H.R. 1090

A bill to designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the state of Oregon as a national recreation trail in honor of Jim Weaver, a former Member of the House of Representatives

As ordered reported by the House Committee on Resources on November 16, 2005

H.R. 1090 would designate an existing trail in the Willamette National Forest in Oregon as the Jim Weaver Loop Trail. CBO estimates that this legislation would not significantly affect the federal budget. Based on information from the Forest Service, CBO estimates that the proposed designation would not significantly affect offsetting receipts or the agency's costs to manage the affected trail. Enacting H.R. 1090 would not affect revenues.

H.R. 1090 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.
