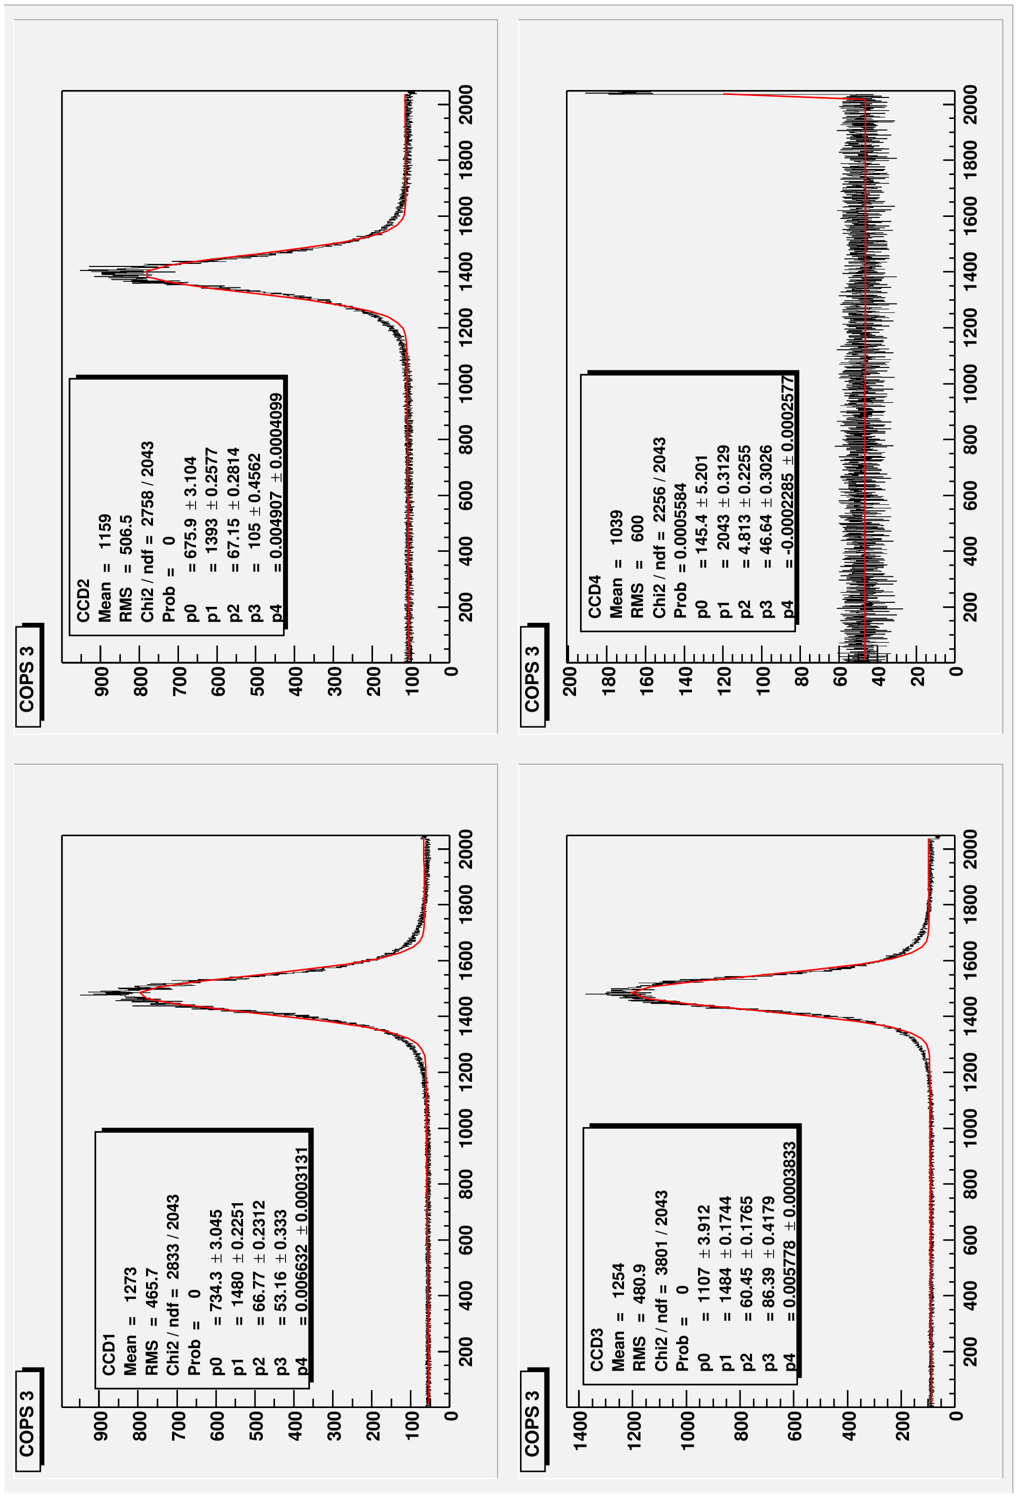

Figure 30: The 4 CCD profiles of et2 from run 514 (taken on Sept. 24 2000). The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

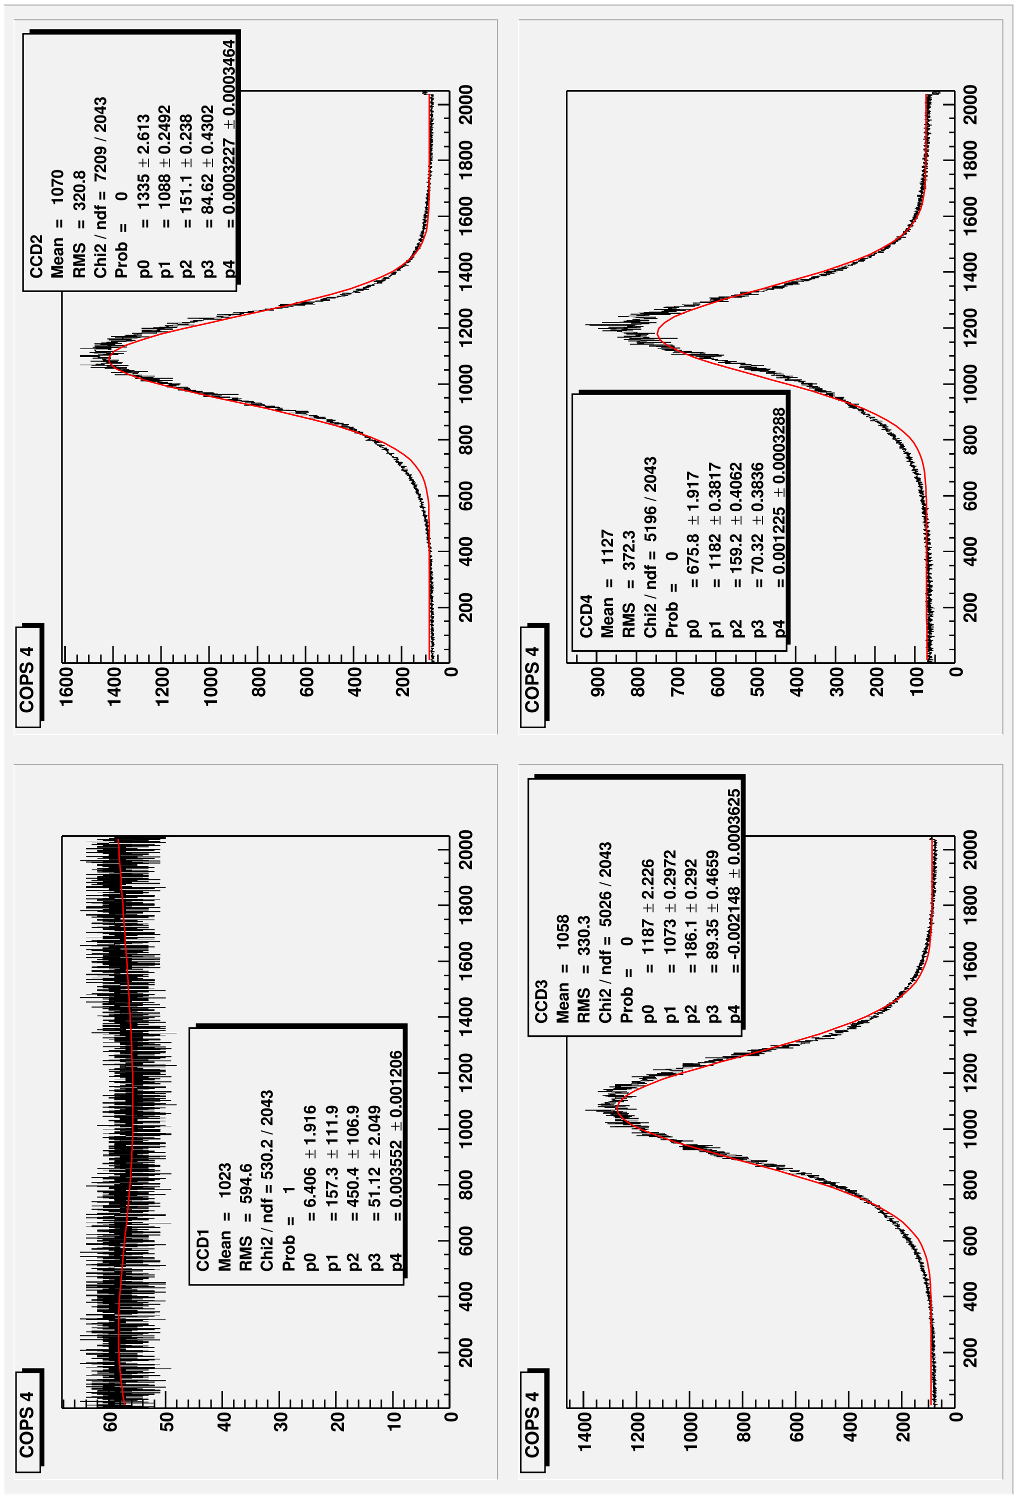

Figure 31: The 4 CCD profiles of et3 from run 514 (taken on Sept. 24 2000). The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

