COST ESTIMATE**

August 5, 1999

**S. 1334
Organ Donor Leave Act**

*As ordered reported by the Senate Committee on Governmental Affairs
on August 3, 1999*

S. 1334 would increase—from seven days to 30 days—the amount of paid leave (in addition to annual and sick leave) available to federal employees who serve as organ donors. CBO estimates that enacting this bill would have no significant impact on the federal budget. Because the bill would not affect direct spending or receipts, pay-as-you-go procedures would not apply. S. 1334 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on the budgets of state, local, or tribal governments.

The CBO staff contact is John R. Righter. This estimate was approved by Paul N. Van de Water, Assistant Director for Budget Analysis.
