## **Public Burden Statement**

Public reporting burden for this collection of information is estimated to average 90 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Office of Workers' Compensation Programs, Room S3229, 200 Constitution Avenue, N.W., Washington, DC. 20210. DO NOT SEND THE COMPLETED FORM TO THIS OFFICE.

## INSTRUCTIONS FOR COMPLETING THIS FORM

(Please do not detach)

- 1. GENERAL. This form is used to report a death sustained by a non-Federal law enforcement officer under circumstances involving a crime against the United States. Specifically, section 8191 of title 5, United States Code, provides Federal workmen's compensation benefits for a person determined to have been on any given occasion -
  - (1) a law enforcement officer and to have been engaged on that occasion in the apprehension or attempted apprehension of any person
    - (A) for the commission of a crime against the United States, or
    - (B) who at that time was sought by a law enforcement authority of the United States for the commission of a crime against the United States, or
    - (C) who at that time was sought as a material witness in a criminal proceeding instituted by the United States; or
  - (2) a law enforcement officer and to have been engaged on that occasion in protecting or guarding a person held for the commission of a crime against the United States or as a material witness in connection with such a crime; or
  - (3) a law enforcement officer and to have been engaged on that occasion in the lawful prevention of, or lawful attempt to prevent, the commission of a crime against the United States;

and to have sustained a personal injury (including disease) resulting in death, related to that occasion. Federal law enforcement officers are excluded from section 8191.

If one of the above conditions is met, this form should be filed with the Office of Workers' Compensation Programs if there are survivors eligible for benefits or if there are any unpaid medical, funeral, or transportation bills. The form is designed so that if there are no eligible survivors who wish to file claim, then their portion of the form may be detached.

If additional space is needed for any answer, attach a separate sheet of paper and write, "see separate sheet," in the appropriate box of this form. Please place the name of the deceased officer (and case file number if known) to OWCP within 5 years from the date of death. If there are no survivors, it is suggested that their portion of this form be completed before the former employing organization and the physician complete their portion.

2. EMPLOYING ORGANIZATION'S REPORT. This report must be completed in every instance by the deceased officer's former employing organization. Wage information, duty hours, and like information should be obtained from the organization's records. If the organization disagrees with one or more of the statements made by the survivors, it should submit a detailed explanation giving the reasons for its disagreement.

- 3. ATTENDING PHYSICIAN'S MEDICAL REPORT. This report is to be completed by a physician who examined or treated the deceased officer. It is not necessary if a copy of a more complete medical report is being submitted.
- 4. CLAIM ON BEHALF OF WIDOW, WIDOWER, OR CHILDREN. This is a formal claim for death benefits on behalf of all those listed in the claim, it may be submitted by -
  - (1) any survivor of the deceased officer;
  - (2) any guardian, personal representative, or other person legally authorized to act on behalf of the officer's estate or any of his survivors: or
  - (3) any association of law enforcement officers acting on behalf of the officer's survivors.

Items 6 through 11 on this claim pertain to the surviving spouse and should not be completed if no claim is being made on his or her behalf, or if there is no surviving spouse. Item 12 asks for names of surviving children. If there are more children than room to enter their names, attach a separate sheet. This is very important. In the last line of item 12 write, "see attached sheet for names of additional children."

In item 14 list anyone else for whom the officer was furnishing some support at the time of his/her death. Include minor children from his/her prior marriages even though the officer was not supporting them prior to his/her death. Again, if more room is needed attach a separate sheet.

The form and the attachments (please read paragraph 6 below) should be sent to the officer's former employing organization.

- 5. CLAIM ON BEHALF OF DEPENDENT OTHER THAN WIDOW WIDOWER, OR CHILDREN. This is a formal claim for death benefits on behalf of one person. If more than one person listed below was dependent on the deceased officer, write to the Office of Workers' Compensation Programs for extra forms. This claim may be submitted by -
  - (1) any survivor of the deceased officer;
  - (2) any authorized to act on behalf of the officer's estate or any of his survivors; or
  - (3) any association of law enforcement officers acting on behalf of the officer's survivors. Those dependents other than the widow, widower, and children who may be eligible for benefits include dependent parents, dependent grandparents, dependent brothers, dependent sisters, and dependent grandchildren of the officer. There is no provision in the law for other relatives.

The form and the attachments (please read paragraph 6 below) should be sent to the officer's former employing organization.

6. ATTACHMENT. There are several documents that must be submitted in support of most claims. Sometimes they will not be readily available. To avoid delays in processing this form, make up a list of those documents that will be sent at a later date. Then as documents are received send them directly to the Office of Workers' Compensation Programs.

#### Needed are:

- (1) Officer's death certificate (all cases);
- (2) Birth certificates of all children claiming compensation; for adopted children furnish orders of adoption instead of birth certificates.
- (3) Marriage certificate of spouse claiming compensation:
- (4) Documents showing dissolution of prior marriages of officer and of spouse, such as final divorce decrees, death certificates (needed only if spouse is claiming compensation);
- (5) Officer's birth certificate (needed only if claim is being made by parent, grandparent, brother, or sister of officer);

- (6) Dependent's birth certificate (needed only if claim is being made by brother, sister, or grandchild of officer):
- (7) As proof of relationship to the officer a grandparent claiming compensation must provide the birth certificate of the officer's mother or father, as appropriate; a grandchild claiming compensation must provide the birth certificate of the officer's son or daughter, as appropriate;
- (8) A recent medical report describing disability for unmarried dependents over age 18 who are basing their claim on mental or physical disability (needed only if claim is being made by widower, child, brother, sister, or grandchild); if this person is committed to a public institution merely state the name and address of the institution.

Except for (8), all documents must bear the signature and seal (imprint) of the public official having custody of such records. All documents or records originating in a court of law must bear the signature and seal (imprint) of the proper court official. Photostat copies are not acceptable unless they bear the actual signature and seal of the public official, not just a copy.

7. SUBMITTING THIS FORM. This form and available attachments should be turned over to the officer's former employing organization. The organization will have any remaining parts completed. Afterwards, it should review the form and attachments for completeness and to see that all signatures appear. If a report of investigation of any type was made on the death or the incident leading to death, a copy should be attached. When the form and any statements and attachments are ready for transmission, this instruction page should be removed. Only one copy of this form (the original) need be submitted.