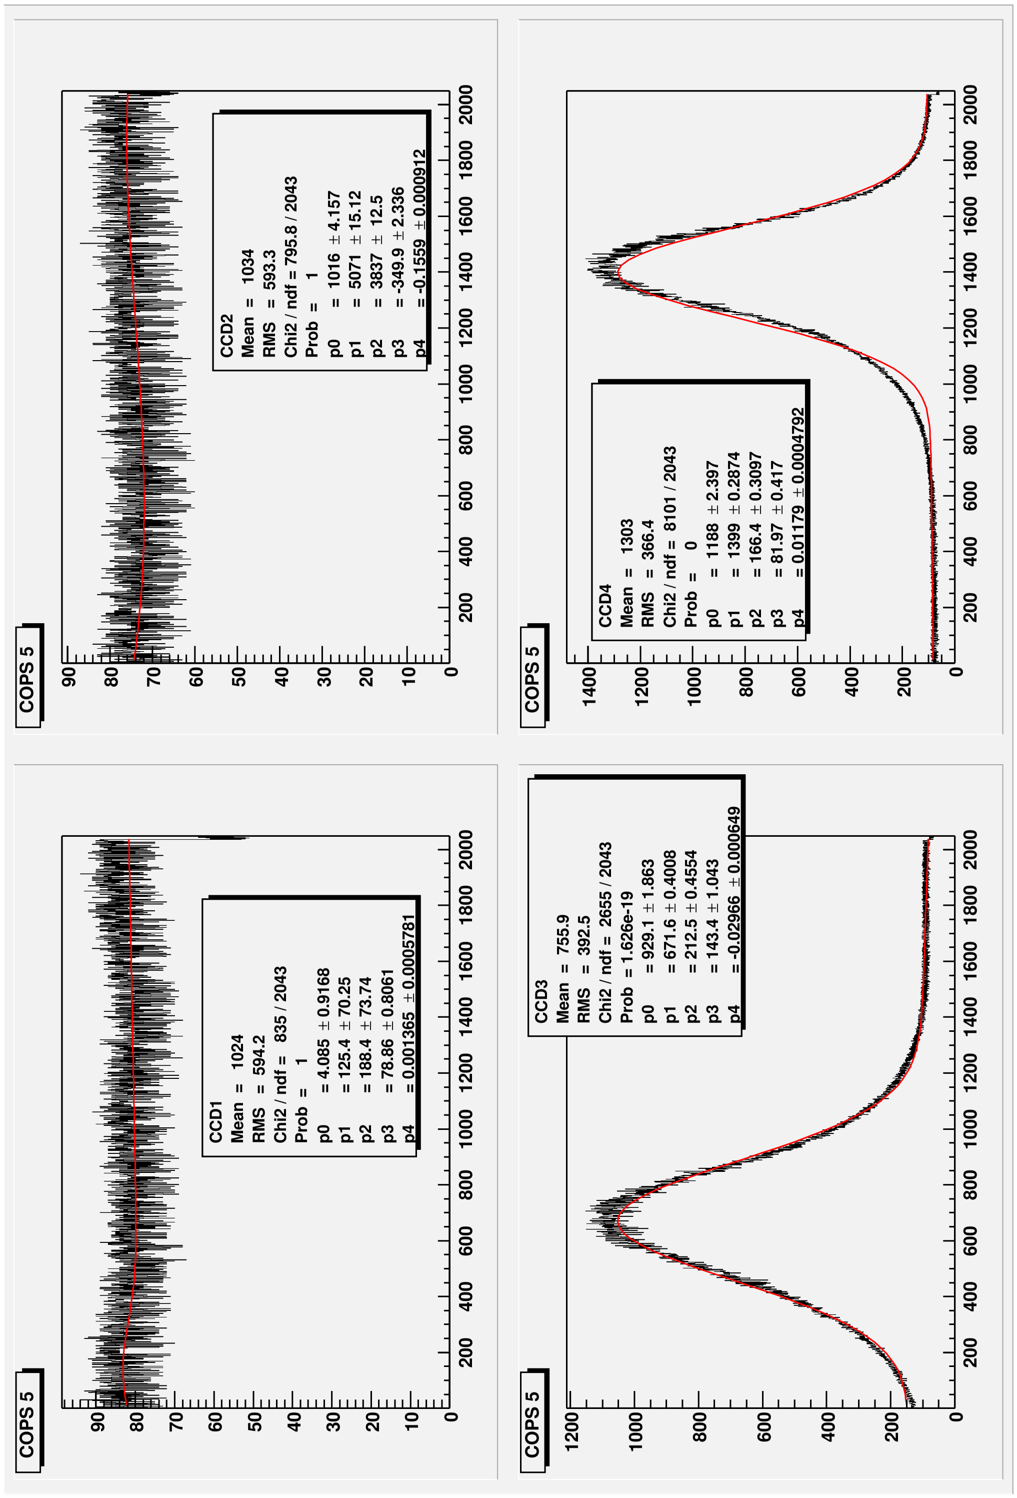

Figure 32: The 4 CCD profiles of et4 from run 514 (taken on Sept. 24 2000). The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

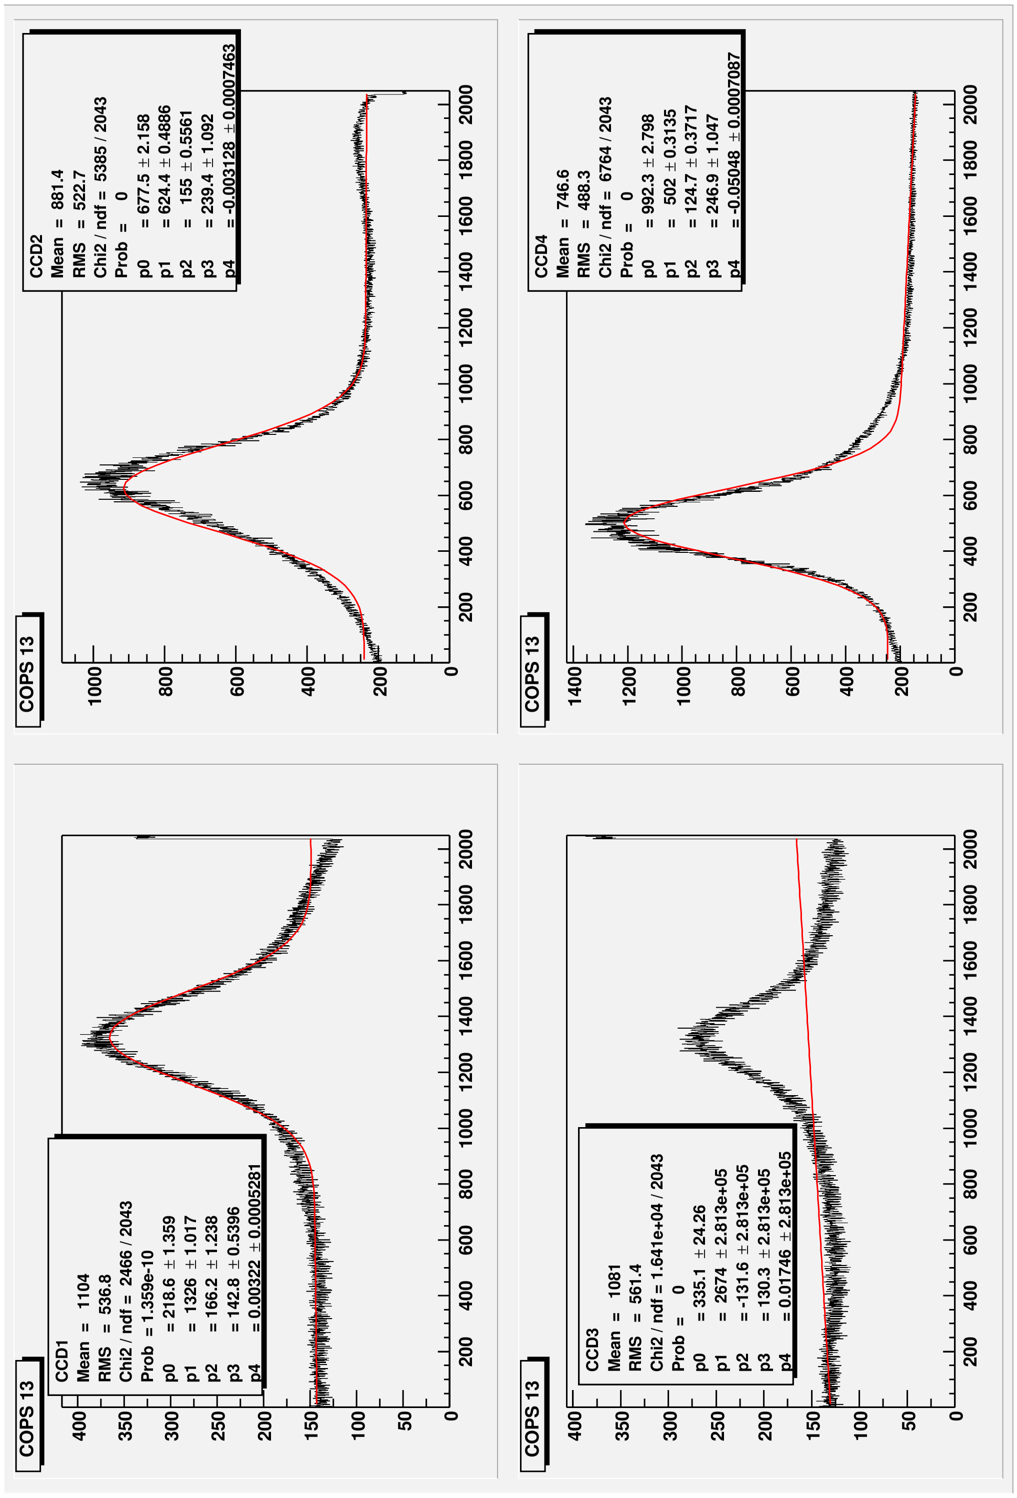

Figure 33: The 4 CCD profiles of es1 from run 514 (taken on Sept. 24 2000). The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

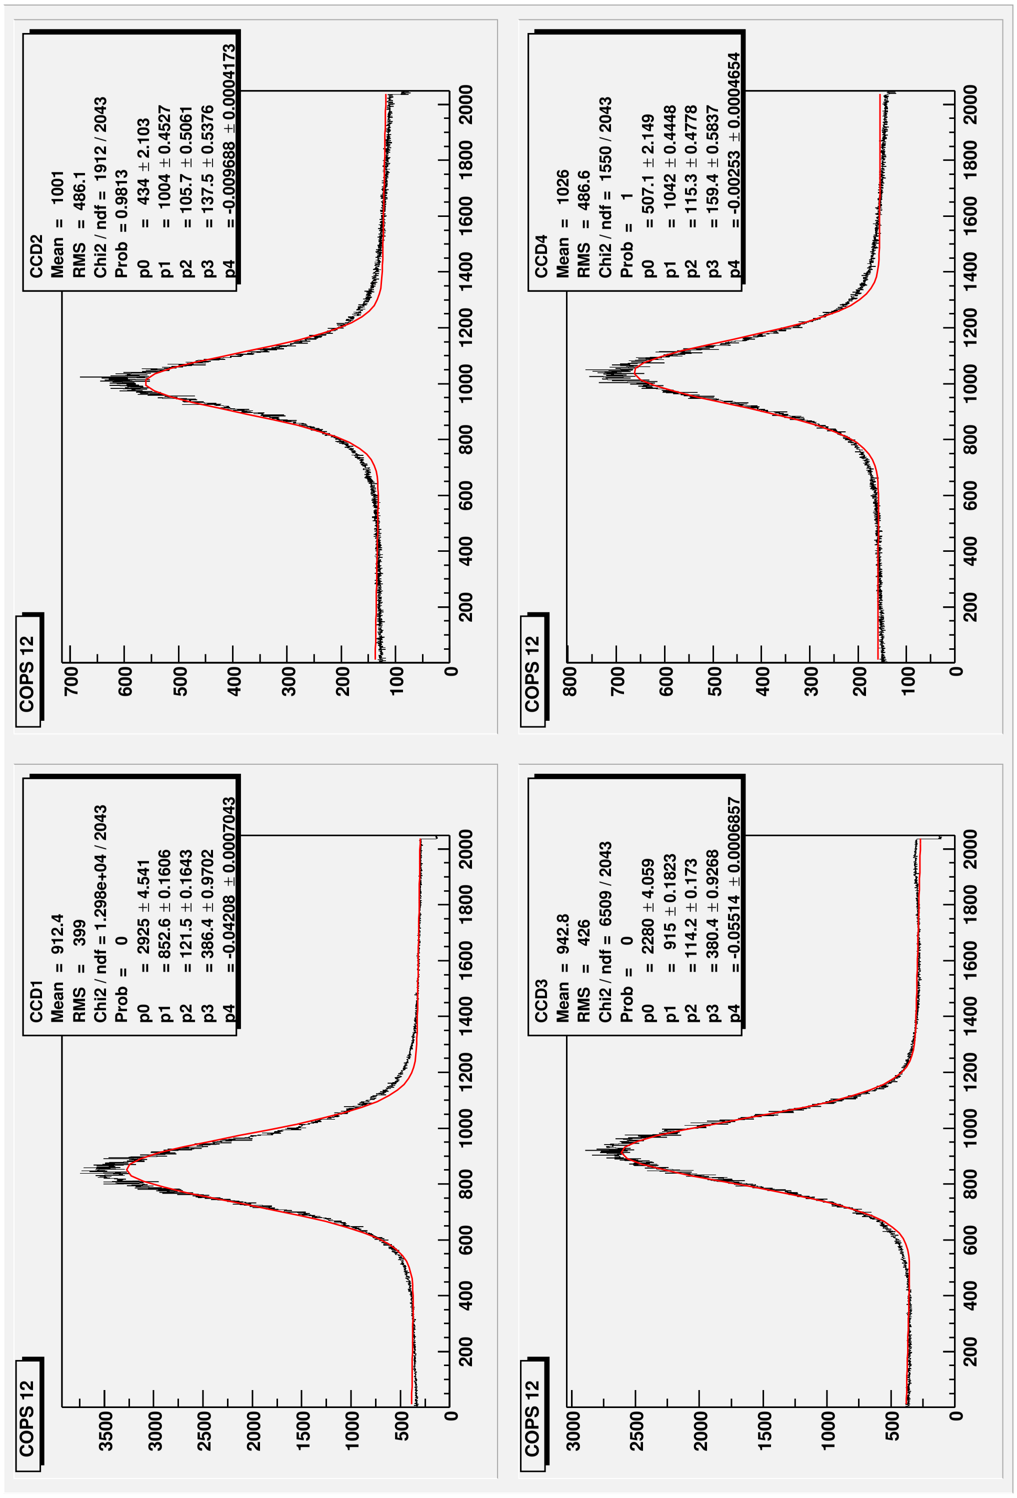

Figure 34: The 4 CCD profiles of es2 from run 514 (taken on Sept. 24 2000) with L302. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

