21 noncontracting provider fails to comply with this article, the provider
22 agreement or rules that are adopted pursuant to this article and that relate
23 to the specific services rendered for which a claim for payment is made.

24 B. The director shall:

25 1. Prescribe uniform forms to be used by all contractors. The rules
26 shall require a written and signed application by the applicant or an
27 applicant's authorized representative, or, if the person is incompetent or
28 incapacitated, a family member or a person acting responsibly for the
29 applicant may obtain a signature or a reasonable facsimile and file the
30 application as prescribed by the administration.

31 2. Enter into an interagency agreement with the department to
32 establish a streamlined eligibility process to determine the eligibility of
33 all persons defined pursuant to section 36-2901, paragraph 6,
34 subdivision (a). At the administration's option, the interagency agreement
35 may allow the administration to determine the eligibility of certain persons
36 including those defined pursuant to section 36-2901, paragraph 6,
37 subdivision (a).

38 3. Enter into an intergovernmental agreement with the department to:

39 (a) Establish an expedited eligibility and enrollment process for all
40 persons who are hospitalized at the time of application.

41 (b) Establish performance measures and incentives for the department.

42 (c) Establish the process for management evaluation reviews that the
43 administration shall perform to evaluate the eligibility determination
44 functions performed by the department.

1 (d) Establish eligibility quality control reviews by the
2 administration.

3 (e) Require the department to adopt rules, consistent with the rules
4 adopted by the administration for a hearing process, that applicants or
5 members may use for appeals of eligibility determinations or
6 redeterminations.

7 (f) Establish the department's responsibility to place sufficient
8 eligibility workers at federally qualified health centers to screen for
9 eligibility and at hospital sites and level one trauma centers to ensure that
10 persons seeking hospital services are screened on a timely basis for
11 eligibility for the system, including a process to ensure that applications
12 for the system can be accepted on a twenty-four hour basis, seven days a
13 week.

14 (g) Withhold payments based on the allowable sanctions for errors in
15 eligibility determinations or redeterminations or failure to meet performance
16 measures required by the intergovernmental agreement.

17 (h) Recoup from the department all federal fiscal sanctions that
18 result from the department's inaccurate eligibility determinations. The
19 director may offset all or part of a sanction if the department submits a
20 corrective action plan and a strategy to remedy the error.

21 4. By rule establish a procedure and time frames for the intake of
22 grievances and requests for hearings, for the continuation of benefits and
23 services during the appeal process and for a grievance process at the
24 contractor level. Notwithstanding sections 41-1092.02, 41-1092.03 and
25 41-1092.05, the administration shall develop rules to establish the procedure
26 and time frame for the informal resolution of grievances and appeals. A
27 grievance that is not related to a claim for payment of system covered
28 services shall be filed in writing with and received by the administration or
29 the prepaid capitated provider or program contractor not later than sixty
30 days after the date of the adverse action, decision or policy implementation
31 being grieved. A grievance that is related to a claim for payment of system
32 covered services must be filed in writing and received by the administration
33 or the prepaid capitated provider or program contractor within twelve months
34 after the date of service, within twelve months after the date that
35 eligibility is posted or within sixty days after the date of the denial of a
36 timely claim submission, whichever is later. A grievance for the denial of a
37 claim for reimbursement of services may contest the validity of any adverse
38 action, decision, policy implementation or rule that related to or resulted
39 in the full or partial denial of the claim. A policy implementation may be
40 subject to a grievance procedure, but it may not be appealed for a
41 hearing. The administration is not required to participate in a mandatory
42 settlement conference if it is not a real party in interest. In any
43 proceeding before the administration, including a grievance or hearing,
44 persons may represent themselves or be represented by a duly authorized agent
45 who is not charging a fee. A legal entity may be represented by an officer,

1 partner or employee who is specifically authorized by the legal entity to
2 represent it in the particular proceeding.

