

MDL 875: SUBMISSIONS DATABASE

Pursuant to Administrative Order No. 13, issued on January 29, 2008, all information that is required by Administrative Order No. 12, including medical records, may be submitted to the court via electronic submission at <http://www.mdl875submissions.com>. Administrative Order No. 13 also states that all information submitted to the court under Administrative Order No. 12 must be made electronically to the MDL 875 database.

“MDL 875 database” refers to the compiled information from <http://www.mdl875submissions.com>. Counsel for plaintiffs wishing to submit information pursuant to Administrative Order no. 12 should follow these instructions for submitting their information:

1. Log on to <http://www.mdl875submissions.com>.
2. If you do not already have a user name and password, click on “Create New Account” on the left hand side of the web page.
3. After completing the required identification information, a password and user name will be created for you.
4. This user name and password will allow you access on the MDL 875 submissions home page.
5. Once you have entered your new user name and password in the fields, you will be able to type in your individual Plaintiff submission in the fields provided. Any documents may be uploaded to the website in .pdf format.

Now that this database is operational, Plaintiffs counsel must make arrangements to upload the remaining information as soon as possible, or show cause why they are not able to upload their plaintiff’s submission in compliance with Administrative Order No. 12. Failure to comply with the requirements of Administrative Orders Nos. 12 and 13 may result in the dismissal of that plaintiff’s claim.