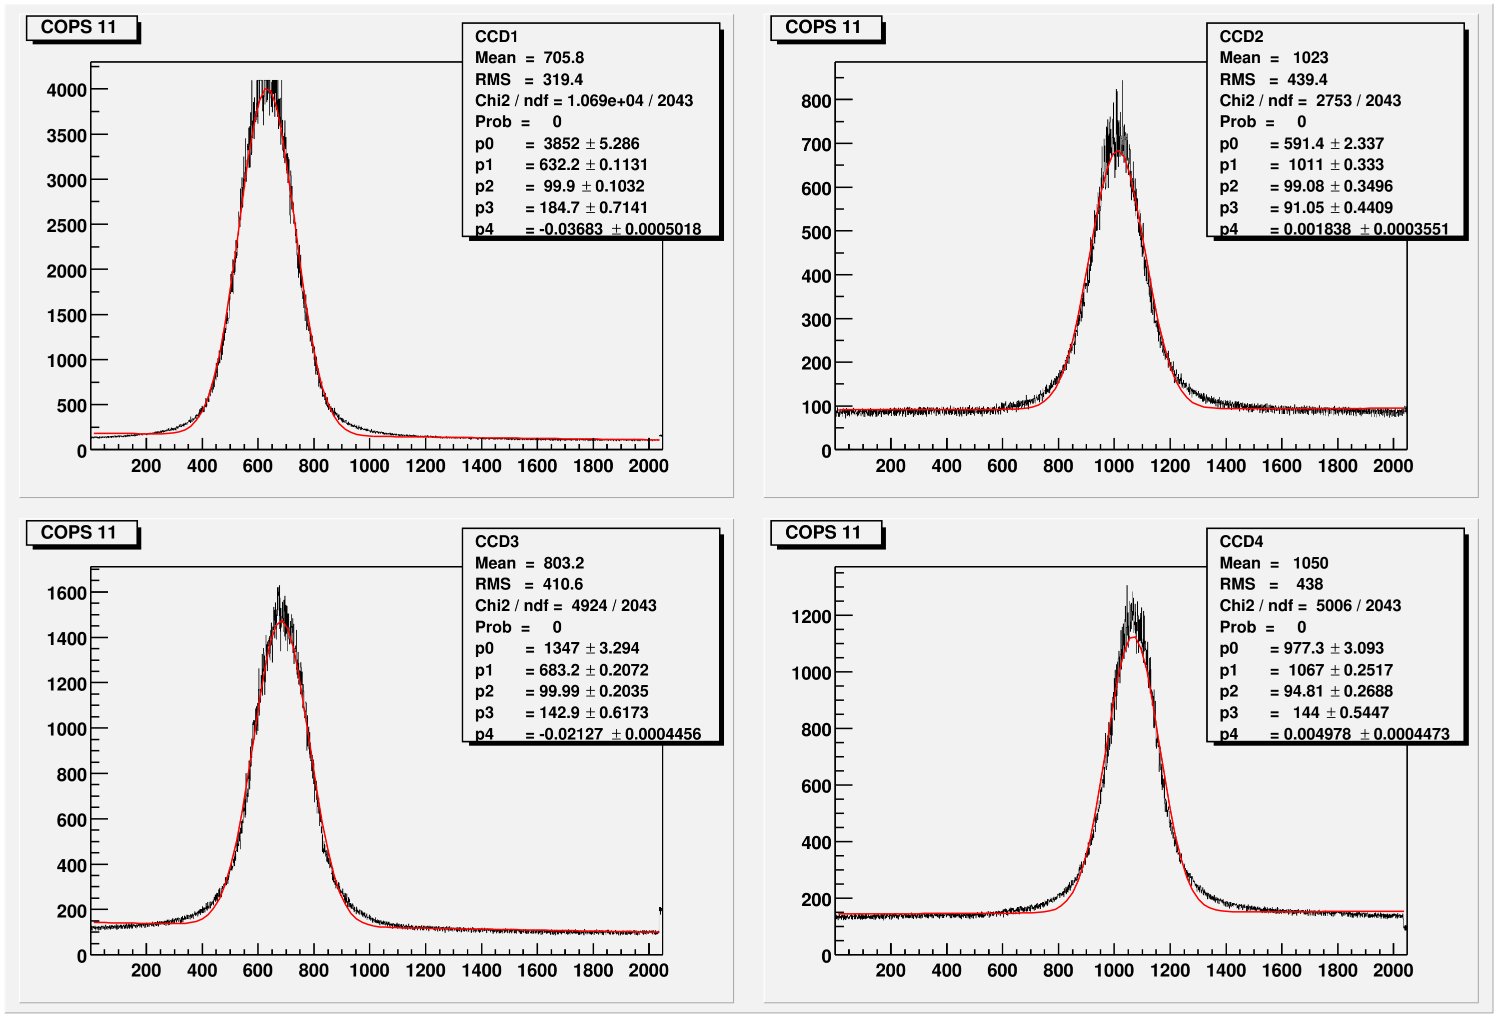

Figure 35: The 4 CCD profiles of es4 from run 514 (taken on Sept. 24 2000) with L302. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

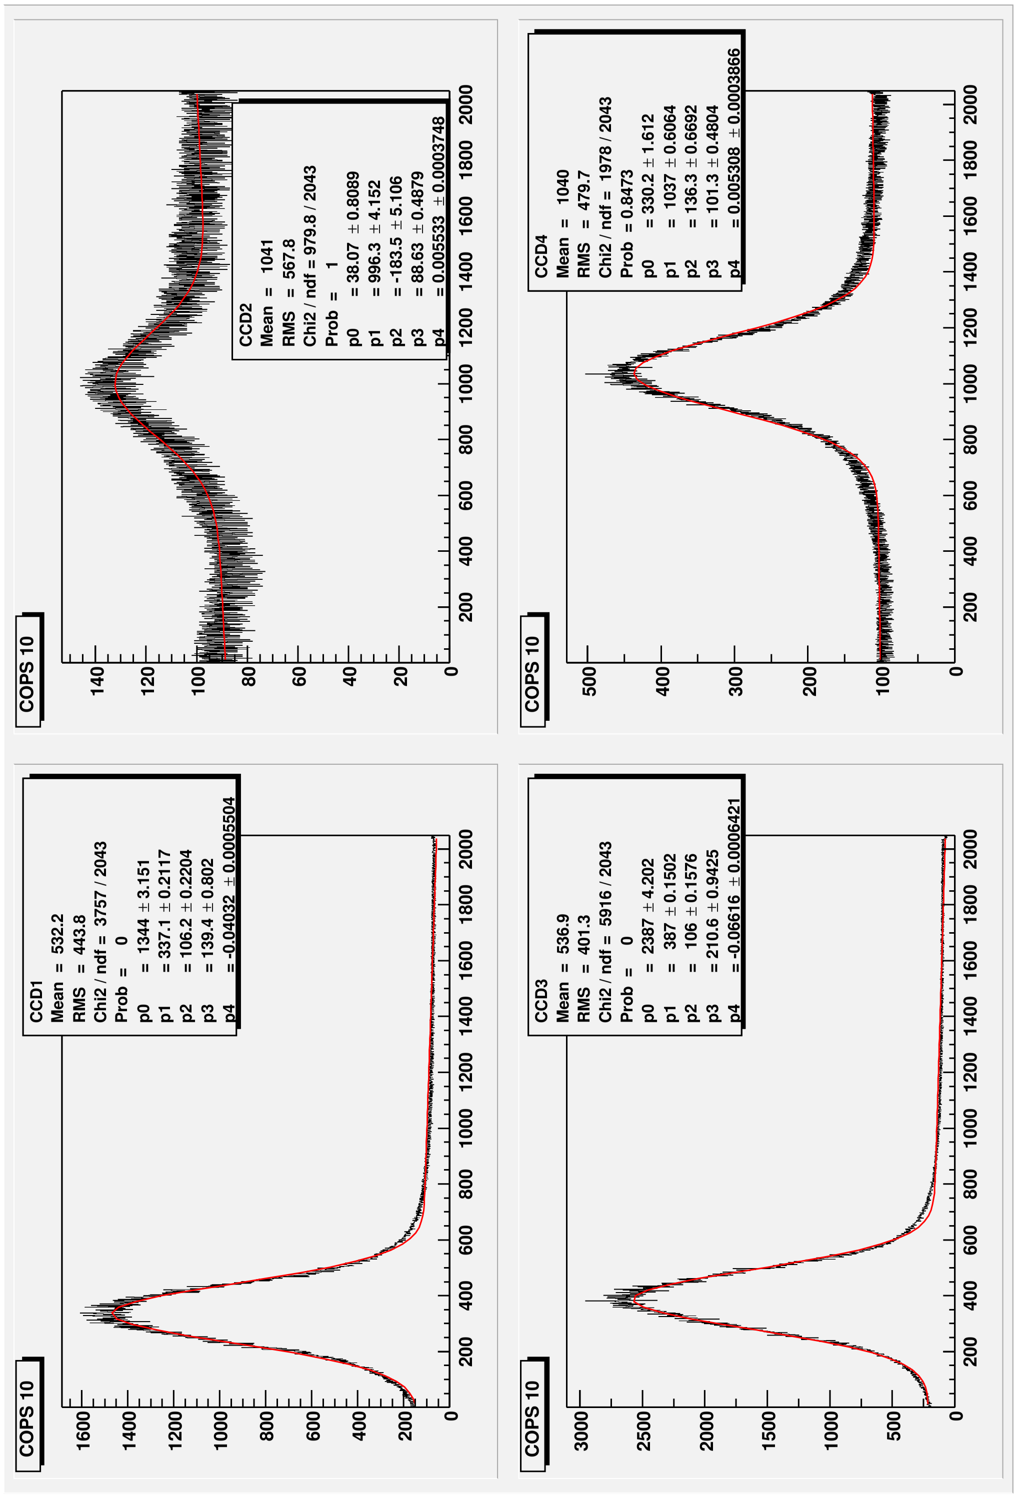

Figure 36: The 4 CCD profiles of es5 from run 514 (taken on Sept. 24 2000) with L302. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