3 5. Apply for and accept federal funds available under title XIX of the
4 social security act (P.L. 89-97; 79 Stat. 344; 42 United States Code section
5 1396 (1980)) in support of the system. The application made by the director
6 pursuant to this paragraph shall be designed to qualify for federal funding
7 primarily on a prepaid capitated basis. Such funds may be used only for the
8 support of persons defined as eligible pursuant to title XIX of the social
9 security act or the approved section 1115 waiver.

10 6. At least thirty days before the implementation of a policy or a
11 change to an existing policy relating to reimbursement, provide notice to
12 interested parties. Parties interested in receiving notification of policy
13 changes shall submit a written request for notification to the
14 administration.

15 C. The director is authorized to apply for any federal funds available
16 for the support of programs to investigate and prosecute violations arising
17 from the administration and operation of the system. Available state funds
18 appropriated for the administration and operation of the system may be used
19 as matching funds to secure federal funds pursuant to this subsection.

20 D. The director may adopt rules or procedures to do the following:

21 1. Authorize advance payments based on estimated liability to a
22 contractor or a noncontracting provider after the contractor or
23 noncontracting provider has submitted a claim for services and before the
24 claim is ultimately resolved. The rules shall specify that any advance
25 payment shall be conditioned on the execution before payment of a contract
26 with the contractor or noncontracting provider that requires the
27 administration to retain a specified percentage, which shall be at least
28 twenty per cent, of the claimed amount as security and that requires
29 repayment to the administration if the administration makes any overpayment.

30 2. Defer liability, in whole or in part, of contractors for care
31 provided to members who are hospitalized on the date of enrollment or under
32 other circumstances. Payment shall be on a capped fee-for-service basis for
33 services other than hospital services and at the rate established pursuant to
34 subsection G or H of this section for hospital services or at the rate paid
35 by the health plan, whichever is less.

36 3. Deputize, in writing, any qualified officer or employee in the
37 administration to perform any act that the director by law is empowered to do
38 or charged with the responsibility of doing, including the authority to issue
39 final administrative decisions pursuant to section 41-1092.08.

40 4. Notwithstanding any other law, require persons eligible pursuant to
41 section 36-2901, paragraph 6, subdivision (a), section 36-2931, paragraph 5
42 and section 36-2981, paragraph 6 to be financially responsible for any cost
43 sharing requirements established in a state plan or a section 1115 waiver and
44 approved by the centers for medicare and medicaid services. Cost sharing
45 requirements may include copayments, coinsurance, deductibles, enrollment

1 fees and monthly premiums for enrolled members, including households with
2 children enrolled in the Arizona long-term care system.

3 E. The director shall adopt rules which further specify the medical
4 care and hospital services which are covered by the system pursuant to
5 section 36-2907.

6 F. In addition to the rules otherwise specified in this article, the
7 director may adopt necessary rules pursuant to title 41, chapter 6 to carry
8 out this article. Rules adopted by the director pursuant to this subsection
9 shall consider the differences between rural and urban conditions on the
10 delivery of hospitalization and medical care.

11 G. For inpatient hospital admissions and all outpatient hospital
12 services before March 1, 1993, the administration shall reimburse a
13 hospital's adjusted billed charges according to the following procedures:

14 1. The director shall adopt rules that, for services rendered from and
15 after September 30, 1985 until October 1, 1986, define "adjusted billed
16 charges" as that reimbursement level that has the effect of holding constant
17 whichever of the following is applicable:

18 (a) The schedule of rates and charges for a hospital in effect on
19 April 1, 1984 as filed pursuant to chapter 4, article 3 of this title.

20 (b) The schedule of rates and charges for a hospital that became
21 effective after May 31, 1984 but before July 2, 1984, if the hospital's
22 previous rate schedule became effective before April 30, 1983.

23 (c) The schedule of rates and charges for a hospital that became
24 effective after May 31, 1984 but before July 2, 1984, limited to five per
25 cent over the hospital's previous rate schedule, and if the hospital's
26 previous rate schedule became effective on or after April 30, 1983 but before
27 October 1, 1983. For the purposes of this paragraph, "constant" means equal
28 to or lower than.

