

Memorandum and Reporting Instructions for:

Report on Work Years and Personnel Costs

Fiscal Year 2001

ACTION: February 28, 2002

MEMORANDUM FOR: ASSISTANT SECRETARIES FOR ADMINISTRATION AND
ASSISTANT ADMINISTRATORS FOR MANAGEMENT

FROM:  CHARLIE F. TAYLOR
ACTING ASSISTANT DIRECTOR
FOR WORKFORCE INFORMATION
OFFICE OF MERIT SYSTEMS
OVERSIGHT AND EFFECTIVENESS

SUBJECT: Fiscal Year 2001 Report on Work Years and
Personnel Costs

The Office of Personnel Management (OPM) annually requests a Work Years and Personnel Costs (WYPC) Report from agencies to assist us and the Office of Management and Budget (OMB) in addressing policy issues having major budgetary impact. This memorandum provides instructions for the Fiscal Year 2001 report.

OMB requests that agencies reconcile their Fiscal Year WYPC data with corresponding "Object Class Data" in the actual year column of the President's Budget. For example, the data reported for the Fiscal Year 2001 WYPC Report reflecting gross obligations (both direct and reimbursables) via object class should be the same as the "2001 actual" column of the Fiscal Year 2003 President's Budget which reflect gross (direct and reimbursables) obligations by object classes. To achieve this reconciliation, we have scheduled the WYPC reporting date after agencies have transmitted final "Object Class Data" for the President's Budget. Since final "Object Class Data" for the President's Budget should normally be sent no later than January, the reporting date for agencies to submit the WYPC report is February 28, 2002. Agencies should establish appropriate internal coordination procedures to ensure that the data are reconciled. We have added references on Forms 1351-A and 1351-B to help with this process.

Please note that overtime pay (Code 201) is now separated into five distinct reportable categories that are as follows:

- Availability pay for criminal investigators;
- Overtime pay for firefighters;
- Annual premium pay for regularly scheduled standby duty;
- Administratively uncontrollable overtime pay; and
- Other overtime pay.

The work years and cost data requested in the attachments identify the various components of basic pay (object classes 11.1 and 11.3), premium pay (object class 11.5), benefits (object class 12.1), separation incentive pay and severance pay (object class 13.0) for Federal civilian employment. Information is also needed on the number of staff days and value of leave earned and used. The data are used to estimate the cost of proposed Federal pay increases, evaluate the financial effects of proposed legislation relating to personnel compensation and benefits, and analyze comparability of pay and personnel benefits with the non-Federal sector.

Agencies with 100 or more employees are required to report. Agencies must submit Fiscal Year 2001 work years and cost data, as well as Leave Year 2001 data, by February 28, 2002. Send reports to: U.S. Office of Personnel Management, Office of Workforce Information, Workforce Statistics Division, (Room 7439), 1900 E Street NW., Washington, DC 20415-6000. Questions concerning this report may be referred to British Morrison at 202-606-1350, FAX: 202-606-1719, Email: owi@opm.gov.

Data for this report are derived from agency payroll and accounting systems as well as from personnel systems. Assistant Secretaries and Administrators are requested to exercise overall responsibility to ensure that the required reports are accurate and are submitted on time. The data you provide will be used in high-level decision processes and will be treated as the official representation of your agency. This report has been cleared as an interagency report and has been assigned interagency control number 0197-OPM-AN.

Definitions

Following are definitions of items shown on **Form 1351-A**.

Code 100. Total Basic Work Years and Payroll.

The totals will represent the aggregate of basic work years and payrolls for codes 101, 102, and 103. Report work years to two decimal places; continue to report compensation in thousands (\$000) of dollars.

Personnel compensation will equal the **gross (direct and reimbursables)** compensation for personal services rendered to the Government, including amounts withheld that are creditable to other funds for the employee's share of retirement and insurance contributions, income taxes, and other purposes.

