

Demopolis. **WHITE BLUFF**, Arch St., 1817. Selma chalk formation, 20'-40' above the river, abounding in mollusk fossils; 70'-80' above the river before construction of U.S. Lock and Dam raised the water level, 1955. Landing site of band of Napoleonic exiles who founded Demopolis in 1817 after congressional approval of a land grant. *Municipal*.