29 2. The director shall adopt rules that, for services rendered from and
30 after September 30, 1986, define "adjusted billed charges" as that
31 reimbursement level that has the effect of increasing by four per cent a
32 hospital's reimbursement level in effect on October 1, 1985 as prescribed in
33 paragraph 1 of this subsection. Beginning January 1, 1991, the Arizona
34 health care cost containment system administration shall define "adjusted
35 billed charges" as the reimbursement level determined pursuant to this
36 section, increased by two and one-half per cent.

37 3. In no event shall a hospital's adjusted billed charges exceed the
38 hospital's schedule of rates and charges filed with the department of health
39 services and in effect pursuant to chapter 4, article 3 of this title.

40 4. For services rendered the administration shall not pay a hospital's
41 adjusted billed charges in excess of the following:

42 (a) If the hospital's bill is paid within thirty days of the date the
43 bill was received, eighty-five per cent of the adjusted billed charges.

1 (b) If the hospital's bill is paid any time after thirty days but
2 within sixty days of the date the bill was received, ninety-five per cent of
3 the adjusted billed charges.

4 (c) If the hospital's bill is paid any time after sixty days of the
5 date the bill was received, one hundred per cent of the adjusted billed
6 charges.

7 5. The director shall define by rule the method of determining when a
8 hospital bill will be considered received and when a hospital's billed
9 charges will be considered paid. Payment received by a hospital from the
10 administration pursuant to this subsection or from a contractor either by
11 contract or pursuant to section 36-2904, subsection I shall be considered
12 payment of the hospital bill in full, except that a hospital may collect any
13 unpaid portion of its bill from other third party payors or in situations
14 covered by title 33, chapter 7, article 3.

15 H. For inpatient hospital admissions and outpatient hospital services
16 on and after March 1, 1993 the administration shall adopt rules for the
17 reimbursement of hospitals according to the following procedures:

18 1. For inpatient hospital stays, the administration shall use a
19 prospective tiered per diem methodology, using hospital peer groups if
20 analysis shows that cost differences can be attributed to independently
21 definable features that hospitals within a peer group share. In peer
22 grouping the administration may consider such factors as length of stay
23 differences and labor market variations. If there are no cost differences,
24 the administration shall implement a stop loss-stop gain or similar
25 mechanism. Any stop loss-stop gain or similar mechanism shall ensure that
26 the tiered per diem rates assigned to a hospital do not represent less than
27 ninety per cent of its 1990 base year costs or more than one hundred ten per
28 cent of its 1990 base year costs, adjusted by an audit factor, during the
29 period of March 1, 1993 through September 30, 1994. The tiered per diem
30 rates set for hospitals shall represent no less than eighty-seven and
31 one-half per cent or more than one hundred twelve and one-half per cent of
32 its 1990 base year costs, adjusted by an audit factor, from October 1, 1994
33 through September 30, 1995 and no less than eighty-five per cent or more than
34 one hundred fifteen per cent of its 1990 base year costs, adjusted by an
35 audit factor, from October 1, 1995 through September 30, 1996. For the
36 periods after September 30, 1996 no stop loss-stop gain or similar mechanisms
37 shall be in effect. An adjustment in the stop loss-stop gain percentage may
38 be made to ensure that total payments do not increase as a result of this
39 provision. If peer groups are used the administration shall establish
40 initial peer group designations for each hospital before implementation of
41 the per diem system. The administration may also use a negotiated rate
42 methodology. The tiered per diem methodology may include separate
43 consideration for specialty hospitals that limit their provision of services
44 to specific patient populations, such as rehabilitative patients or
45 children. The initial per diem rates shall be based on hospital claims and

1 encounter data for dates of service November 1, 1990 through October 31, 1991
2 and processed through May of 1992.

3 2. For rates effective on October 1, 1994, and annually thereafter,
4 the administration shall adjust tiered per diem payments for inpatient
5 hospital care by the data resources incorporated market basket index for
6 prospective payment system hospitals. For rates effective beginning on
7 October 1, 1999, the administration shall adjust payments to reflect changes
8 in length of stay for the maternity and nursery tiers.

