HELP/QUESTIONS: Contact Angela Melocoton, x 5975, or e-mail at userscenter@bnl.gov.

Welcome to Brookhaven National Laboratory. All users of the AGS are required to check-in with the individual experimental offices and obtain Radworker 1 and Collider-Accelerator Fixed-Target Users' Training. The ***Guest Orientation Form*** attached should be given to the safety personnel listed below. They will meet with you and do a job training assessment to determine if additional training is required. This sheet is designed to help you locate the people and training sites you have to visit. A **building *map*** can be found on the back of this page. A Brookhaven ***site map*** is also attached. Further safety information can be found at http://ww.phy.bnl.gov/e949/safety/ or http://www.phy.bnl.gov/~safety/esh_home.html.