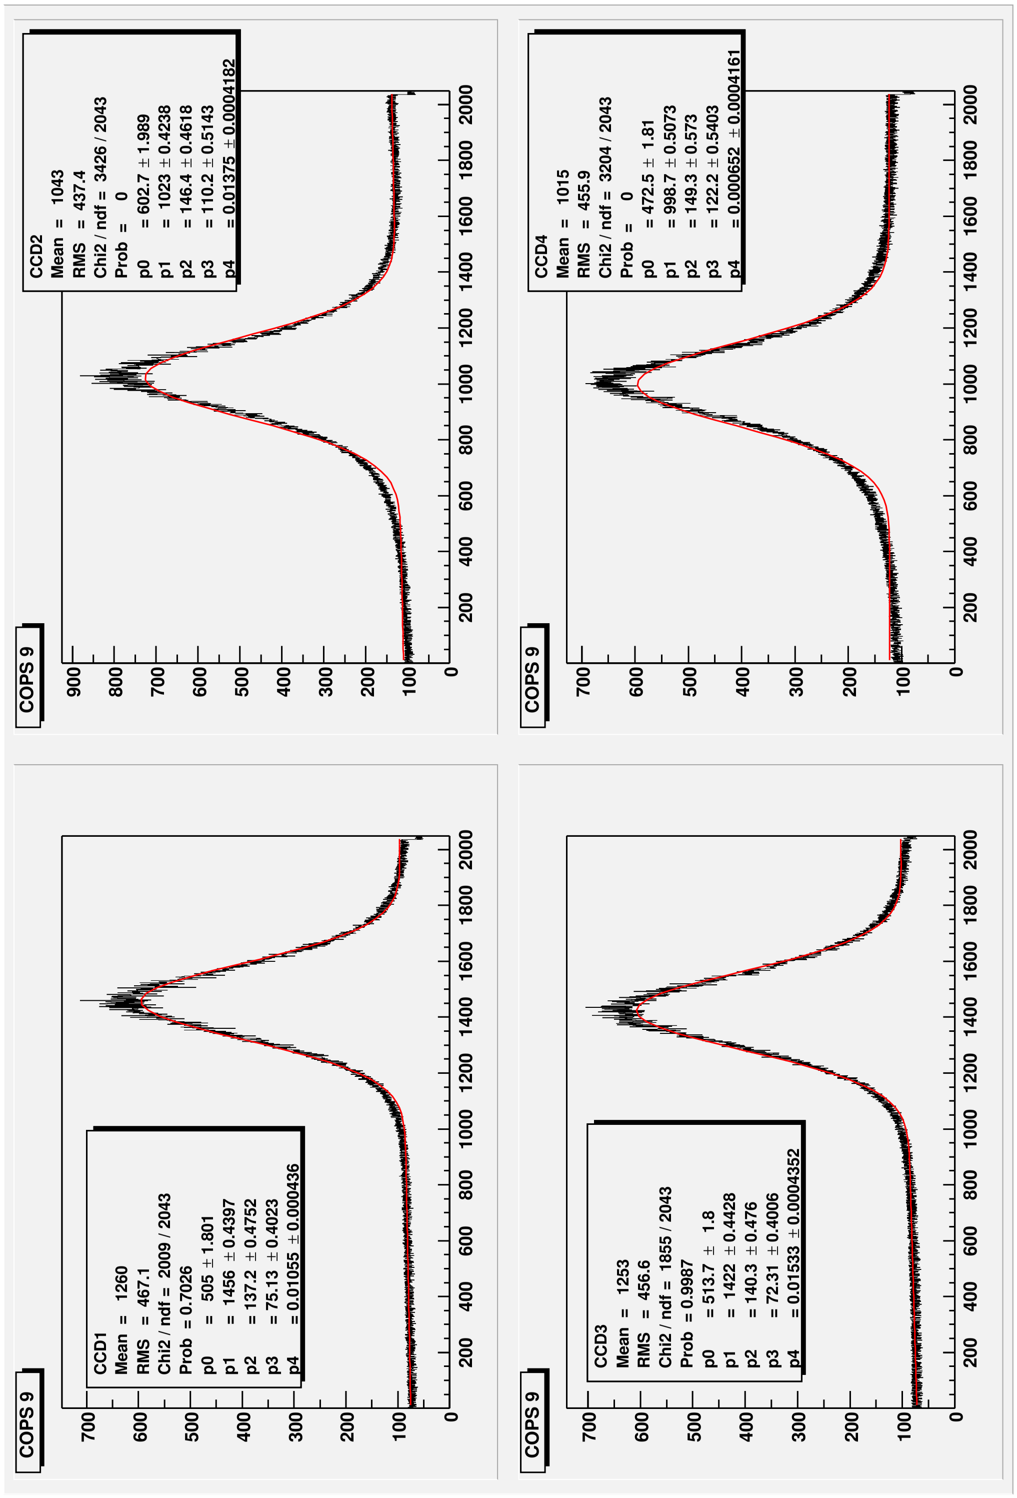

Figure 37: The 4 CCD profiles of es6 from run 514 (taken on Sept. 24 2000) with L302. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

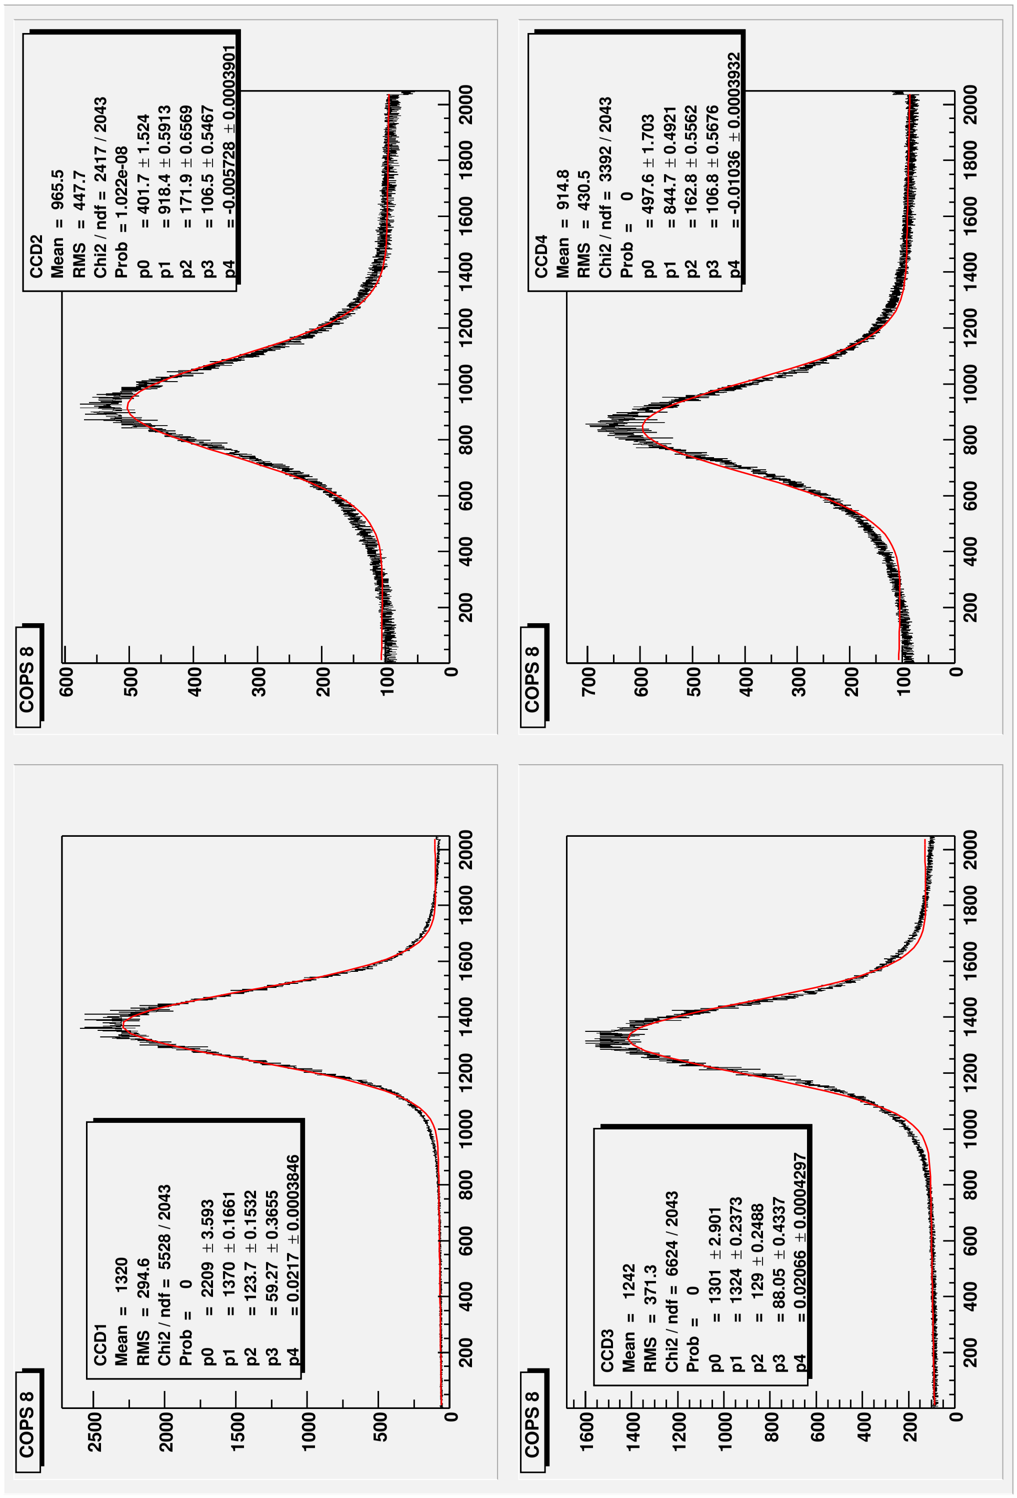

Figure 38: The 4 CCD profiles of es7 from run 514 (taken on Sept. 24 2000) with L302. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

