H.R. 1285

Snoqualmie Pass Land Conveyance Act

*As ordered reported by the Senate Committee on Energy and Natural Resources
on May 7, 2008*

H.R. 1285 would provide for the conveyance, without consideration, of 1.5 acres of Forest Service land to the King and Kittitas Counties Fire District #51. The land would be available only to the fire district to be used to construct a new firehouse. Based on information from the Forest Service, CBO expects that any cost to the government of implementing this legislation would not be significant. Enacting H.R. 1285 would not affect direct spending or revenues.

H.R. 1285 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

On July 10, 2007, CBO transmitted a cost estimate for H.R.1285, the Snoqualmie Pass Land Conveyance Act, as ordered reported by the House Committee on Natural Resources on June 28, 2007. The versions of the legislation are identical, as are the estimated costs.

The CBO staff contact for this estimate is Tyler Kruzich. This estimate was approved by Peter H. Fontaine, Assistant Director for Budget Analysis.