Attachment 1 (2)

Exclude overtime pay and other premium pay and cash awards. (See codes 200-212.) Include locality-based comparability payments, as well as special geographic pay adjustments for law enforcement officers in the San Francisco, Los Angeles, New York, and Boston areas. Includes regular salaries and wages paid to employees while they are taking compensatory time off or are on annual, sick, or other paid leave and lump-sum payments for annual leave upon separation. Also include all non-overtime pay for firefighters compensated under 5 U.S.C. 5545b for hours of work up to 53 per week, or 106 biweekly (including firefighters with 40+ schedules as described in 5 CFR 550.1303(b)). Please note that the personnel compensation (both direct and reimbursables) for code 101 should equal the figure (both direct and reimbursables) reported to the Office of Management and Budget under object classification 11.1, and the sum of personnel compensation (both direct and reimbursables) for codes 102 and 103 should equal the figure (both direct and reimbursables) reported to the Office of Management and Budget under object classification 11.3.

Code 101. Full-Time Permanent Appointments (object class 11.1).

Report regular salaries and wages paid or to be paid directly to civilian full-time permanent employees that are part of the employee's basic rate of pay. Includes regular pay of the commissioned officers of the Public Health Service and the National Oceanic and Atmospheric Administration. Includes seasonal employees with permanent appointments who work the number of hours required by the administrative workweek. Also includes:

- Full-time employees in the Competitive Service with career and career-conditional appointments.
- Full-time employees in an Excepted Service whose appointments carry no restriction or condition. (Include employees serving a trial period.)
- Full-time employees in the Senior Executive Service with career appointments as defined in 5 U.S.C. 3132(a)(4) and noncareer appointments as defined in 5 U.S.C. 3132(a)(7).

Code 102. Full-Time Temporary Appointments (object class 11.3).

Entries will represent the work years and related costs for full-time temporary employment. Includes regular pay for full-time employment for a limited period of time that is generally less than a year (e.g., seasonal employment of employees without permanent appointments). Includes regular pay for employees with term appointments. Includes pay for employees whose tenure is without a specific time limitation, but not actually or potentially permanent -- i.e., indefinite appointments.

Code 103. Part-Time and Intermittent Appointments (Full-Time Equivalent), (object class 11.3).

Entries will represent the work years and related costs for part-time and intermittent employees (including seasonal employees).

Part-Time Employment (object class 11.3) - Regular pay with appointments that require work on a prearranged schedule of fewer hours or days of work than prescribed for full-time employees in the same group.

Intermittent Employment (object class 11.3) - Regular pay for consultants and other employees with appointments that require work on an irregular or occasional basis, with hours or days of work not based on a prearranged schedule. Compensation is paid only for the time actually employed or services actually rendered.

Code 200. Total Premium Work Years and Pay.

Report compensation paid directly to civilian employees, including premium pay and differentials (except for cash allowances for higher cost-of-living locations, which are classified under object class 12.1). Code 200 also includes cash awards for all Federal employees. Please note that the personnel compensation for code 200 (Total Premium Pay -- both direct and reimbursables) should equal the figure (both direct and reimbursables) reported to the Office of Management and Budget under Object Classification 11.5.

Totals are requested for the aggregate work years for codes 201 and 202, and the aggregate costs for codes 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, and 212. These costs are classified under object class 11.5.

(1) The cost for codes 100, 101, 102, and 103 divided by the respective work years

Attachment 1 (6)

should approximate the average basic salary of each pay system category of employee (e.g., Code 610 (General Schedule--GS and GM); Code 675 (Senior Executive Service--ES, etc.)).

Please note that average basic salaries for Code 101, Full-Time Permanent Appointments, should fall within the minimum to maximum ranges provided below for the following pay system categories:

Code	Pay System Category	Minimum-----	Maximum
630	Physicians/Dentists—Department of (VA) Veterans Affairs only	\$40,236	\$116,102
675	Senior Executive Services (ES)	\$109,100	\$125,700

Note: The minimum and maximum salaries (excluding locality pay) shown are those for calendar year 2001. If locality pay is included, the minimum ES rate would still be \$109,000 (in areas where locality pay does not apply) and the maximum ES rate would be \$133,700.