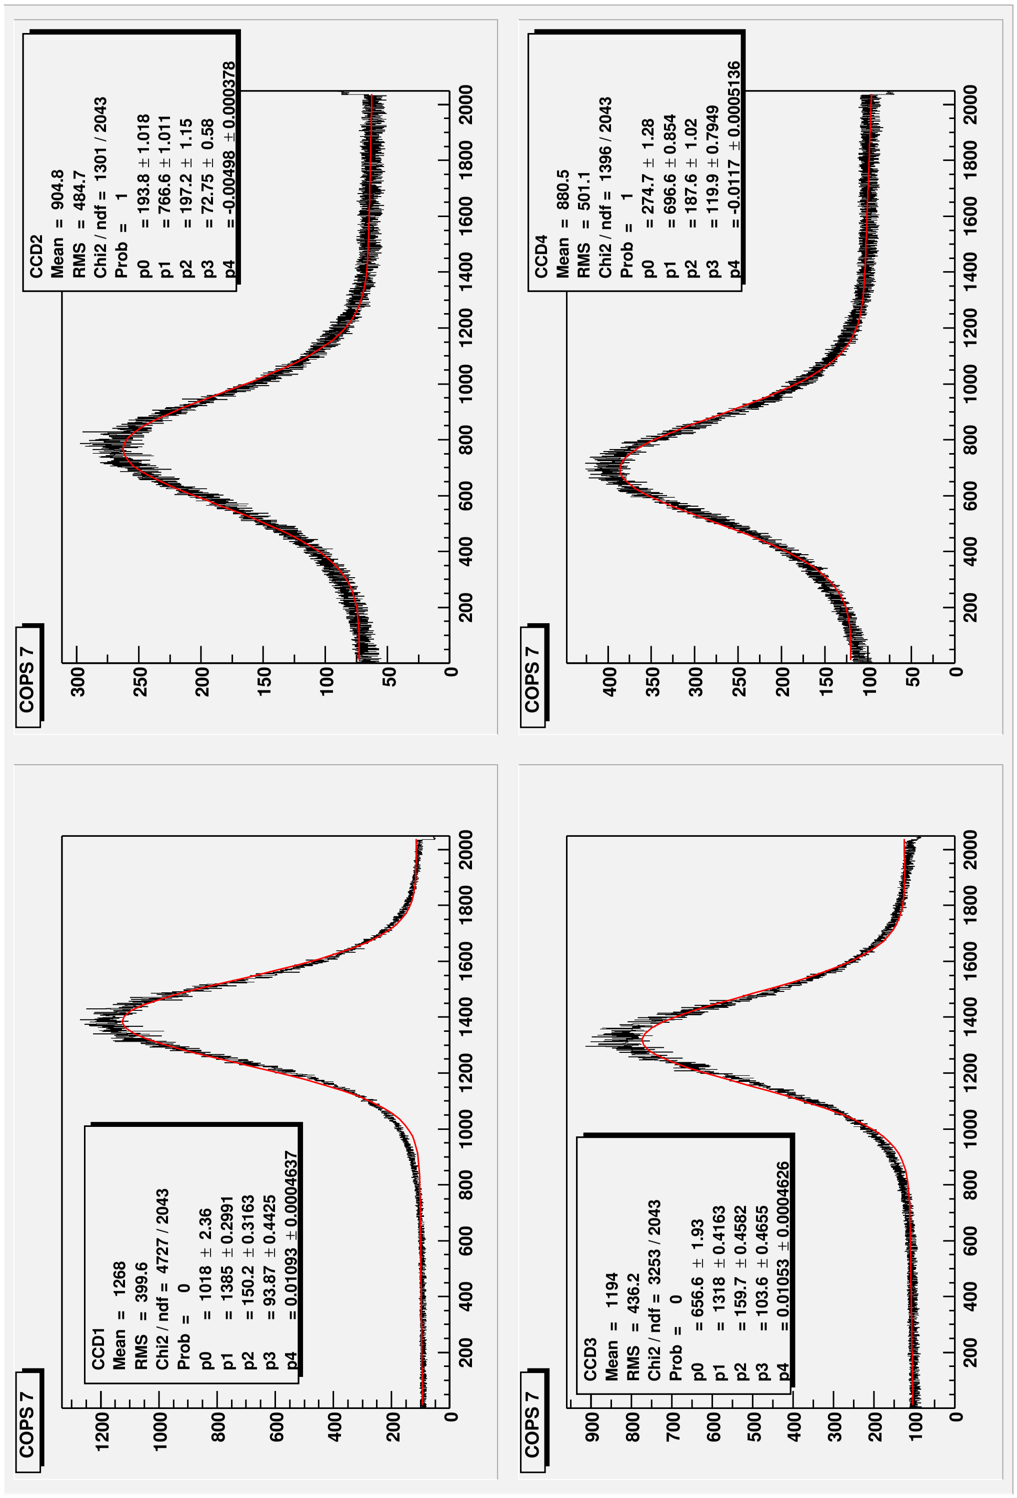

Figure 39: The 4 CCD profiles of es9 from run 514 (taken on Sept. 24 2000) with L302. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

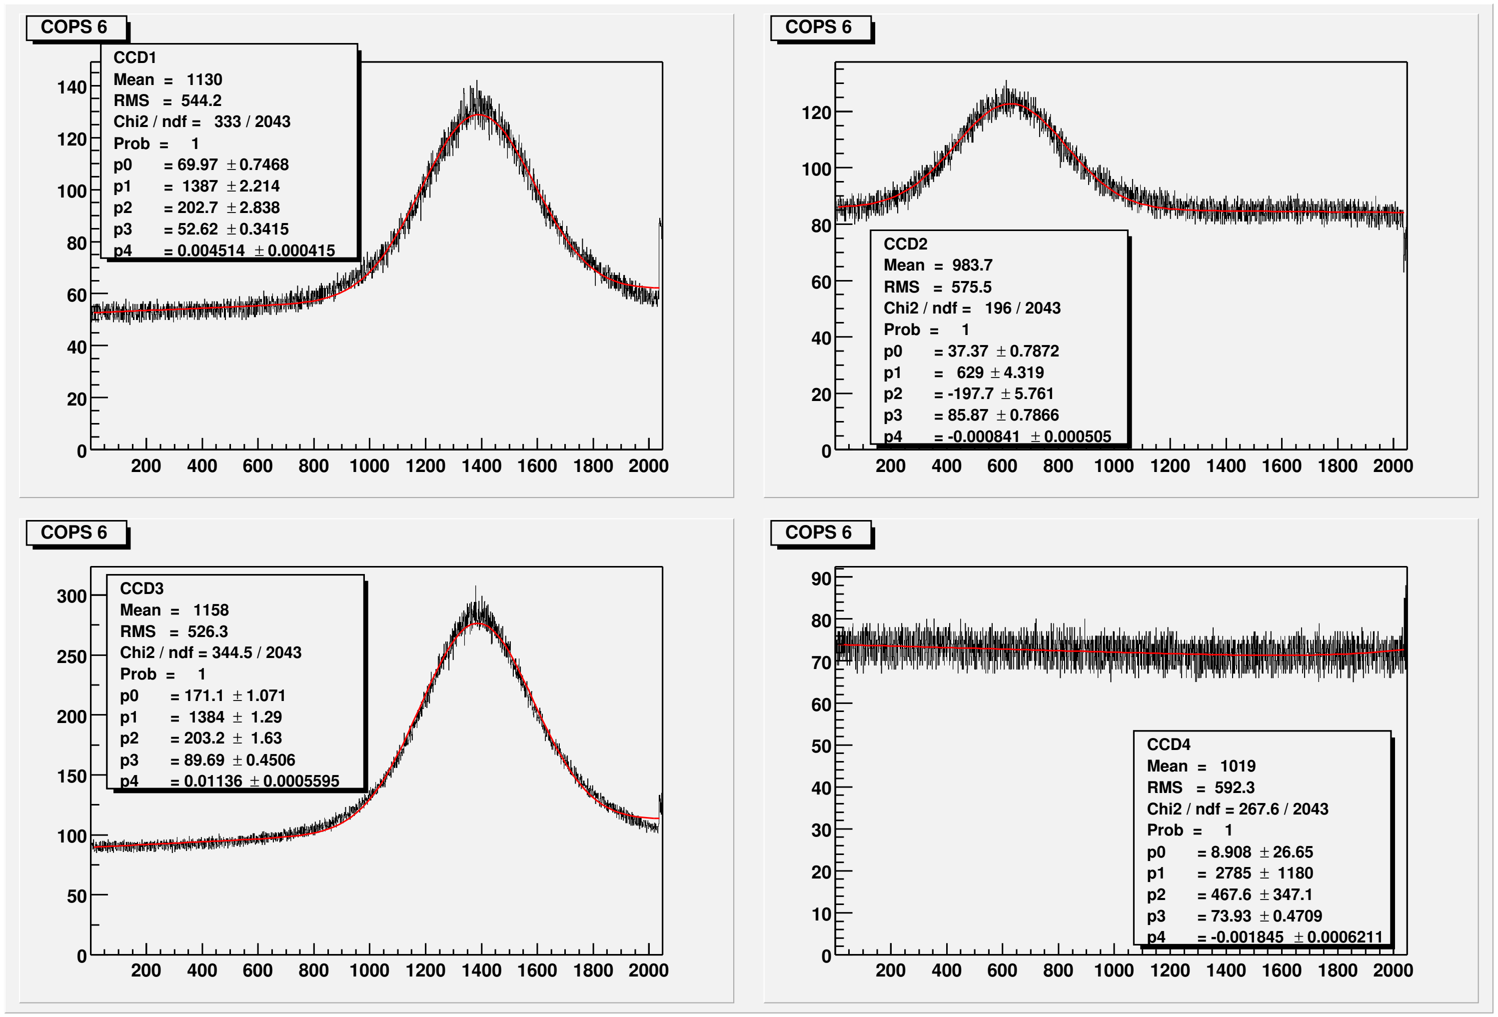

Figure 40: The 4 CCD profiles of es10 from run 514 (taken on Sept. 24 2000) with L302. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

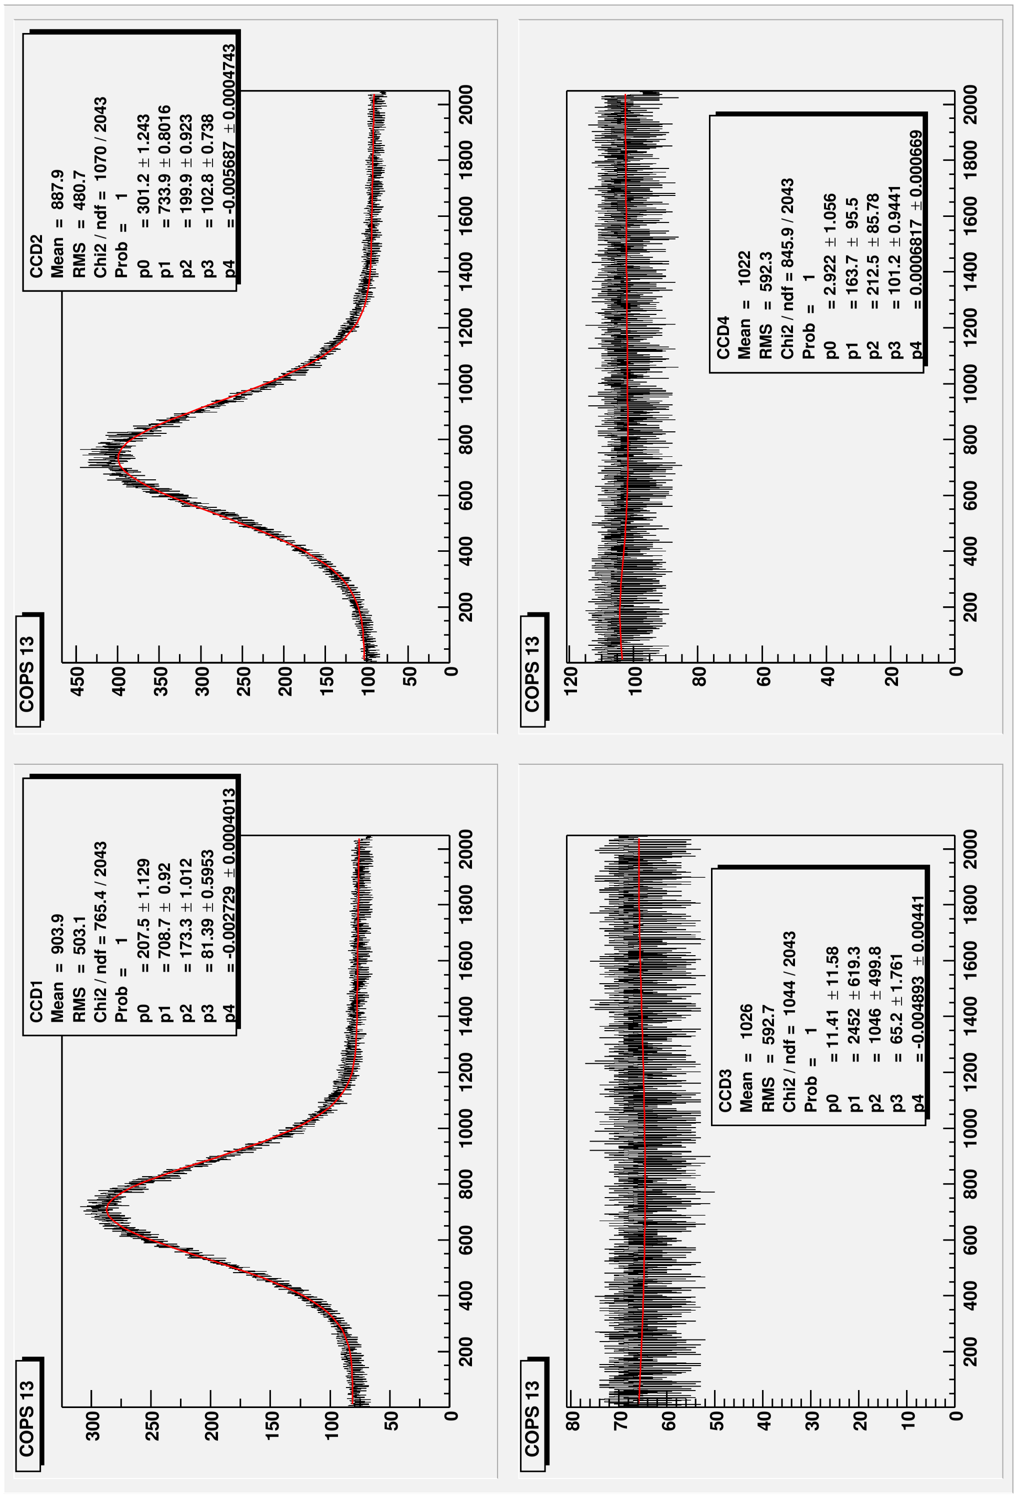

Figure 41: The 4 CCD profiles of es1 from run 514 (taken on Sept. 24 2000) with L303. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

