SOURCE: 45 FR 39459, June 10, 1980, unless otherwise noted.

§ 653.100 Purpose and scope of subpart.

This subpart sets forth the principal regulations of the United States Employment Service (USES) for counseling, testing, and job and training referral services for migrant and seasonal farmworkers (MSFWs) on a basis which is qualitatively equivalent and quantitatively proportionate to services provided to non-MSFWs. It also contains requirements that State agencies establish a system to monitor their own compliance with USES regulations governing services to MSFWs, including the regulations under this subpart. Special services to ensure that MSFWs receive the full range of employment

related services are established under this subpart.

§ 653.101 Provision of services to migrant and seasonal farmworkers (MSFWs).

(a) Each State agency and each local office shall offer to migrant and seasonal farmworkers (MSFWs) the full range of employment services, benefits and protections, including the full range of counseling, testing, and job and training referral services as are provided to non-MSFWs. In providing such services, the State agency shall consider and be sensitive to the preferences, needs, and skills of individual MSFWs and the availability of job and training opportunities.

(b) Each State agency shall assure that, in a local area, the same local offices, including itinerant and satellite offices, but exclusive of day-haul operations, offer services to both non-MSFWs and MSFWs. Separate farm labor service local offices, which offer only farmwork to agricultural workers while another local office serving the same geographical area offers other JS services to other applicants, are prohibited so that all applicants receive employment services on the same basis.

§ 653.102 Job information.

All State agencies shall make job order information conspicuous and available to MSFWs in all local offices. This information shall include Job Bank information in local offices where it is available. Such information shall be made available either by computer terminal, microfiche, hard copy, or other equally effective means. Each significant MSFW local office shall provide adequate staff assistance to each MSFW to use the job order information effectively. In those offices designated as significant MSFW bilingual offices, such assistance shall be provided to MSFWs in Spanish and English, wherever requested or necessary, during any period of substantial MSFW activity.

§ 653.103 MSFW job applications.

(a) Every local office shall determine whether or not applicants are MSFWs as defined at § 651.10 of this chapter.
