538 Guarantee Approval & Closing Documents

Section 538 Guaranteed Rural Rental Housing ("538") Loan Program

Attached are copies of all of the forms and certifications that are involved in USDA Rural Development issuing its guarantee. All of these documents are prepared by USDA Rural Development and provided to the lender when appropriate.

1. Form RD 3565-2, "Conditional Commitment" – with sample conditions. This is the form used by USDA Rural Development to approve a 538 guarantee and set forth all approval conditions. This form can be viewed online at: <http://rdinit.usda.gov/regs/forms/3565-02.pdf> Attached as Exhibit A are sample conditions which illustrate typical conditions that would be attached to the Conditional Commitment.
2. Lender certification. Prior to issuance of the 538 guarantee, the lender must certify that certain conditions have been met. The conditions are specified in RD Instruction 4279-B, Section 4279.181. There is no official "form" for making this certification, so California USDA Rural Development has developed a suggested format, which is attached as Exhibit B.
2. Form RD 3565-3, "Lender's Agreement." This form is executed by USDA Rural Development and the lender. It sets forth the rights, responsibilities, and conditions governing all 538 guarantees. The lender need only execute one Lender's Agreement, which then governs all 538 guarantees issued thereafter. This form can be viewed online at: <http://rdinit.usda.gov/regs/forms/3565-03.pdf>
3. Form RD 3565-4, "Loan Note Guarantee." This form is the actual guarantee document. This form can be viewed online at: <http://rdinit.usda.gov/regs/forms/3565-04.pdf>

Project Name: Pleasant Valley Apartments

\$2,500,000.00 Guaranteed Rural Rental Housing Loan (GRRH)

Approval Date:

1. The purpose of the loan is to provide long-term financing for the development of Pleasant Valley Apartments, a new 80-unit rental housing project at 1234 Community Road in Ruraltown, California.
2. A 90 % guarantee will be issued.
3. The term of the loan is to be 25 years. The interest rate is to be fixed. The interest rate is to be established at loan closing by the formula: $IR = 10\text{-year Treasury Bond Yield} + 1.5$. The loan is to be fully amortized with monthly installments.
4. This loan is to be secured by a first deed of trust (including assignment of rents) on the approximately 4-acre property being financed with this loan. All taxes and assessments are to be current at loan closing. There are to be no construction or mechanics liens against the security after closing.
5. Property, borrower fidelity, mortgagee errors & omissions, and liability insurance naming the lender as beneficiary will be maintained in amounts that meet or exceed the insurance requirements of Fannie Mae or Freddie Mac.
6. Prior to the issuance of the guarantee, the project must attain an occupancy rate of at least 97% of all units.
7. For the full term of this loan as set forth in condition #3 above – regardless of whether the loan is paid in full prior to that time – the housing and related facilities financed with this loan are not to be used for any purpose other than an approved GRRH program purpose, i.e. the project must be maintained as affordable housing for low and moderate income households. A deed restriction to assure this – containing the covenants set forth in 7 CFR Part 3565, §3565.202(a), §3565.203, and §3565.352 – is to be executed at loan closing and recorded in the real estate records of the appropriate jurisdiction.
8. A regulatory agreement between the borrower and the lender governing the management and operation of the project – containing the covenants cited in 7 CFR Part 3565, §3565.351 – is to be executed at loan closing. Note that this includes a requirement for the borrower to provide audited financial statements on the project (in accordance with Generally Accepted Government Auditing Standards) to the lender annually within 90 days of the project's fiscal yearend. NOTE: The "Regulatory Agreement" that was submitted with the GRRH application satisfies this condition.
9. The lender must ensure that the borrower is in compliance with applicable fair housing laws in the development of the property, the selection of applicants for housing, and ongoing management. The lender must ensure that the borrower is in compliance with the approved Affirmative Fair Housing Marketing Plan.

10. Prior to issuance of the guarantee, the lender will provide USDA Rural Development with the following:
 - a. A guarantee fee of \$22,500.00 (= \$2,500,000 x 90% x 1%) payable to USDA Rural Development.
 - b. An executed Form RD 3565-3, "Lender's Agreement", with the annual guarantee fee established as "one-half (1/2 percent)" in ¶ II.E of the Agreement. The guarantee will be governed by this Agreement.
 - c. A copy of the executed loan and security instruments, title insurance, recorded deed restriction (see condition #7 above), regulatory agreement (see condition #8 above), and detailed loan settlement statement.
 - d. A copy of the final, approved plans and specifications for the project.
 - e. A copy of all required building permits with sign-offs, notice of completion, and certificate of occupancy.
 - f. A final cost certification, such as the cost certification prepared for the agency providing tax credits.
 - g. An executed lender certification that the conditions set forth in this Conditional Commitment have been met. (USDA will provide a format that may be used for this purpose.)
 - h. An executed Form RD 1980-19, "Guaranteed Loan Closing Report", with the applicable fields completed. (USDA will provide a partially completed form for this purpose.)
11. Annually, the lender will provide USDA Rural Development with the following:
 - a. *On or before January 1st*, pay to USDA Rural Development an annual servicing fee equal to 50 basis points on the outstanding balance on December 31.
 - b. *Within 120 days of the borrower's fiscal yearend*:
 - i. The borrower's audited financial statement on the project along with the lender's credit analysis.
 - ii. A lender certification that the project has been inspected, that the records of the borrower have been reviewed, and that the project is operating in accordance with the provisions of the GRRH program and the regulatory agreement. If the project is not in compliance, this will be reported with proposed actions to remedy this.