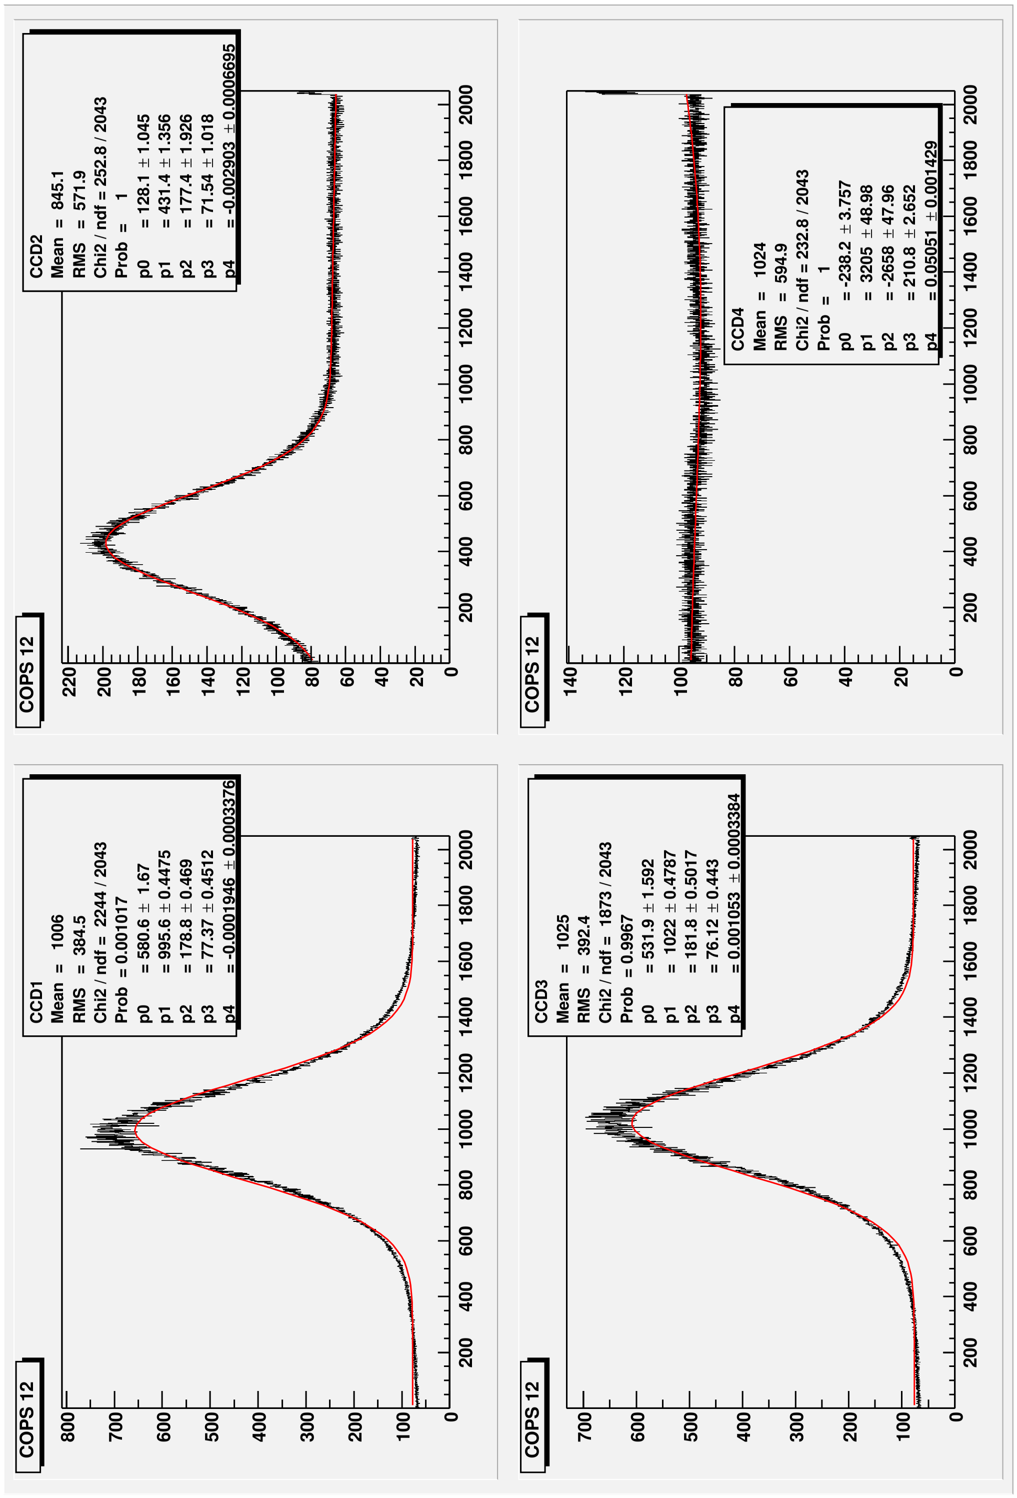

Figure 42: The 4 CCD profiles of es2 from run 514 (taken on Sept. 24 2000) with L303. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

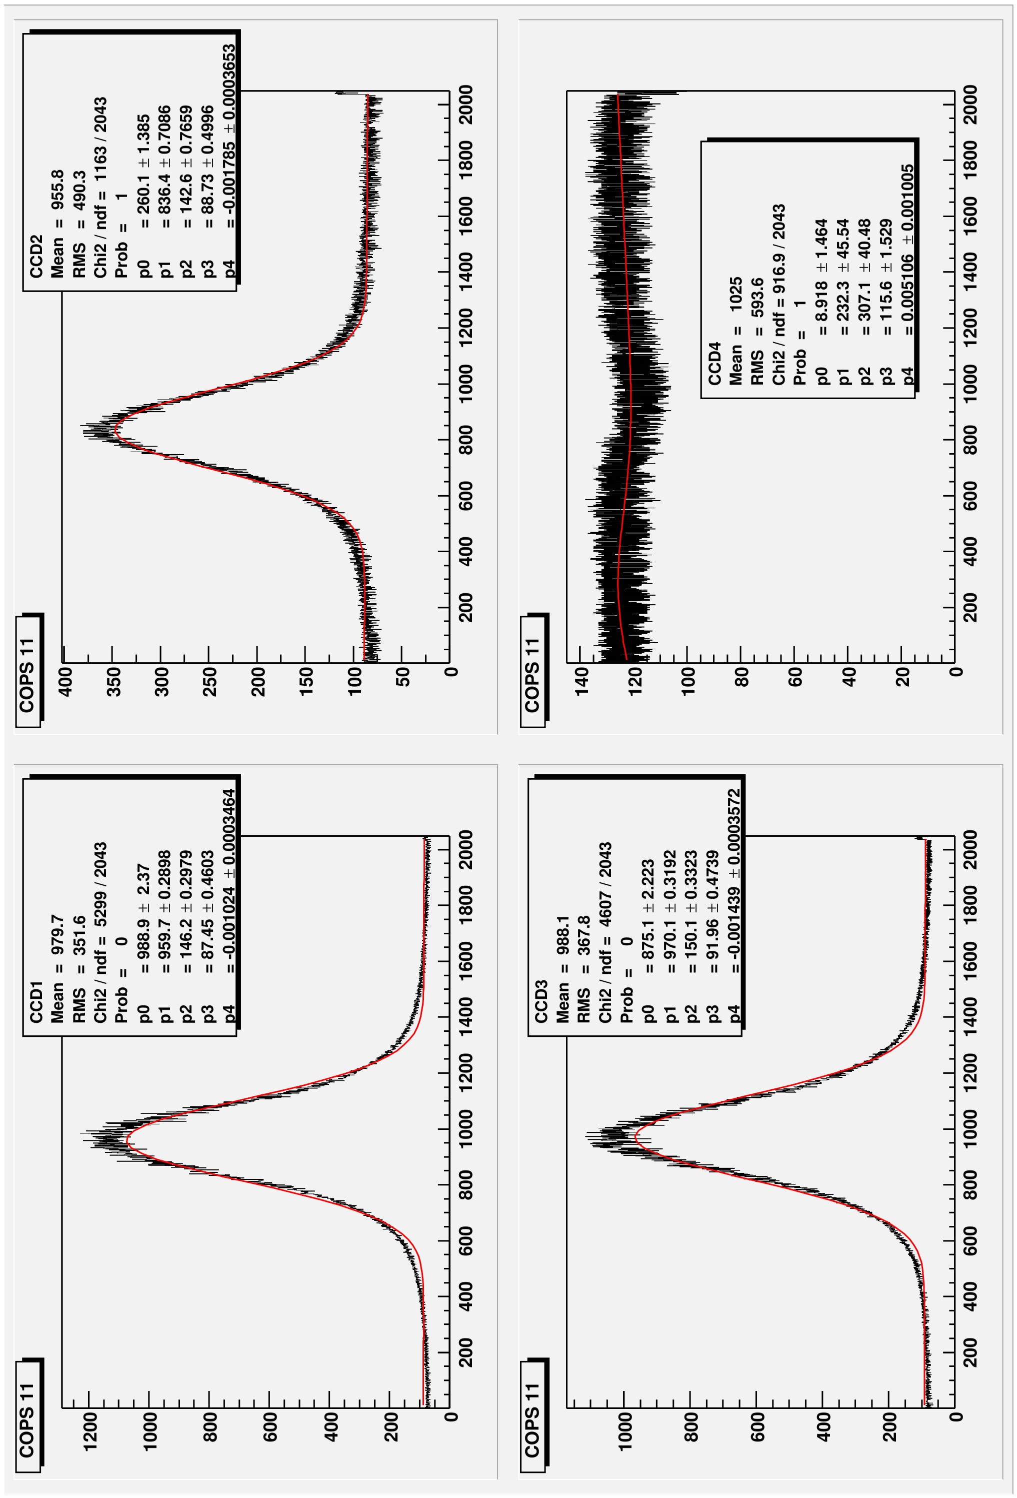

Figure 43: The 4 CCD profiles of es4 from run 514 (taken on Sept. 24 2000) with L303. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

