Lehigh and New England Railroad, Caboose #583. C05830, 81564

Caboose, #583. Class: NE. As part of equipment modernization in 1937, the L&NE purchased five similar cabooses made at the Reading Company Shops, 580-584. The all-steel cabooses had a full-width centered cupolas and Duryea under frames. Caboose is one of three sold by CNJ to Steamtown Foundation, 1975. Repainted and correctly renumbered from 580 to 583, 1999.
