SUPPLEMENTARY INFORMATION:

Background

This document contains amendments to 26 CFR part 1 under sections 704 and 737. On November 24, 2003, a notice of proposed rulemaking (REG-160330-02) relating

to the tax treatment of installment obligations and property acquired pursuant to a contract under sections 704(c) and 737 was published in the **Federal Register** (68 FR 65864). A notice of correction was published in the **Federal Register** (69 FR 5797) on February 6, 2004. No comments were received from the public in response to the notice of proposed rulemaking. No public hearing was requested, and accordingly, no hearing was held. This Treasury decision adopts the language of the proposed regulations without change.

Special Analyses

It has been determined that this Treasury decision is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations and, because the regulations do not impose a collection of information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Internal Revenue Code, the proposed regulations preceding these regulations were submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Drafting Information

The principal author of these regulations is Christopher L. Trump of the Office of the Associate Chief Counsel (Passthroughs & Special Industries). However, other personnel from the IRS and Treasury Department participated in their development.

The allocation method for the installment obligation must be consistent with the allocation method chosen for the original property.

(iii) Contributed contracts. If a partner contributes to a partnership a contract that is section 704(c) property, and the partnership subsequently acquires property pursuant to that contract in a transaction in which less than all of the gain or loss is recognized, then the acquired property is treated as the section 704(c) property with the same amount of built-in gain or loss as the contract (with appropriate adjustments for any gain or loss recognized on the acquisition). For this purpose, the term contract includes, but is not limited to, options, forward contracts, and futures contracts.