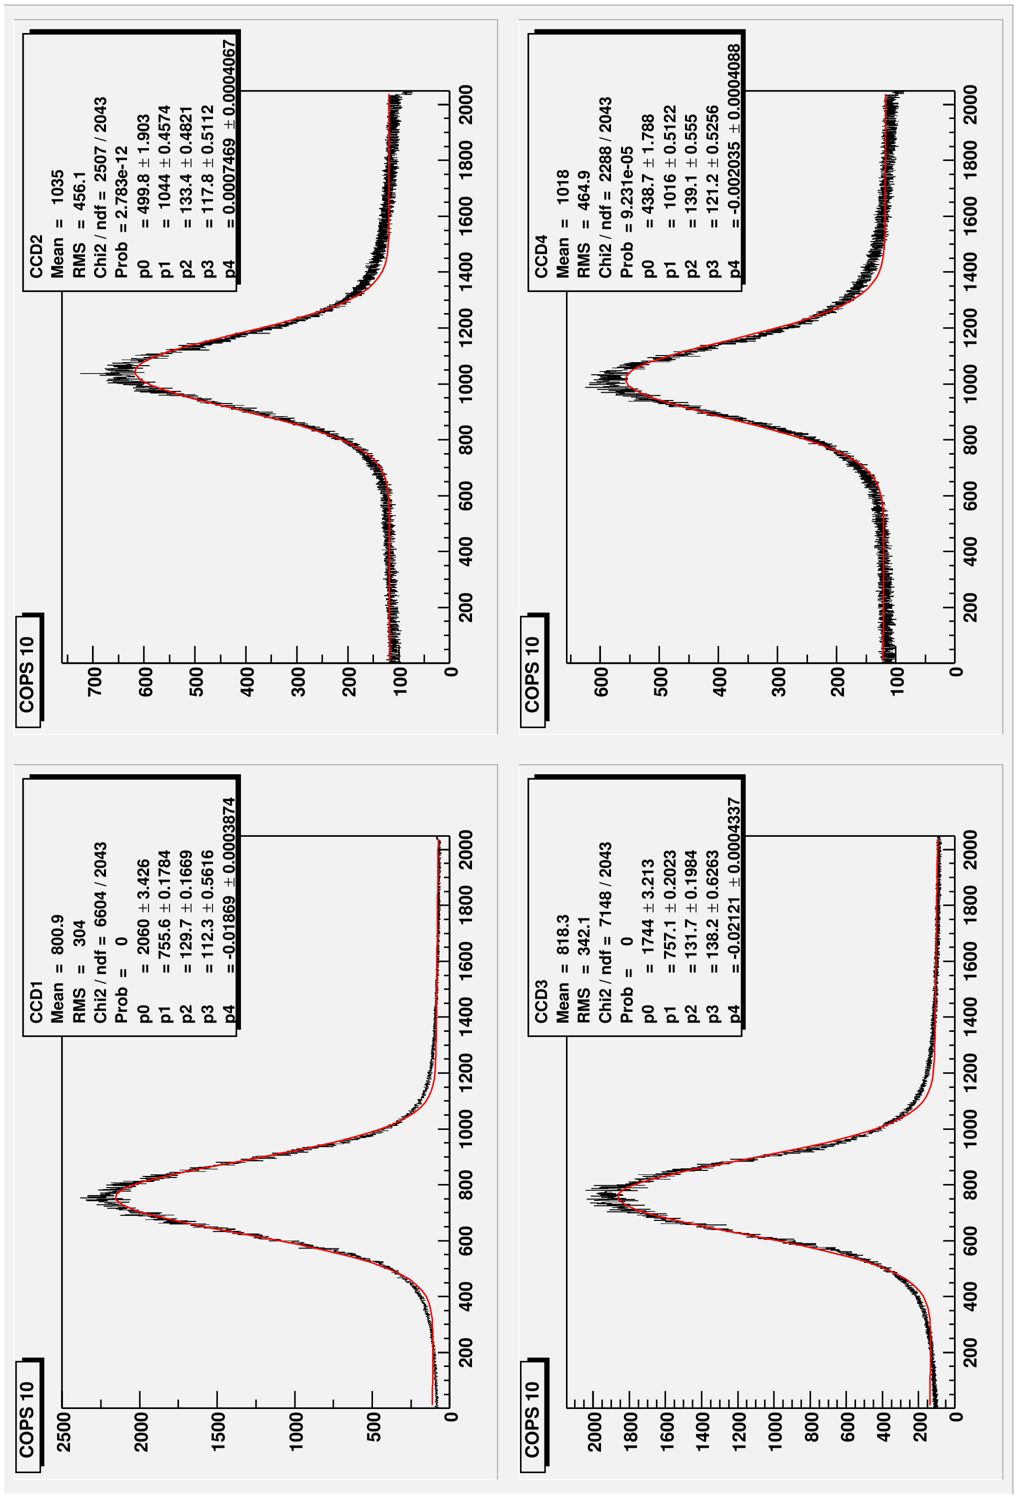

Figure 44: The 4 CCD profiles of es5 from run 514 (taken on Sept. 24 2000) with L303. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

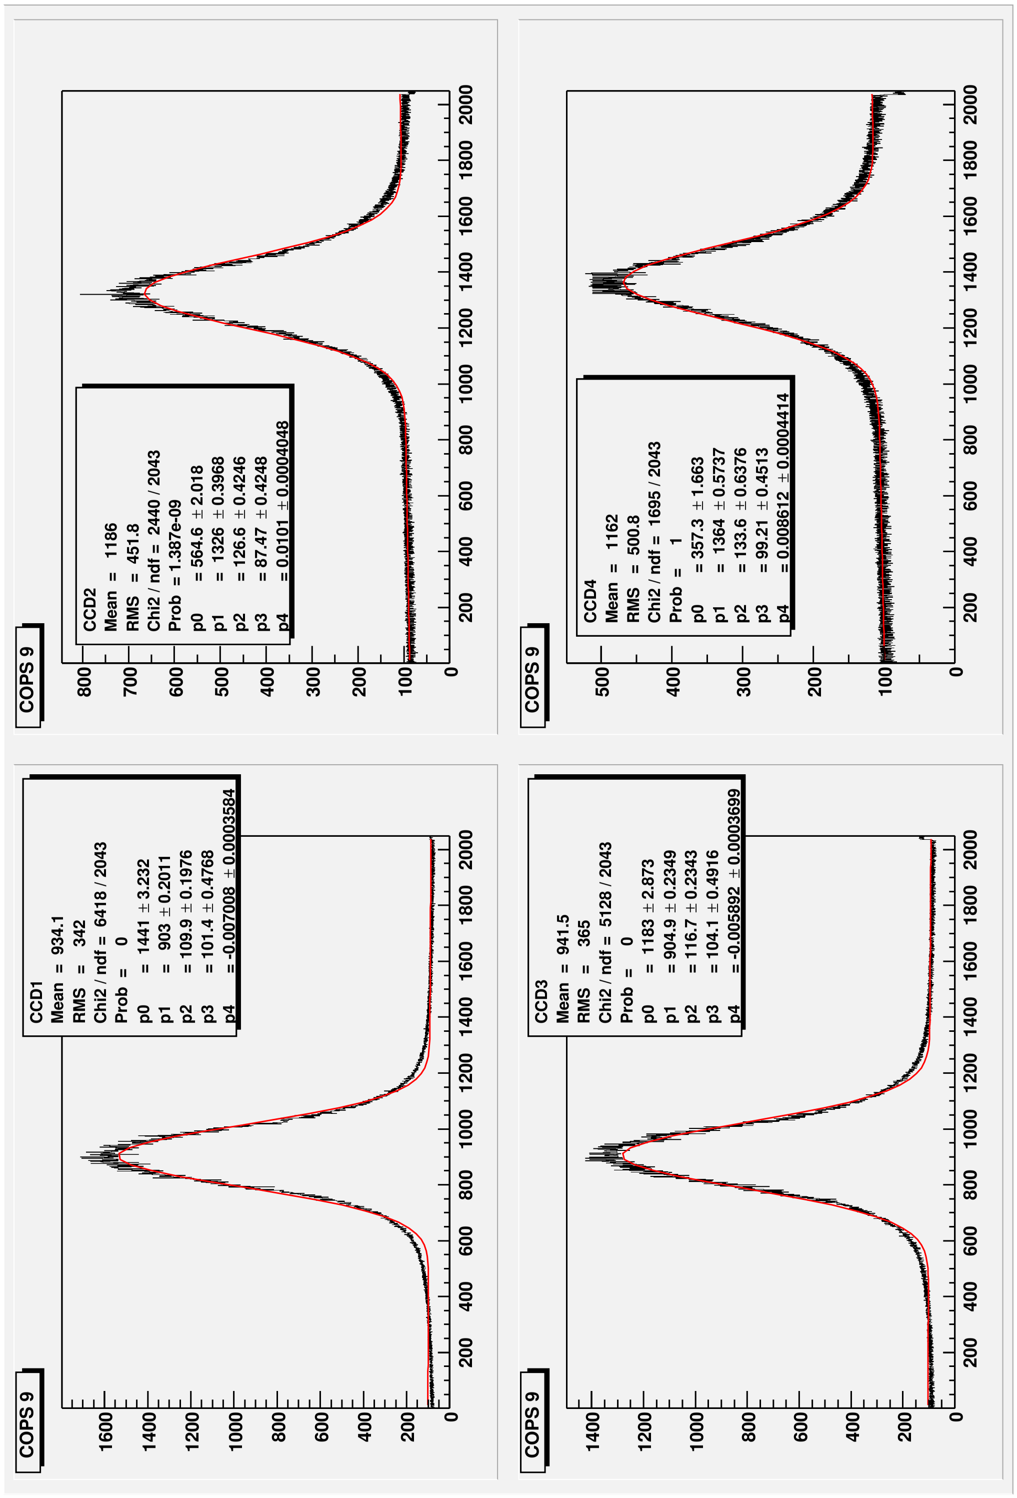

Figure 45: The 4 CCD profiles of es6 from run 514 (taken on Sept. 24 2000) with L303. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

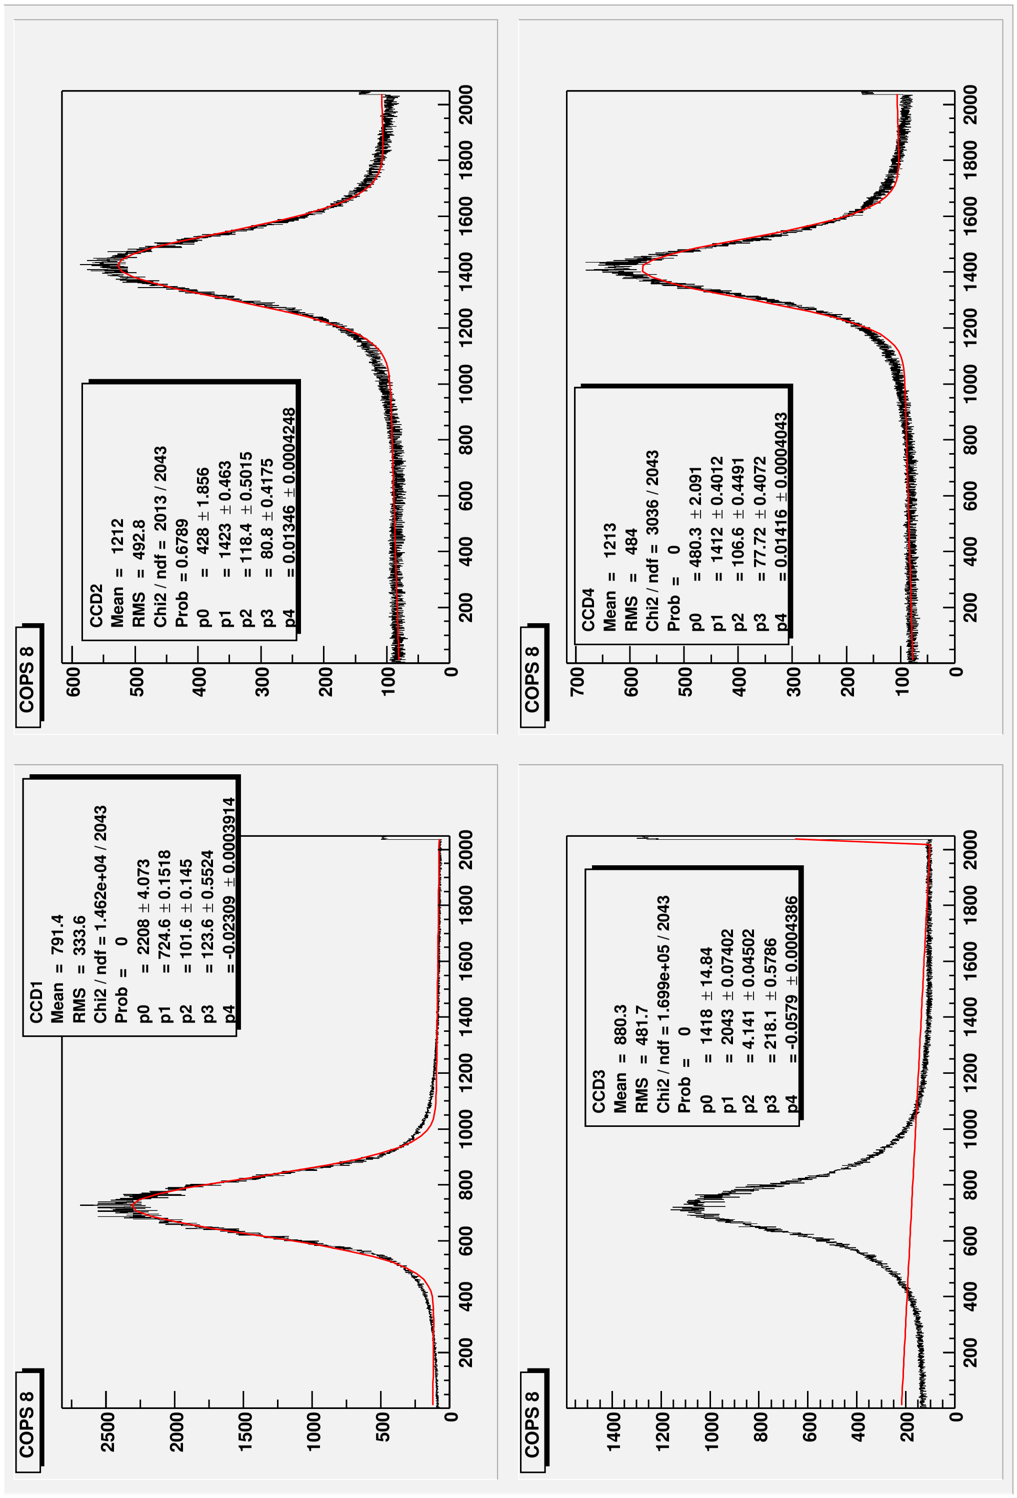

Figure 46: The 4 CCD profiles of es7 from run 514 (taken on Sept. 24 2000) with L303. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

