B.5: Project Name : **Wuhan Wastewater Management Project**
Loan No. : Loan No. 1996-PRC
Contract No : Bid No. 0701-0520ITC2C035
Deadline for bids : 28 September 2005

Invitation for Bids

This Invitation for Bids follows the General Procurement Notice for this project that appeared in the "ADB Business Opportunities", issue of May 2003.

The People's Republic of China has received a loan from the Asian Development Bank (ADB) towards the cost of the Wuhan Wastewater Management Project and it intends to apply part of the proceeds of this loan to eligible payments under the contract for which this Invitation for Bids is issued.

China International Tendering Company, the Procurement Agent, on behalf of Wuhan Wastewater Management Project, the Purchaser, now invites sealed bids from eligible bidders for furnishing the detailed equipment design, manufacture, supply, installation, testing and commissioning of the following:

Bid No. 0701-0520ITC2C035: Wuxian and Railway Bridge Pumping Station Works

- Influent and bar screen chambers
 - Pump house
 - Outlet well
 - Gate and flow meter shafts
 - Trash rack and controlling gate
 - Electrical equipment
 - Instrument and automation system
- (Details and specifications are provided in the Bidding Document.)

International competitive bidding (ICB) will be conducted in accordance with ADB's Single Stage: One-Envelope Bidding Procedure and is open to all Bidders from eligible source countries of the ADB.

The Bidder or the leading partner of a Joint Venture shall, as main contractor, have successfully performed contract(s) in the last five (5) years of supply and installation for at least one (1) whole similar pumping station engineering that has been in successful operation over one (1) year; or at least one (1) contract that involves supply and installation of wastewater treatment plant at a capacity of at least 50,000 m³ per day that has been in successful operation over one (1) year.

The manufacturer for major equipment shall have at least five (5) years of documented successful manufacturing experience for similar products.

Bidders shall have on average, in the last three years, an annual turnover that is not less than USD 2.6 million.

To demonstrate the soundness of the Bidder's financial position showing long-term profitability, the bidder or each partner of the JV shall provide a copy of the audited annual financial statements including but not limited to balance sheet, income statement and cash flow statement for the last three (3) years. The net worth shall be no less than USD300,000.00.

Interested eligible bidders may obtain further information and inspect the Bidding Documents at the office addresses given below commencing 30 July 2005 from 9:00am to 11:30 am and 2:30 p.m. to 5:00p.m.

To purchase the Bidding Document in English, eligible bidders should write to Wuhan Urban Drainage Development Co. Ltd. and pay a non-refundable fee of RMB 2,500 or USD300. A refundable deposit of RMB5000 or USD600 is required for the drawings.

The Bidding Document will be sent by express mail for an additional fee of RMB200 (domestic) or USD100 (abroad), in certified check, for each set of Bidding Document.

DEADLINE OF BID SUBMISSION: Bidders should deliver their bids together with a Bid Security of not less than two percent (2%) of the Total Bid Price to Wuhan Urban Drainage Development Co. Ltd. on or before 10:00 a.m. (Beijing Time) on 28 September 2005.

B.6: Project Name : **Fuzhou Environmental Improvement Project**
Loan No. : Loan No. 2176

The People's Republic of China has received a loan from the Asian Development Bank (ADB) towards the cost of the Fuzhou Environmental Improvement Project. The loan was approved 29 July 2005.

The Project will improve the urban environment of Fuzhou by constructing and rehabilitating sewer networks, rehabilitating sewer networks, rehabilitating the system of inland creeks, and strengthening governance in water resource management. Specifically, the Project will construct about 264 kilometers of sewers and rehabilitate 35 kilometer of existing sewers; and improve the water quality to achieve targeted standards in the inland creeks and the Min River, in a manner that supports integrated water resources management.

Procurement: ADB-financed goods and services will be procured in accordance with ADB's Guidelines for Procurement. Major contracts for equipment and materials will be tendered through international competitive bidding (ICB) or international shopping (IS), depending on the value of the contract.

Consulting Services: About 30 person-months of international consulting services and 120 person-months of domestic consulting services will be funded by the loan to support the Project Management Office, Fuzhou Water Environment Construction and Development Company and Fuzhou Urban Visual Construction and Development Company in project implementation and capacity building. Consultants will be selected and engaged in accordance with ADB's Guidelines on the Use of Consultants and other arrangements satisfactory to ADB for selecting and engaging domestic consultants.

B.7: Project Name : Jilin Water Supply and Sewerage Development Project
Loan No. : Loan No. 2175

The People's Republic of China has received a loan from the Asian Development Bank (ADB) towards the cost of the Jilin Water Supply and Sewerage Development Project. The loan was approved 18 July 2005.

The Project will help:

- reduce water pollution;
- protect water resources;

- address water shortage through recycling effluent and meet the demand for high-quality treated water by 2010;
- promote sustainable economic development; and
- improve the environment, living conditions, and public health standards in three cities and one district of Jilin Province.

Procurement: ADB-financed equipment and materials will be procured in accordance with ADB's Guidelines for Procurement. Major contracts for equipment and materials will be tendered through international competitive bidding (ICB) or international shopping (IS) procedures depending on the contract amount.

Consulting Services: About 30 person-months of international consulting services, including 6 person-months for a social and resettlement monitoring specialist and 120 person-months of domestic consulting services will be required. The consultants will be recruited in accordance with ADB's Guidelines on the Use of Consultants.

