The Honorable Arlen Specter
Chairman,
Committee on the Judiciary
United States Senate
Washington, DC 20510

The Honorable Patrick Leahy
Ranking Member,
Committee on the Judiciary
United States Senate
Washington, DC 20510

Dear Mr. Chairman and Senator Leahy:

We write in support of the nomination of Judge Samuel A. Alito, Jr. to the United States Supreme Court. Each of us has devoted a significant portion of our legal practice or research to appellate matters. Although we reflect a broad range of political, policy and legal views, we all agree that Judge Alito should be confirmed by the Senate. Judge Alito has a well-deserved reputation as an outstanding jurist. He is, in every sense of the term, a "judge's judge." His opinions are fair, thoughtful and rigorous. Those of us who have appeared before Judge Alito appreciate his preparation for argument, his temperament on the bench and the quality and incisiveness of the questions he asks. Those of us who have worked with Judge Alito respect his legal skills, his integrity and his modesty. In short, Judge Alito has the attributes that we believe are essential to being an outstanding Supreme Court Justice and therefore should be confirmed. Thank you for considering our views.

Sincerely,