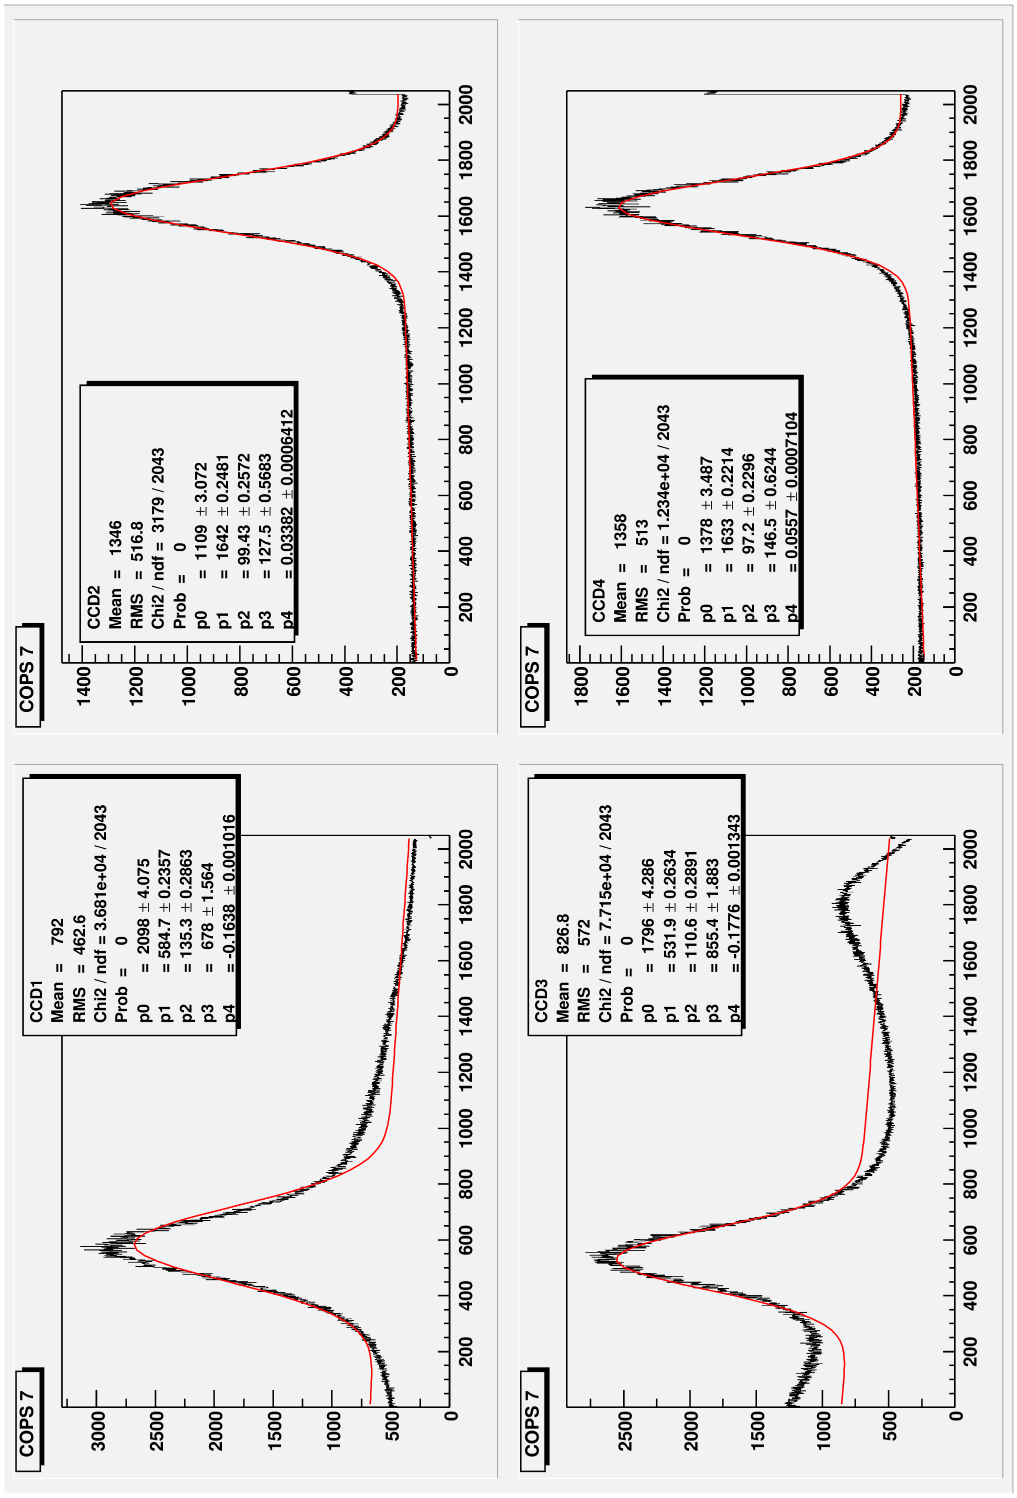

Figure 47: The 4 CCD profiles of es9 from run 514 (taken on Sept. 24 2000) with L303. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.

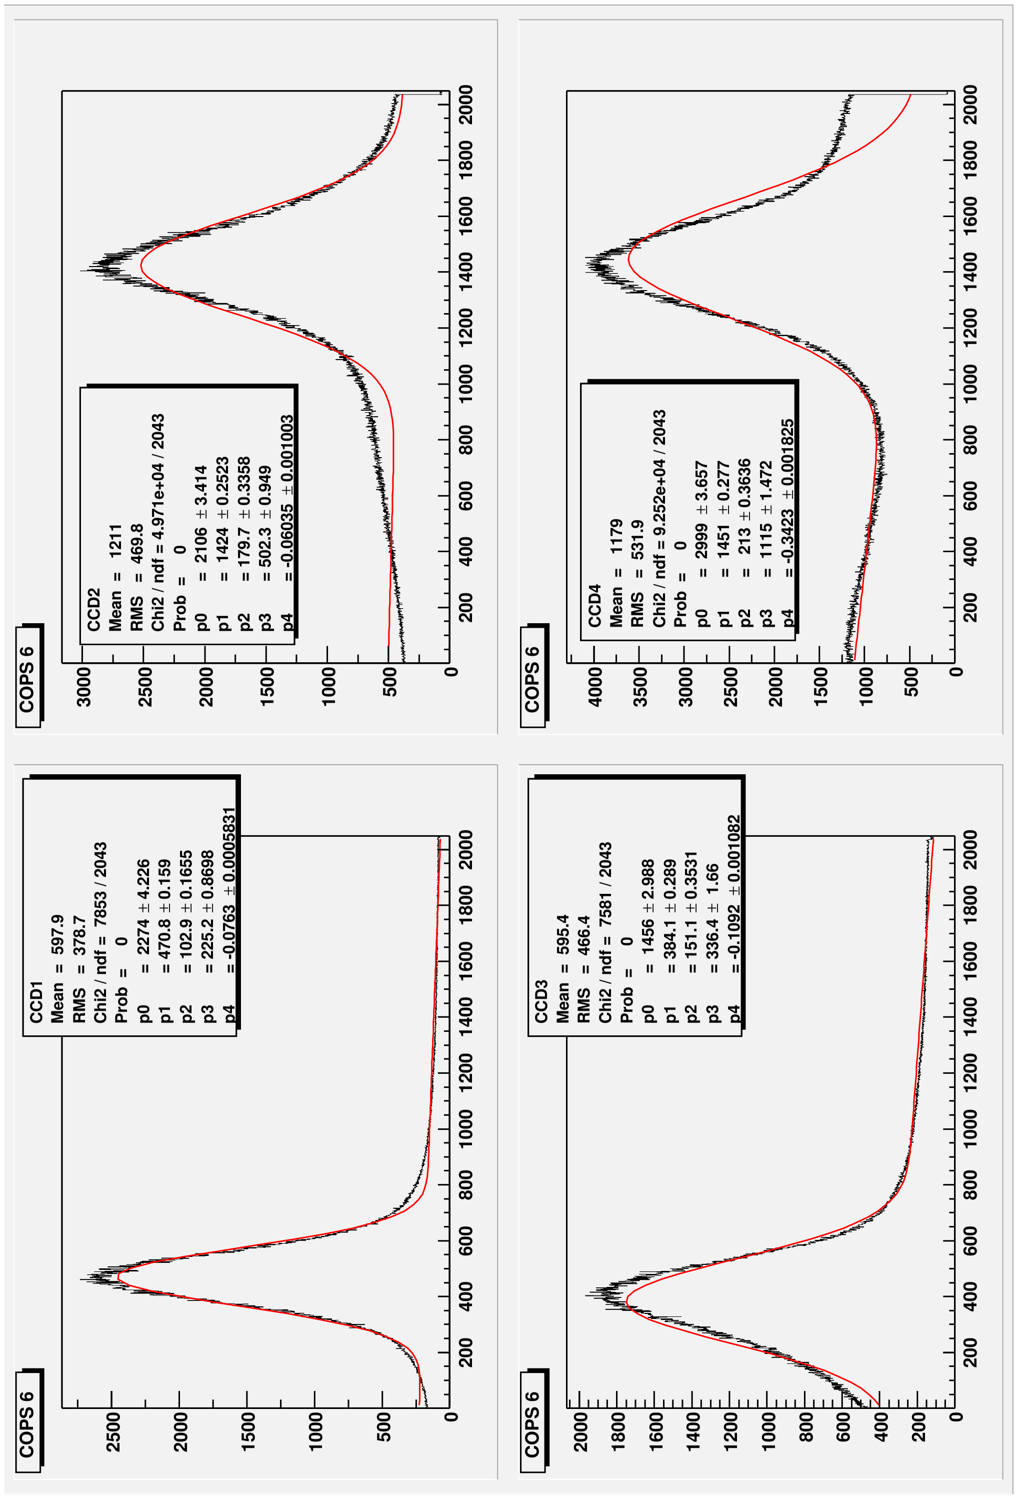

Figure 48: The 4 CCD profiles of es10 from run 514 (taken on Sept. 24 2000) with L303. The top left shows CCD1, top right is CCD2, bottom left is CCD3, and bottom right shows CCD4 profile.