9 3. Through June 30, 2004, for outpatient hospital services, the
10 administration shall reimburse a hospital by applying a hospital specific
11 outpatient cost-to-charge ratio to the covered charges. Beginning on July 1,
12 2004 through June 30, 2005, the administration shall reimburse a hospital by
13 applying a hospital specific outpatient cost-to-charge ratio to covered
14 charges. If the hospital increases its charges for outpatient services filed
15 with the Arizona department of health services pursuant to chapter 4, article
16 3 of this title, by more than 4.7 per cent for dates of service effective on
17 or after July 1, 2004, the hospital specific cost-to-charge ratio will be
18 reduced by the amount that it exceeds 4.7 per cent. If charges exceed 4.7
19 per cent, the effective date of the increased charges will be the effective
20 date of the adjusted Arizona health care cost containment system
21 cost-to-charge ratio. The administration shall develop the methodology for a
22 capped fee-for-service schedule and a statewide cost-to-charge ratio. Any
23 covered outpatient service not included in the capped fee-for-service
24 schedule shall be reimbursed by applying the statewide cost-to-charge ratio
25 that is based on the services not included in the capped fee-for-service
26 schedule. Beginning on July 1, 2005, the administration shall reimburse
27 clean claims with dates of service on or after July 1, 2005, based on the
28 capped fee-for-service schedule or the statewide cost-to-charge ratio
29 established pursuant to this paragraph. The administration may make
30 additional adjustments to the outpatient hospital rates established pursuant
31 to this section based on other factors, including the number of beds in the
32 hospital, specialty services available to patients and the geographic
33 location of the hospital.

34 4. Except if submitted under an electronic claims submission system, a
35 hospital bill is considered received for purposes of this paragraph on
36 initial receipt of the legible, error-free claim form by the administration
37 if the claim includes the following error-free documentation in legible form:

- 38 (a) An admission face sheet.
- 39 (b) An itemized statement.
- 40 (c) An admission history and physical.
- 41 (d) A discharge summary or an interim summary if the claim is split.
- 42 (e) An emergency record, if admission was through the emergency room.
- 43 (f) Operative reports, if applicable.
- 44 (g) A labor and delivery room report, if applicable.

1 Payment received by a hospital from the administration pursuant to this
2 subsection or from a contractor either by contract or pursuant to section
3 36-2904, subsection I is considered payment by the administration or the
4 contractor of the administration's or contractor's liability for the hospital
5 bill. A hospital may collect any unpaid portion of its bill from other third
6 party payors or in situations covered by title 33, chapter 7, article 3.

7 5. For services rendered on and after October 1, 1997, the

17 including notice to contractors of enrollment. The rules may provide for
18 varying time limits for enrollment in different situations. The
19 administration shall specify in contract when a person who has been
20 determined eligible will be enrolled with that contractor and the date on
21 which the contractor will be financially responsible for health and medical
22 services to the person.

23 J. The administration may make direct payments to hospitals for
24 hospitalization and medical care provided to a member in accordance with this
25 article and rules. The director may adopt rules to establish the procedures
26 by which the administration shall pay hospitals pursuant to this subsection
27 if a contractor fails to make timely payment to a hospital. Such payment
28 shall be at a level determined pursuant to section 36-2904, subsection H
29 or I. The director may withhold payment due to a contractor in the amount of
30 any payment made directly to a hospital by the administration on behalf of a
31 contractor pursuant to this subsection.

32 K. The director shall establish a special unit within the
33 administration for the purpose of monitoring the third party payment
34 collections required by contractors and noncontracting providers pursuant to
35 section 36-2903, subsection B, paragraph 10 and subsection F and section

4 in reduced capitation rates. A contractor may be required to pay the
5 administration a percentage of third party payments that are collected by a
6 contractor and that are not reflected in reduced capitation rates.

