To the FDA,

Please delete item 5.9 of agenda item No. 6 in the draft guidelines for vitamin and mineral supplements. Every citizen is the real gatekeeper for truthful and non-misleading information about nutrition, item 5.9 of the labeling proposal is regressive, misleading, and not in the best interest of the U.S. consumer. Item 5.9 is in violation of the Dietary Supplement Health and Education Act of 1994 (DSHEA).  
Sincerely,  
Paul D. Larriva
