NOTICE OF PROPOSED RULE MAKING

Adopted: March 15, 2000

Released: March 24, 2000

Comment Date: May 15, 2000

Reply Date: May 30, 2000

By the Chief, Allocations Branch

1. The Commission has before it for consideration a Petition for Rule Making filed by Leo Ashcraft ("Ashcraft") requesting the allotment of Channel 263A to Mount Pleasant, Texas. Ashcraft stated that he would file an application for Channel 263A at Mt. Pleasant if the channel is allotted to the community.¹

2. We believe the proposal warrants consideration because the proposed allotment could provide a first local FM broadcast service to the community of Mount Pleasant, Texas. A staff engineering analysis indicates that Channel 263A can be allotted to Mount Pleasant consistent with the minimum distance separation requirements of the Commission's Rules provided there is a site restriction 5.1 kilometers (3.1 miles) west of the community.² The site restriction will prevent a conflict with Station KZHE, Channel 263C2, Stamps, Arkansas.

¹ Ashcraft's request was verified by its technical consultant. Although a petitioner may seek assistance in the preparation of a pleading or petition for rule making, Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party not represented by counsel, be signed and verified by the commenting or petitioning party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.401(b) of the Commission's Rules concerning rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. See also Amendment of Section 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes, 5 FCC Rcd 3911, 3919, N.41 (1990). Ashcraft is requested to rectify this omission in comments.

² The coordinates for Channel 263A at Mount Pleasant are 33-09-21 and 95-01-21.

4. In view of the fact that the proposed allotment could provide a first local service to Mount Pleasant, Texas, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 263A to Mount Pleasant, Texas. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Mount Pleasant, Texas:

Community	Channel No.	
	Present	Proposed
Mount Pleasant, Texas	-----	263A, 270C2 ³

5. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before May 15, 2000, and reply comments on or before May 30, 2000, and are advised to read the Appendix for the proper procedures.