- (2) The average basic salaries computed by edit (1) above divided by 260 days should approximate the average daily rate.
- (3) For code 201, overtime costs divided by overtime work years should approximate the annual average overtime rate.
- (4) The Work Years and Personnel Report covers **total employment**. Work Years should be benchmarked against the monthly report of Full-Time Equivalency (SF 113-G) summary reports; large differences in report coverage should be explained, since the 113-G report now covers total employment, including those in special employment categories (formerly non-ceiling employees).

Instructions for Office of Personnel Management (OPM) Form 1351-B: Cost of Employees' Benefits.

An agencywide report using OPM Form 1351-B is requested. In the column labeled Cost, show the aggregate cost during the fiscal year for the given benefit. In the next column show the percentage that the cost of the given benefit is of basic payroll (i.e., compensation amount reported in code 100). Carry the division to 5 places, multiply by 100, and round to 2 decimal places. The following code numbers and entries will be shown:

Code 300. Total Cost of Benefits.

The total cost will represent the agency's aggregate costs for benefits and should equal the sum of codes 301 through 303 plus 308 through 316. This amount (both

Attachment 1 (7)

Please indicate in the transmittal letter the reasons for significant variations from the percentages shown.

**Instructions for Office of Personnel Management (OPM) Form 1351-C:
Leave Earned and Used (Leave Year 2001).**

A significant part of the cost of Federal employee compensation is pay for time not worked. This report is designed to obtain information based on leave records maintained in agency payroll systems.

A summary report in the format of Form 1351-C will be prepared for each agency. Items 1 through 5 under "Type of Leave" apply to employees covered by 5 U.S.C. 6301. Item 6 applies to employees **not** covered by 5 U.S.C. 6301. Items are defined as follows:

1. **Annual leave.** Include (1) the number of days paid for but not worked and charged to annual leave or home leave, and (2) the number of days for which lump-sum payments were made at time of separation; report lump-sum data separately as well as combined with total annual leave data.
2. **Sick leave.** Include the number of days charged to sick leave. Accumulated sick leave converted to service credit for retirement annuities should be reported for all employees who retired during the leave year.
3. **Holidays.** Include the aggregate number of Federal holidays paid for but not worked.
4. **Time-Off Awards.** Include the number of hours granted for time off from duty without loss of pay or charge to leave as an award in recognition of superior accomplishment or other personal contributions to the quality of Government operations. (See 5 U.S.C. 4502(e))
5. **Other leave for Employees covered by 5 U.S.C. 6301.** Include the aggregate number of days charged to shore leave (vessel employee); military leave (National Guard and reserve duty); court leave (jury and witness); administrative dismissals, such as hazardous weather and hot weather dismissals and when a field office is closed on a local holiday because Federal work may not be properly performed; and other excused absences, such as for registration and voting, civil defense activities, participation in military funerals, blood donations, taking examinations, attending conferences and conventions, and representing employee organizations.
6. **Other leave for Employees not covered by 5 U.S.C. 6301.** Report all leave used regardless of type. Excluded from coverage of 5 U.S.C. 6301 are certain part-time and temporary employees (construction); Veterans Administration physicians, dentists, and nurses; non-U.S. citizen employees in foreign areas; and certain teachers. (Exclude lump-sum payments for annual leave upon separation.)

Attachment 1(13)

The number of days reported as leave used, earned, and forfeited should be based on the amounts accumulated in the leave records (and reports) during the 2001 leave year. The number of days of leave reported as carried over should relate to employees on board at the end of the leave year.

The value of leave used will be computed by relating and accumulating the daily pay rates of the using employees.

Please perform the following edit checks for Office of Personnel Management (OPM) Form 1351-C.

The value of leave used divided by number of days equals value per day. This amount should approximate the average daily rate computed for the edit check on OPM Form 1351-A.