H. SRI LANKA

H.1: Project Name : Tsunami-Affected Areas Rebuilding Project
Loan No. : Loan No. 2167
Contract : Component C-Road Rehabilitation

Invitation for Pre-qualification

The Democratic Socialist Republic of Sri Lanka (GOSL) has received financing from the Asian Development Bank (ADB) and the European Commission towards the cost of the Tsunami Affected Areas Rebuilding Project and intends to apply a portion of the proceeds of this financing to eligible payments under the contracts for which this Invitation for Pre-qualification is issued.

The Ministry of Highways is the Executing Agency and the Road Development Authority is the Implementing Agency for this project. The Cabinet Appointed Tender Board (CATB), on behalf of the Executing Agency intends to pre-qualify contractors for four contract packages in North-East, Uva and Southern Provinces to rehabilitate approximately 600 kms. of roads and rehabilitate/ reconstruct identified bridges therein.

The work includes, inter alia, survey, investigations & detailed design, increasing the width of embankments, increasing the height of embankments in flood prone areas, drainage improvements, strengthening of pavement layers, double/single bituminous surface treatment and/or asphaltic concrete work, rehabilitation and reconstruction of identified bridges and other structures, construction of new bridges.

Prequalification is open to firms and voluntarily formed joint ventures from eligible member countries of ADB & European Union. GOSL-owned enterprises shall be eligible only if they can establish that they are legally and financially autonomous and operate under commercial law.

Eligible applicants wishing to be considered for prequalification should apply by completing a questionnaire which can be obtained after 31 August 2005 up to 19 October 2005 from:

Project Director (ADB Projects Division)
Road Development Authority
"Sethsiripaya", Sri Jayawardenepura Kotte

H.2: Project Name : **Secondary Towns and Rural Community Based Water Supply and Sanitation Project**
Loan No. : Loan No. 1993
Contract : HW&T/UWS/PA2/POL&MUT/ ICB

The Democratic Socialist Republic of Sri Lanka has received a loan from the Asian Development Bank (ADB) towards the cost of the Secondary Towns and Rural Community Based Water Supply & Sanitation Project. Part of this loan will be used for payments under the contract named above. Bidding is open to bidders from eligible source countries of the ADB including members of a joint venture and all sub-contractors of a bidder.

The National Water Supply & Drainage Board (the Employer) invites sealed bids from eligible bidders for design-build and completion of the works, for new water supply systems at Polonnaruwa & Muttur, comprising works associated with Head works (Raw Water Intake and Pumps), Raw Water Transmission Main (approximately 3,450 m at Polonnaruwa and 12,700 m at Muttur), and Treatment Plant (approximately 13,500 m³/day at Polonnaruwa and 8.500 m³/day at Muttur), Treated Water Transmission Main (approximately 30,000 m at Polonnaruwa and Pump Stations.

Bidders should note that the above works are located at two different geological areas, but bids are being called under one package.

International competitive bidding (ICB) will be conducted in accordance with ADB's Two-Envelope bidding procedure and is open to all Bidders from eligible source countries of the ADB. Bidders are to submit two sealed envelopes simultaneously, one containing the Technical Proposal and the other the Price Proposal, enclosed together in an outer single envelope. Only the Technical Proposals are opened at the date and time advised in the Bidding Document, and the Price Proposals remain sealed and held in custody. The Technical Proposals will be evaluated and if they require amendments and changes will be discussed with the Bidders. The Bidders will be allowed to revise or adjust their Technical Proposals to meet the requirements. Bids of Bidders who are unable or unwilling to bring their Technical Proposals to conform to the acceptable technical standard will be rejected as deficient Bids with the approval of the ADB. Following ADB approval of the evaluation of Technical Proposals, Bidders will be invited, at the second stage, to submit Modified Bid Proposals consisting of Revised Technical Proposals and Supplementary Price Proposals to be opened simultaneously in public as advised by the Executing Agency.

Post-qualification of bidders will be carried out along with the evaluation of the Technical Proposal. Post qualification criteria are given under Section 3 of the bid document which can be examined at the address given below free of charge. They can also be obtained via electronic mail.

To obtain further information and inspect the bidding documents, bidders should contact:

Fax: (94-11) 263-5885
E-mail address: nwsdbtc@slt.net.lk

Firms requesting the Bid Documents to be sent by courier service shall make pre-paid arrangements with a reputed courier service to collect and dispatch the documents to them. In such case, the firm requesting the Bid Documents shall provide its courier service with a letter authorizing to collect the Bid Documents. The Employer accepts no liability for loss or late delivery.

DEADLINE OF BID SUBMISSION: Deliver your bid together with a Bid Security of US\$ 150,000 or an equivalent amount in a freely convertible currency on or before the deadline as indicated in the bidding document to the following address Director (Technical & Tenders):

c/o National Water Supply & Drainage Board
Ministry of Urban Development & Water Supply
3rd Floor Sethsiripaya, Battaramulla
Sri Lanka

Technical proposals will be opened immediately after the deadline in the presence of bidders' representatives who choose to attend.

Price proposals and supplementary price proposals will be opened in the presence of the qualified bidders' representatives who choose to attend on a date and time to be advised following evaluation of the Technical Proposals.

When comparing Bids, ADB's Domestic Preference Scheme will be applied in accordance with the provisions stipulated in the Bidding Document.
