

## Instructions for RUS Form 726

### ***DISTRIBUTION LOAN APPLICATION CHECKLIST AND INDEX***

This form is used as a checklist of documents included as part of an application for an RUS Insured or Guaranteed Electric Loan.

Borrowers may use this form as a checklist to submit with each application for an RUS Insured or Guaranteed Electric Loan or they may submit a similar document that they have developed for their use. This form shall be the first page of the application. For a listing of the required documents that are to be attached to this form, see 7 CFR 1710.401. Existing RUS borrowers should contact their assigned General Field Representative (GFR) prior to submitting a loan application. Applicants that do not currently have an outstanding loan should write to RUS at Rural Utilities Service, United States Department of Agriculture, Washington, DC 20250-1500.

#### ***Borrower Name and Loan Designation***

<b>Field Name</b>	<b>Instruction</b>
Borrower Name	Enter the corporate name of the applicant.
Loan Designation	Enter the loan designation number assigned by the GFR.

#### ***Items to be completed by applicant***

<b>Item No.</b>	<b>Instruction</b>
1 - 27	For each item, check yes if the item is part of the loan application or no if the item is not part of the loan application. If the date field is not darkened, provide the date of the applicable item. A regulation citation has been provided to obtain more information regarding each required item.

#### ***Items to be completed by the GFR***

<b>Item No.</b>	<b>Instruction</b>
28 - 33	These items are to be completed by the GFR. The applicant should not complete these items.