11 is reimbursed or should be reimbursed by the system:

12 1. On written notice from the administration or oral or written notice
13 from a member that a claim for covered services may be in violation of this
14 section, the provider that has a contract with a contractor or noncontracting
15 provider shall investigate the inquiry and verify whether the person was
16 eligible for services at the time that covered services were provided. If
17 the claim was paid or should have been paid by the system, the provider that
18 has a contract with a contractor or noncontracting provider shall not
19 continue billing the member.

20 2. If the claim was paid or should have been paid by the system and
21 the disputed claim has been referred for collection to a collection agency or
22 referred to a credit reporting bureau, the provider that has a contract with
23 a contractor or noncontracting provider shall:

24 (a) Notify the collection agency and request that all attempts to
25 collect this specific charge be terminated immediately.

26 (b) Advise all credit reporting bureaus that the reported delinquency
27 was in error and request that the affected credit report be corrected to
28 remove any notation about this specific delinquency.

31 bureaus have been notified.

32 3. If the administration determines that a provider that has a
33 contract with a contractor or noncontracting provider has billed a member for
34 charges that were paid or should have been paid by the administration, the
35 administration shall send written notification by certified mail or other
36 service with proof of delivery to the provider that has a contract with a
37 contractor or noncontracting provider stating that this billing is in
38 violation of federal and state law. If, twenty-one days or more after
39 receiving the notification, a provider that has a contract with a contractor
40 or noncontracting provider knowingly continues billing a member for charges
41 that were paid or should have been paid by the system, the administration may
42 assess a civil penalty in an amount equal to three times the amount of the
43 billing and reduce payment to the provider that has a contract with a
44 contractor or noncontracting provider accordingly. Receipt of delivery
45 signed by the addressee or the addressee's employee is prima facie evidence

1 of knowledge. Civil penalties collected pursuant to this subsection shall be
2 deposited in the state general fund. Section 36-2918, subsections C, D and
3 F, relating to the imposition, collection and enforcement of civil penalties,
4 apply to civil penalties imposed pursuant to this paragraph.

6 paid by the administration and may recoup any monies erroneously paid. The
7 director may adopt rules that specify procedures for conducting postpayment
8 review. A contractor may conduct a postpayment review of all claims paid by
9 the contractor and may recoup monies that are erroneously paid.

10 N. The director or the director's designee may employ and supervise
11 personnel necessary to assist the director in performing the functions of the
12 administration.

14 care who are eligible to provide services under title XIX of the social
15 security act.

17 the administration may make disproportionate share payments to private
18 hospitals, county operated hospitals, including hospitals owned or leased by
19 a special health care district, and state operated institutions for mental
20 disease beginning October 1, 1991 in accordance with federal law and subject
21 to legislative appropriation. If at any time the administration receives
22 written notification from federal authorities of any change or difference in
23 the actual or estimated amount of federal funds available for
24 disproportionate share payments from the amount reflected in the legislative
25 appropriation for such purposes, the administration shall provide written
26 notification of such change or difference to the president and the minority
27 leader of the senate, the speaker and the minority leader of the house of
28 representatives, the director of the joint legislative budget committee, the
29 legislative committee of reference and any hospital trade association within
30 this state, within three working days not including weekends after receipt of
31 the notice of the change or difference. In calculating disproportionate
32 share payments as prescribed in this section, the administration may use
33 either a methodology based on claims and encounter data that is submitted to
34 the administration from contractors or a methodology based on data that is
35 reported to the administration by private hospitals and state operated
36 institutions for mental disease. The selected methodology applies to all
37 private hospitals and state operated institutions for mental disease
38 qualifying for disproportionate share payments.

39 Q. Notwithstanding any law to the contrary, the administration may
40 receive confidential adoption information to determine whether an adopted
41 child should be terminated from the system.

42 R. The adoption agency or the adoption attorney shall notify the
43 administration within thirty days after an eligible person receiving services
44 has placed that person's child for adoption.

1 S. If the administration implements an electronic claims submission
2 system it may adopt procedures pursuant to subsection H of this section
3 requiring documentation different than prescribed under subsection H,
4 paragraph 4 of this section.
